Debbie,
Can you believe how fast this school year went? We had a great time, didn't we? Class together, even though we weren't in the same classes. I wish you the best of luck in everything you do, and I hope you find a great person to love, forever. Always remember the good times we had this year, and I'll never forget you. Have a great summer, and I'll see you next year.

Love, Jenny Mathews

Debbie:
Well Deb, this is it - our senior year. I can't believe it's here already. Remember Sunday when we went to Cedar Point? I had a good time that day. Remember when we were in the cafeteria during 8th period, Ms. Grimm was absent, and we were all talking? Remember when we were in Mr. Gaul's room and we were supposed to be working? Remember when we were in the bathroom and you were sick? Remember when we were in the bathroom and you were sick? Remember when we were in the bathroom and you were sick

Staff's Letter

You may wonder how this yearbook staff chooses the theme each year — we often wondered, ourselves. Someone, somehow came up with the idea of representing each type of student here at Dow High. *Charger People* became the theme — hopefully, we've captured a part of each one of you.

As we look back on the school year we remember the good times & the bad, the victories & the defeats, our friends & our enemies.

Three years can seem like such a long time and yet it can go by so quickly. These years create many impressions which eventually become lasting memories that can be looked upon to remember that special Charger spirit!

Each person, when they walk out the doors for the very last time, receives their own personal set of memories. Below is a list of perhaps the most unforgettable parts of Dow High and the 1985-86 school year. Look back upon the times with a smile and remember all the personal events not listed below.

Bruce Springsteen ▲: Although he sings with a limited, raspy voice, Springsteen is an insightful, effective lyricist and an extraordinary performer. His mass appeal lies in his 'regular guy' image — faded blue jeans, red bandanas, and old tee-shirts. His lyrics dwell on everyday people and their struggles to lead good lives. Bruce's incredible four-hour stage shows consist of no special effects or glittery costume — just simple professionalism. His energetic outpouring of feeling and the tremendous spirit that he creates can best be described by one of his devoted fans, "I have been in a wheelchair seventeen years — because of the war — and this man truly cares. One thing that Bruce's music teaches us is that even with all the things that happened in that war, with all the suffering, we can still love America. We can love it for the good things not the bad." From the working class, for the working class — Springsteen is THE BOSS!!

Madonna ►: She's carefree, manipulative, and a bit risque — her belt buckle says she's a Boy Toy, and her famed naval has been seen all over the world — she's Madonna. In 1985, she became the year's top multi-media star with her hit LP "Like A Virgin" and her film debut in "Desperately Seeking Susan". But, perhaps, Madonna is best known for her unshaven underarms in her 'immodest' display shown in various 'adult' magazines. This Material Girl will definitely go down in history as a legend of the 80's.

Phil Collins ▼: This squat, thirty-four year-old singer-drummer with a receding hairline is not an obvious choice for heart-pounder of the year, but Phil Collins' fans don't think he's a joke — they love him. His number-one ballads such as "Against All Odds" and "One More Night" only added to his success. Today Collins is one of the hottest commodities in pop music, his feet are on the ground and he's moving forward. His LP "No Jacket Required" is still creating number-one hits. The rest of the decade will definitely be influenced by this pop-star and his emotional ballads.

The Cosby Show ▲: Thursday night has become the night to watch TV thanks to this fabulous show. Bill Cosby, stand-up comic, actor, and educator, returned to television this season starring in the highest rated new series on any network since the 1978-1979 season. The Cosby-Show portrays the life of the Huxtable family as they deal with all kinds of problems that many families encounter every day. The Cosby Show has that wonderful, caring, loving feeling storyline with the underlining images that come across to the public. The true meaning of this show can best be described by Bill Cosby, himself, as quoted in *Ebony* magazine. "This is a show with a Black American Family, but what's important in this show is that our family represents 90 percent of all people out in the audience. We are family and the humor comes out of our attitudes toward each other and life in general. This show will work to show all Americans that if they really love OUR children, all children are the same the world over." This dynamic TV show has people of all ages across the U.S. glued to the TV on Thursday nights.

Miami Vice ▼: Starring in this blockbuster television show, Ricardo (Philip Michael Thomas) Tubbs and Sonny (Don Johnson) Crockett play a pair of smooth operating detectives who cruise Miami's drug infested streets in a black Ferrari, wearing Gianni Versace suits and melt-on-your-skin Italian-made tank shirts. Thomas and Johnson have become heroes, sex symbols, and fashion plates — in fact, men are even getting married in Miami Vice Tuxedo wear. Since the season premiere their popularity has surpassed anything imaginable. Miami Vice is such an exciting show that it is even keeping teenagers home on Friday nights. Thomas and Johnson are riding the crest of fortune and fame. They are rich, celebrated, and sought after — Will their popularity ever end?

Coca-Cola: It's The Real Thing!

Coca-Cola proved that they too were number one in the fashion world as well as in the soft drink industry. Coke shirts, jeans, sweaters and hats swamped the stores as people of all ages fought over the correct size. Coke is it!!

Where The Boys Shop

What's on top always counts, but this year it counted more than ever because shirts were bigger than ever! From whites to neon brights, big shirts were coming on strong over minis, stirrups and shorts. And the best place to buy them was in your favorite department store — in the boys' section. Authentic and inexpensive, these oversized shirts were accented with bow-ties, neckties, suspenders and extra-large sweaters also found in the boys' section. To add to the menswear effect, oxfords were the shoes to wear. With socks on the outside of the pants, the beaten-up look was the most popular. Borrowed from the boys!

Baroque & Beautiful

The spirit of the baroque era made an impressive comeback. This fall's fashions were overflowing with rich textures and designs of the seventeenth century. Brocade vests, tapestry skirts and paisley jackets were everywhere. But to achieve the true baroque-look, clothes needed to be accented with big and bold "antique" jewelry. Here at school, brooches and paisley were the things to wear. Yes, even the guys wore paisley!!

Star Tracks

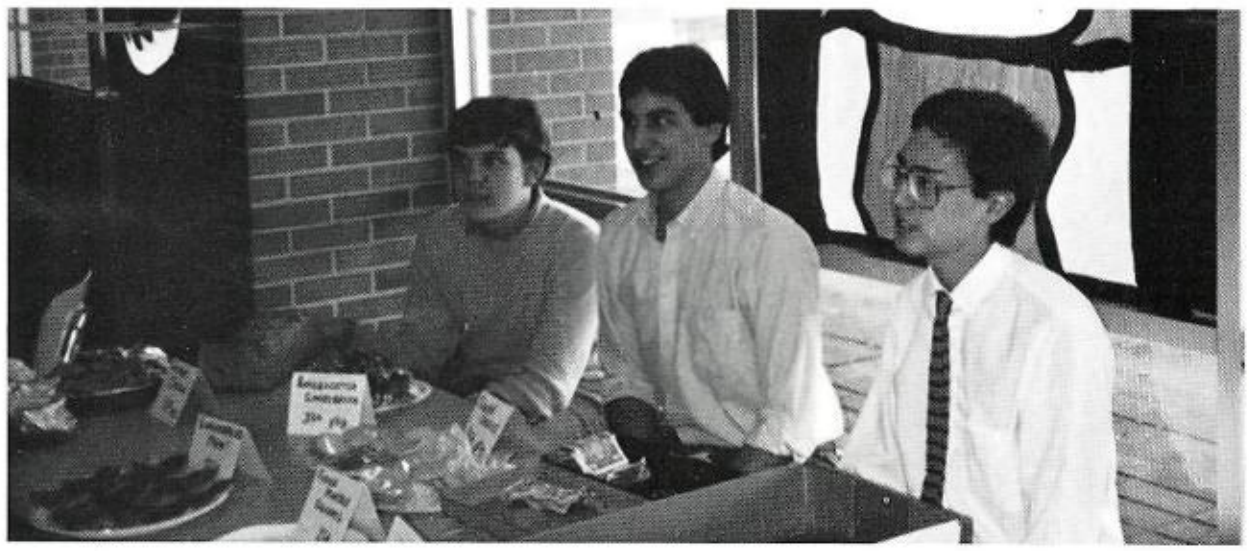
This page is to recognize those Chargers who were *Stars* this year. These people and groups excelled in sports or academics or contributed to the school or community.

Charger Spirit

This year we had a new addition to Dow Charger spirit — **The Dow High Dudes.** At the Midland-Dow basketball game Jan. 17 they entertained us with a great pompon routine at half-time to J Giels Band's snappy song 'I Do', and with creative cheers and skits during time outs.

To The Rescue

Through bake sales, the **Spanish Club** aided desperate victims of the Mexican earthquake and Columbian volcano disasters. They raised approximately $300 and donated it to the Red Cross.



Can Jam

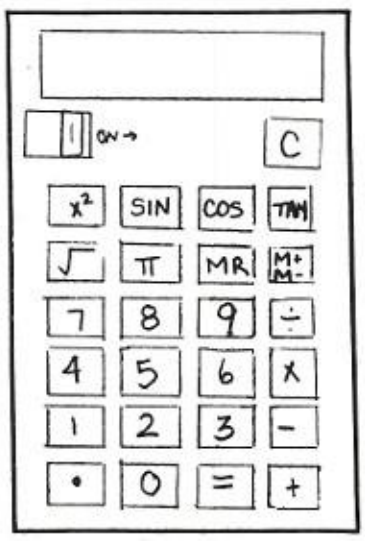
The **National Honor Society** got in the spirit of giving too by holding a jam session by the band **Viscous Biscuits.** The admission was one can goods or paper product and these items were donated to a relief agency in Pinconning.

Debate At State

The debate team of **Chris Davis, Amy Braley, Brian Powers and Stacia Werst** qualified for State by winning 2 out of 4 in districts. Chris Davis commented that although they didn't take first at State they had a lot of fun.

Mathematics

Dow brains were put to use this year. **Kevin Chausee, Warren Nelson, Bruce Hahne, Paul Dankoski and Michelle Gornowicz** placed in the top 100 of 23,000 students who took the Michigan Mathematics Prize Competition. A banquet was held in their honor.



Dedicated Class Officers

The class officers in all three grades put a lot of effort in this year. They were involved in activities such as the organization of Homecoming, Prom and other school dances.

#1 Athletes

Jackie Goulet and Joe Windover were shining stars in sports this year. Joe was elected to the Associated first-team Class A all-state football squad and Jackie was elected to the all-state basketball team.

Creative Duo

Eric Gibson and Jennifer Linhardt put their creative talents to work. Eric composed the music for *Canterbury Tales* and Jennifer choreographed the dancing for both *Ren Fair* and *Canterbury Tales.*

Another star this year is Dr. Frock. He is the new superintendent for Midland Public schools. Thanks for the good work.

Holiday

Holiday! Celebrate!
Holiday! Celebrate!

If we took a holiday,
Took some time to celebrate,
(C'mon, let's celebrate)
Just one day out of life,
Just one day out of life!
It would be,
It would be so nice!

We've already spread the word,
We're gonna have a celebration!
All across the world,
In every nation!
It's time for the good times,
Forget about the bad times — oh yeah!
One day to come together
To release all the pressure,
We need a holiday!

You can turn this world around,
And bring back all of those happy days!
Put your troubles down,
It's time to celebrate!
Let love shine,
And we will find,
Our way to come together
And make things better,
We need a holiday!

THOSE WERE THE BEST

I took my last big mid-term
Barely passed my government class
Studied 'til my eyes were red
That was the winter of '86!

Me and some guys from school
Went to games and it rained real hard
Dow was hot and the moon was green
Chemics shoulda' known they'd never get far!

While we were having fun
We were young and restless
And needed to unwind!
I guess nothing can last forever!
That was the year of '86!!

Now that the times are changin'
Look at everything that's come and gone
I guess it's time we're leaving
In other words we're moving on!

But when we look back now
Our senior year seemed to last forever
And if we had the choice
We'd always wanna' be there!
THOSE WERE THE BEST DAYS OF OUR LIVES!!!

LET'S GO CRAZY

dearly beloved
we are gathered here today
2 get thru this thing called dow
electric word dow
it means 3 years
and that's a mighty long time
but i'm here 2 teach u
there's something else — the real world
a world of never ending choices
but you can always find the fun day or night
so when u call up your babe
in bloomfield hills
miss everything - will-be-alright
instead of asking her how much
of the weekend is left
ask her how much of your mind
baby, cause this place isn't much harder than the real world
in this school you're on your own
and if the school tries 2 bring u down
GO CRAZY!!

International Scene

Events around the globe this year brought anger, sadness, and protest. Terrorists challenged American foreign policy with the hijacking of TWA Flight 847, the takeover of the Achille Lauro and the death of Leon Klinghoffer, and the Christmas attack on Rome and Vienna airports. The tragedy of Columbia's volcano and mudslide and Mexico's earthquake brought sympathetic relief efforts from the United States. Corazon Aquino beat the odds and started the Phillipines on the road to democracy. Finally, the world protested apartheid in South Africa as a violation of human rights.

SPACE SHUTTLE TRAGEDY

Americans have traveled into space 55 times over the past 25 years — their safe return has been taken for granted. An age — when almost anyone could ride in a spacecraft with a safe return — was ready to begin. Christa McAuliffe, a high school social studies teacher in Concord, N.H., was to be the first ordinary citizen to be launched into space.

The preparation for the *Challenger's* tenth journey into space had been painstakingly slow. The group, including two women, a black, a Hawaiian of Japanese descent, were ready to go. But then disaster struck.

The *Challenger,* with barely a minute into its flight on Tuesday, January 28, 1986 exploded and seven astronauts disappeared in an orange and white fireball nine miles above the Atlantic Ocean.

The reaction was shock, horror and grief. The tragedy brought a nation together in mourning. It also brought admiration for those who explore the heavens.

Despite the horrors of the last spacecraft, the *Challenger* catastrophe built American determination to push on and continue the quest in space.

Looking Our Best

Did anyone notice that the fall of 1985 was the year for rain? It seemed like every morning students in Midland County would awake to pitter-patter on the roof. And what about the rain games? Friday afternoons, girls would rush home to get dressed, curl their hair and just look nice. Rain can definitely destroy a hairdo. High school students react to this weather in different ways. There are those who hide under umbrellas, those who scream and run to the car and those who stand up and cheer their team onto victory whether it be sunny, raining or even snowing. People say high school years are the best years of our life — can rain destroy our fun? NO WAY!

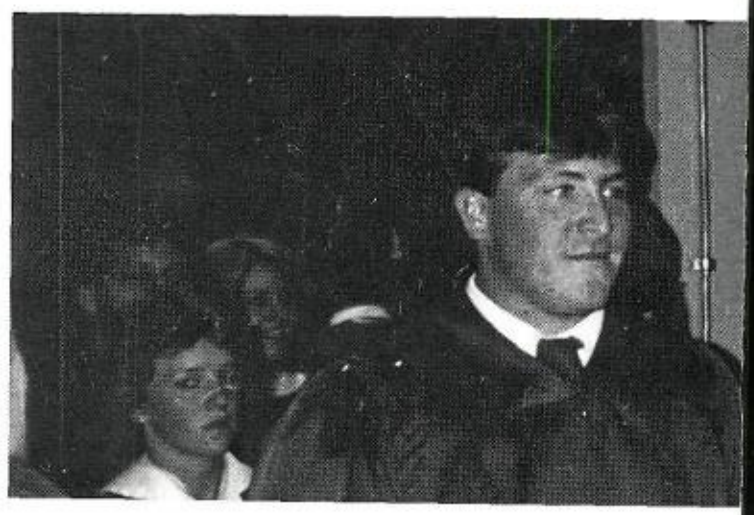
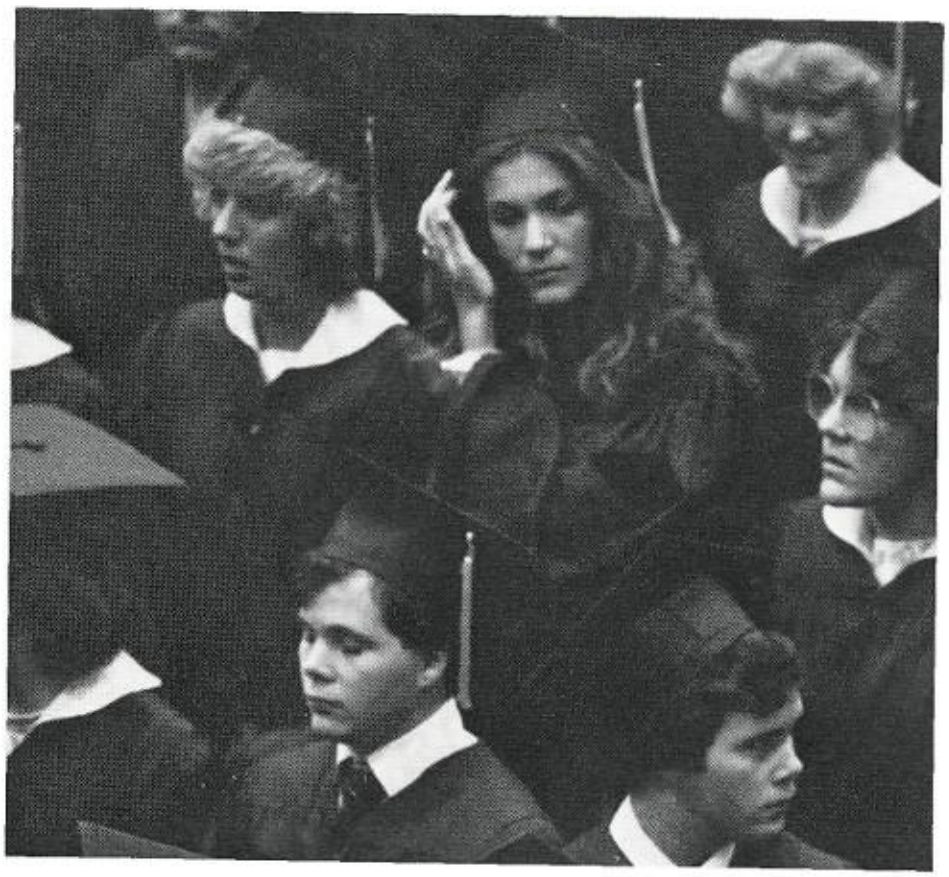
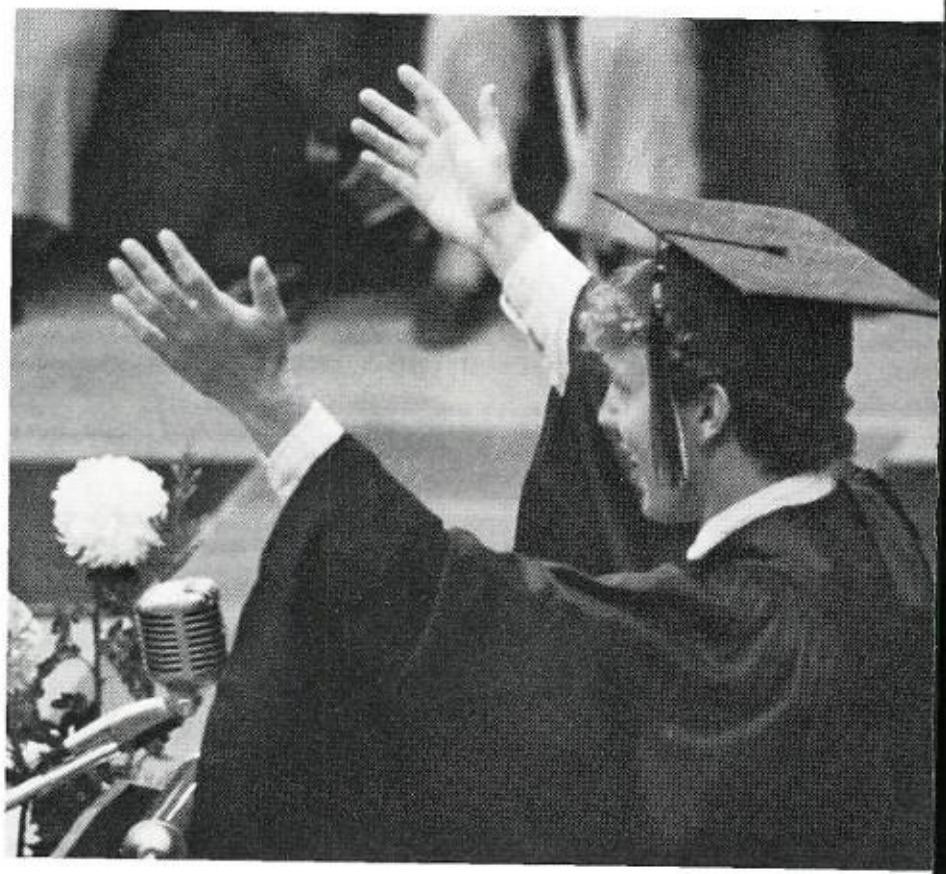
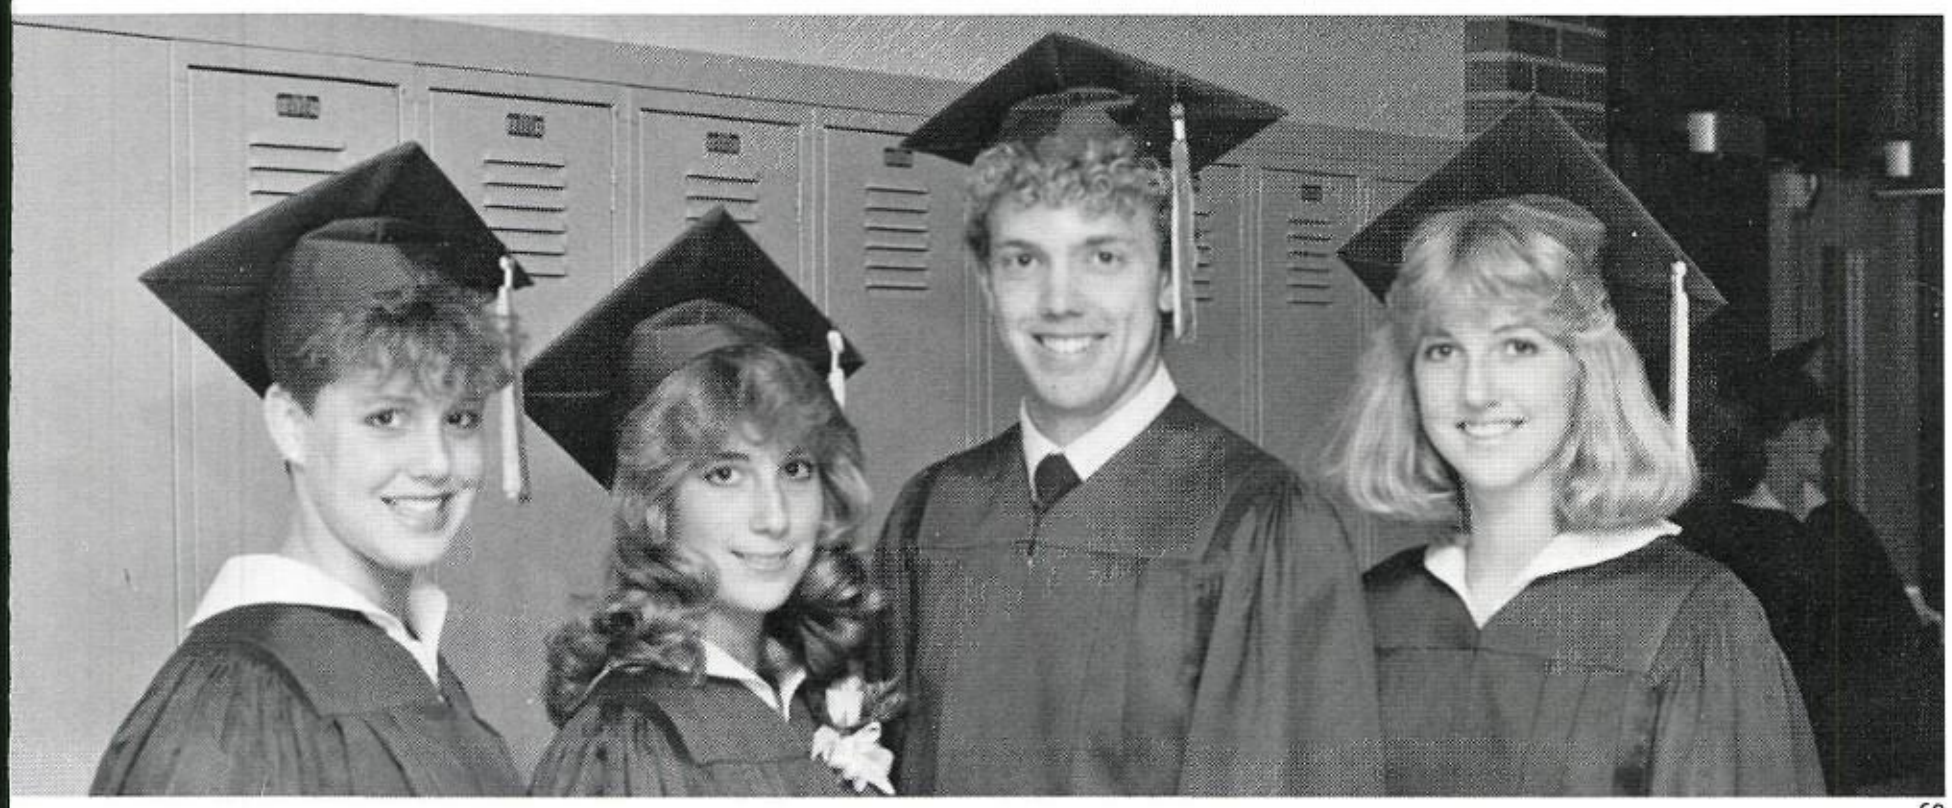
Graduation

Graduation is a mixture of pride and sorrow. Parents, friends, and faculty gathered in the gym to honor the class of "85". Reflections of years gone by and expectations for the future marked the speech "The Not So Trivial Pursuits" given by Mrs. Rosten. A different touch was added with characters drawn of the graduating class by Andy Halldorson. In addition, a senior slide show was presented by Jody Clack and Amy Roe. 1985's valedictorian was Ravi Allada and salutatorian was Deborah Diesen. Best of Luck Class of "85". We wish you a fond farewell.



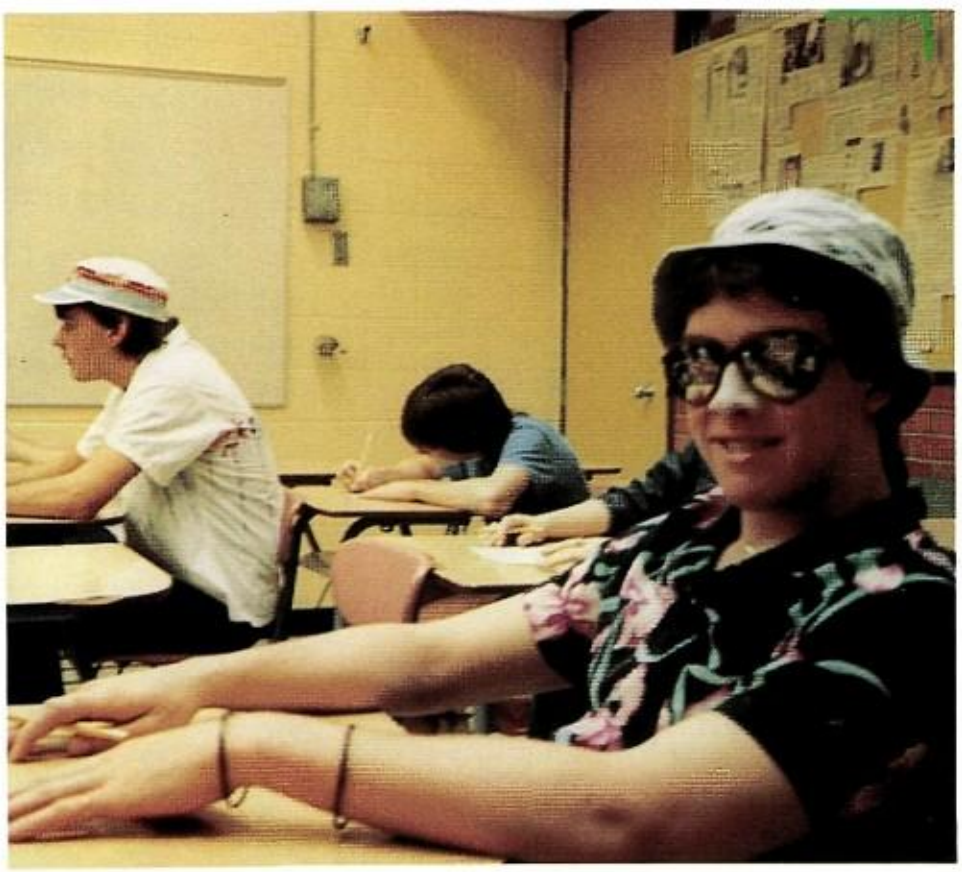






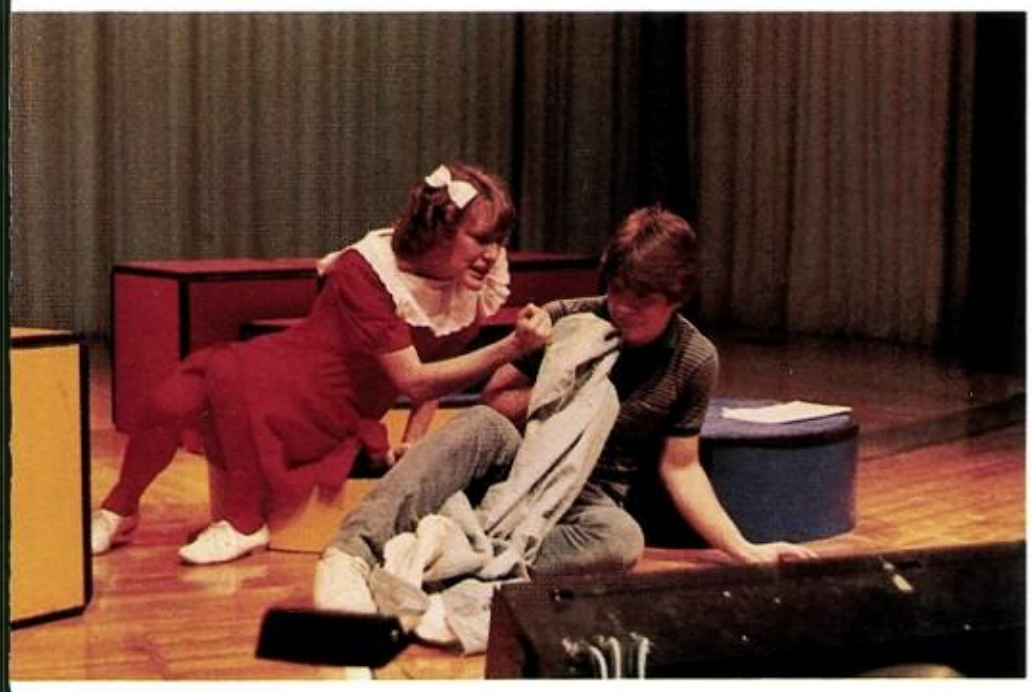
Spring Fever Week

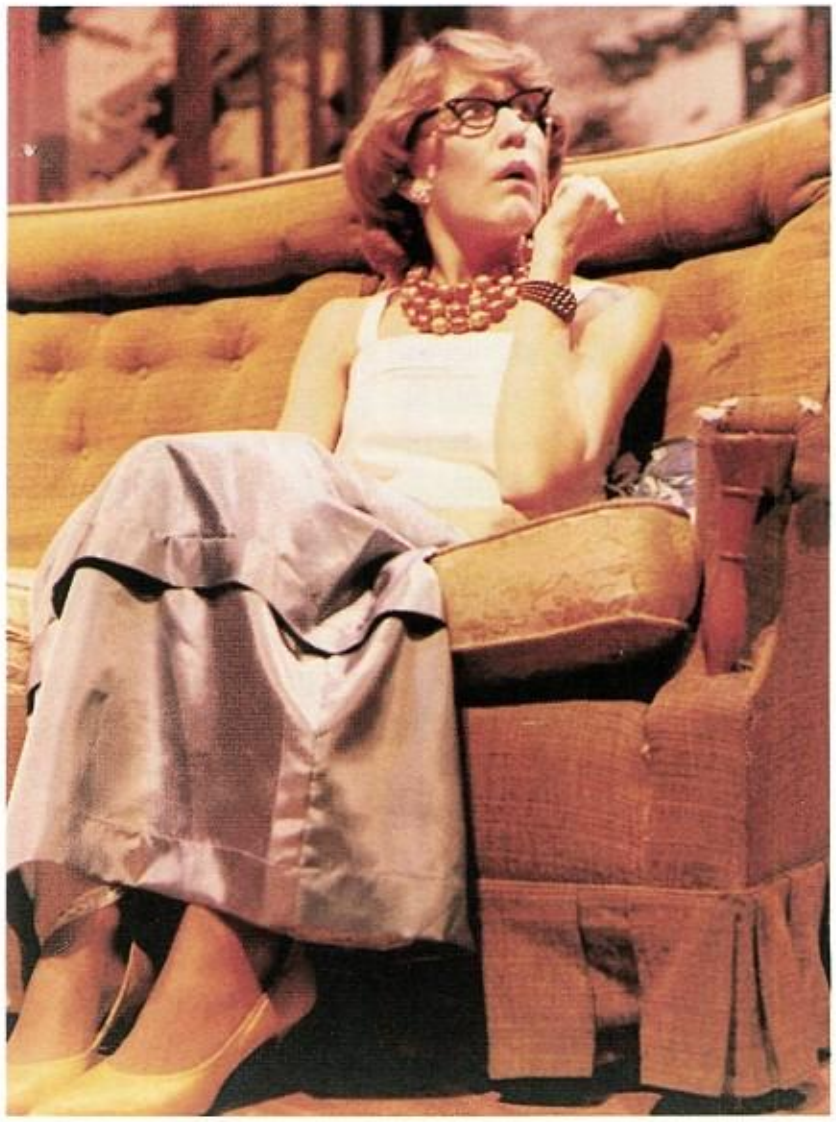
Spring Fever Week 1984 hosted a new tradition at Down High — King Charger! The male population was finally acknowledged with the first Dow High King and his court. Charles Downey had the pleasure of being crowned "His Royal Highness." His name will definitely go down in history! Five representatives were chosen from each class with the royal title reserved for that special senior guy. The festivities lasted throughout the entire week. On Tuesday, Dow High was overrun by nerds. So much for the jocks overpowering the brains. An enormous amount of bed sheets were used for Wednesday's Toga Day with Thursday reserved for College Sweats Day. But the highlight of the week was definitely Hawaiian Day with everyone dressed for a luau. This marked the end of winter and the beginning of spring.



Dow High Drama Steals The Show

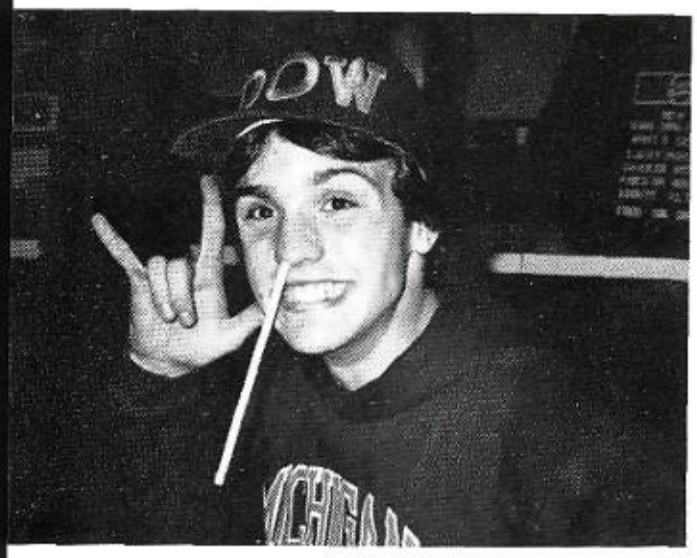
The year 1985 was a productive one for Dow High actors and actresses. With their advisor, Michael Reilly, two plays were performed — "Count Dracula" and "Peanuts." The cast members of "Count Dracula" include Mary Albee as Sybil Seward, Elaine Murphy as Hennessey, Frank Bowman as Dr. Arthur Seward, Brian Borg as Renfield, Eric Gibson as Jonathan Harker, Michelle Powers and Beth Ann Hodges as Mina Murray, Brian Powers as Count Dracula, and Bruce Hahne as Professor van Helsing. "Count Dracula," described as a "melodramatic soap opera", received excellent ratings and was quite successful. The second play was an untitled version of "You're a good man Charlie Brown" which was rewritten by the Britton Humanities Seminar. The cast of this musical included Brian Borg as Charlie Brown, Stasia Werst as Snoopy, Mary Albee as Lucy, Brian Powers as Linus, Bruce Hahne as Schroeder, Heather Flint as Sally, Elaine Murphy as Marcie, and Beth Arman as Peppermint Patty. The play received state ratings, was sold out each night, and was dedicated to Dr. Owen for his long term personal interest in the performing arts.

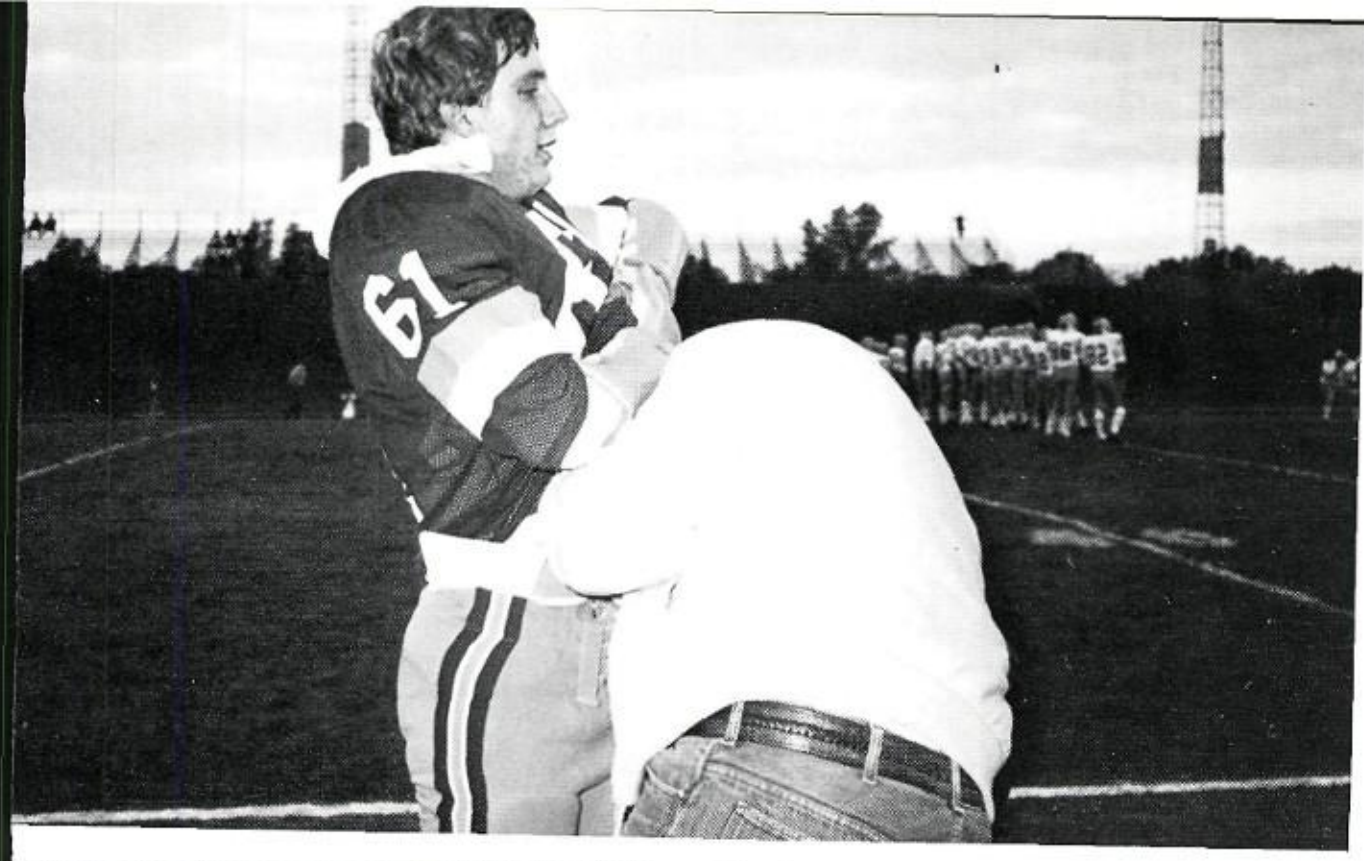




Some Things Speak For Themselves

Many different people can show us how we eat. Walk into any cafeteria of fast-food restaurant and watch the different examples of how *not* to eat. THE NIBBLER: She never buys anything and always insists that she isn't hungry. Yet, she'll constantly be nibbling on things from *your* tray. "Just one bite", "just a sip" is all you'll hear. By the time you're finished, she has eaten half of your lunch. THE CHOWMAN: He'll eat everything and anything. He's the one who goes to Mac's and orders one of everything then goes back for seconds. THE PUSHER: She always buys lots of food, but rarely eats it. Everyone with her must eat a sample of *all* the food on her tray, whether they want it or not. No one can leave until her tray is empty and everyone is full. THE REST OF US: We're the average high school students who all have friends like those described above. Do you have friends like that?





Debbie, what a year it was. 35-0 started it off and it was up hill from there on in. I'm glad we got to know each other this year. Good luck with school next year. Love Mike Foxes.

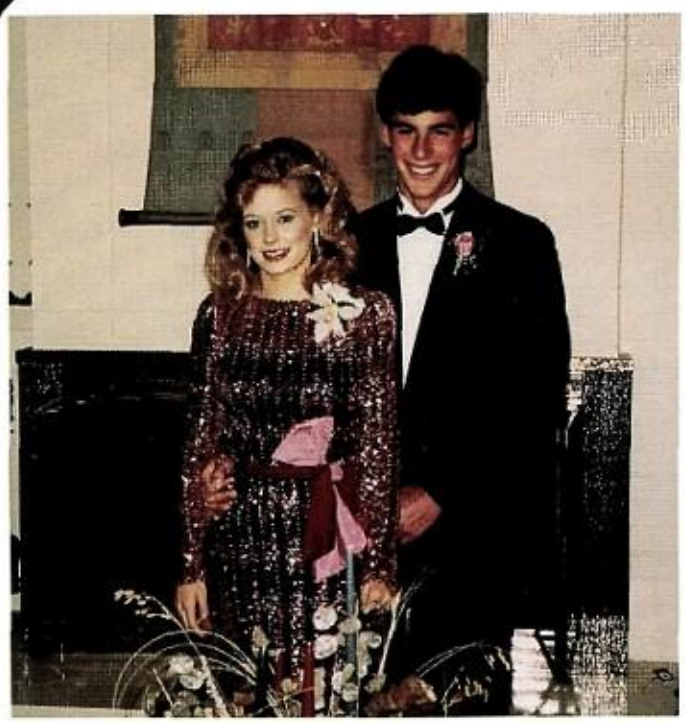
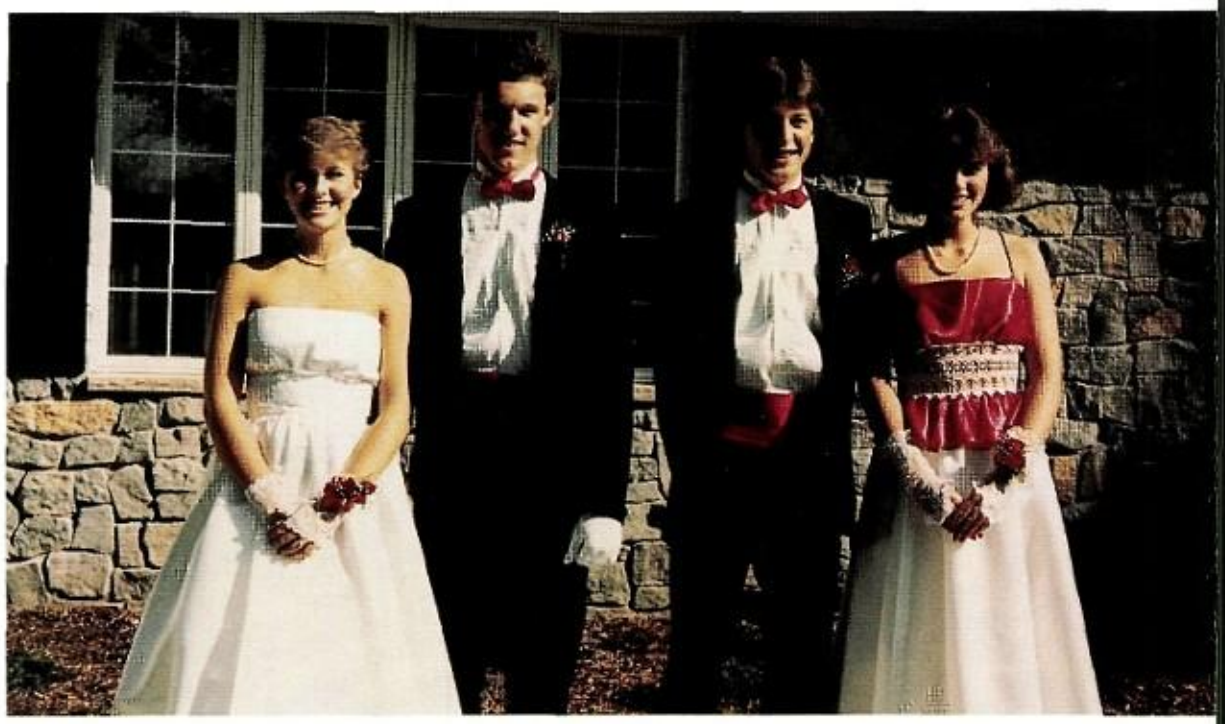
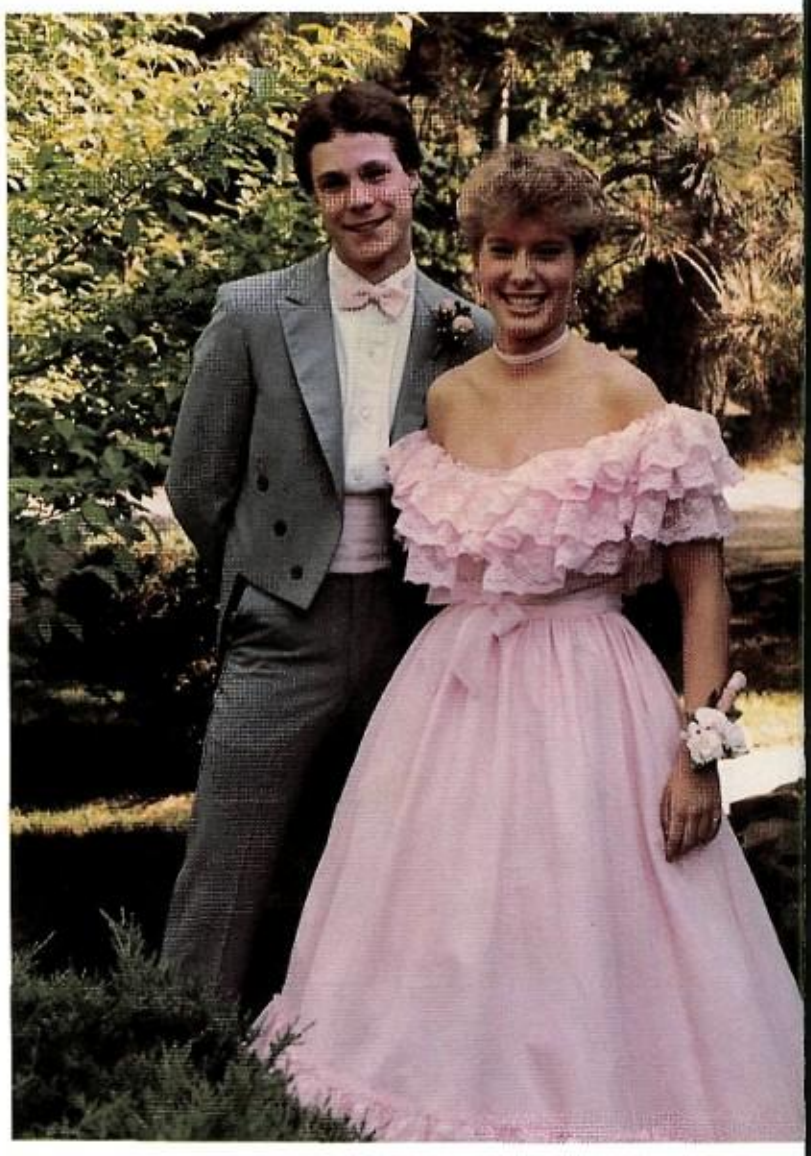
Return To Camelot

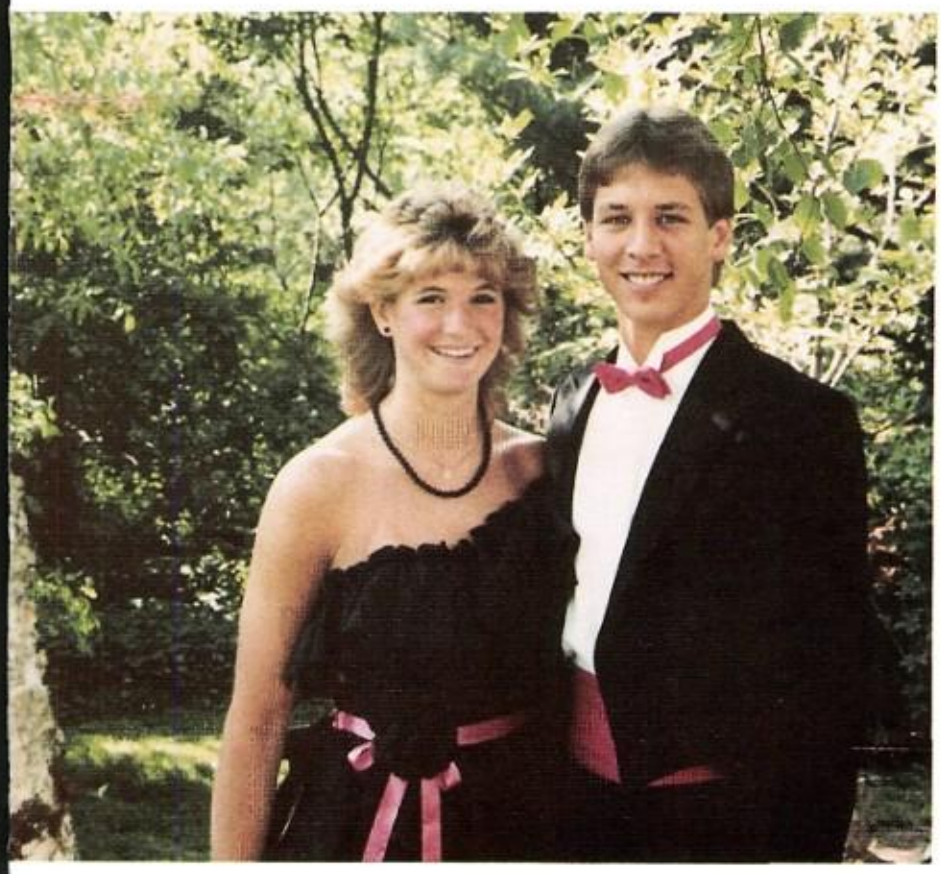
The time: 5:30 pm, May 18, 1985. The place: various homes across Midland. The typical girl is trying to squeeze into that beautiful taffeta dress she bought in March, without ruining that extravagant hairdo conglomerated with five coats of Final Net. She admires her fingernails freshly painted at the beauty salon, and checks the mirror for one final look before her date arrives. Meanwhile, this gentleman with sweaty palms puts on his black tux with a pink cummerbund — A WHAT?? He finally slips on his elegant, black, shiny, plastic shoes that are two sizes too large. Now for the grand entrance! He slowly walks up the steps, corsage in hand, and rings the doorbell. The doors fly open and he is blinded by the camera flashes that suddenly appear. "SMILE!" Does this scene bring back memories? If so, you probably attended the Dow/Midland Junior/Senior prom held at The Great Hall. You may have enjoyed an evening of dancing to the sound of Mickey Finn. The anxiously awaited evening turned out to be perfect and the memories of "Camelot" remained in everyone's mind. The only thing that is left — a dried corsage, a prom glass, another dress that hangs in your closet and collects dust, and a mind full of wonderful memories.

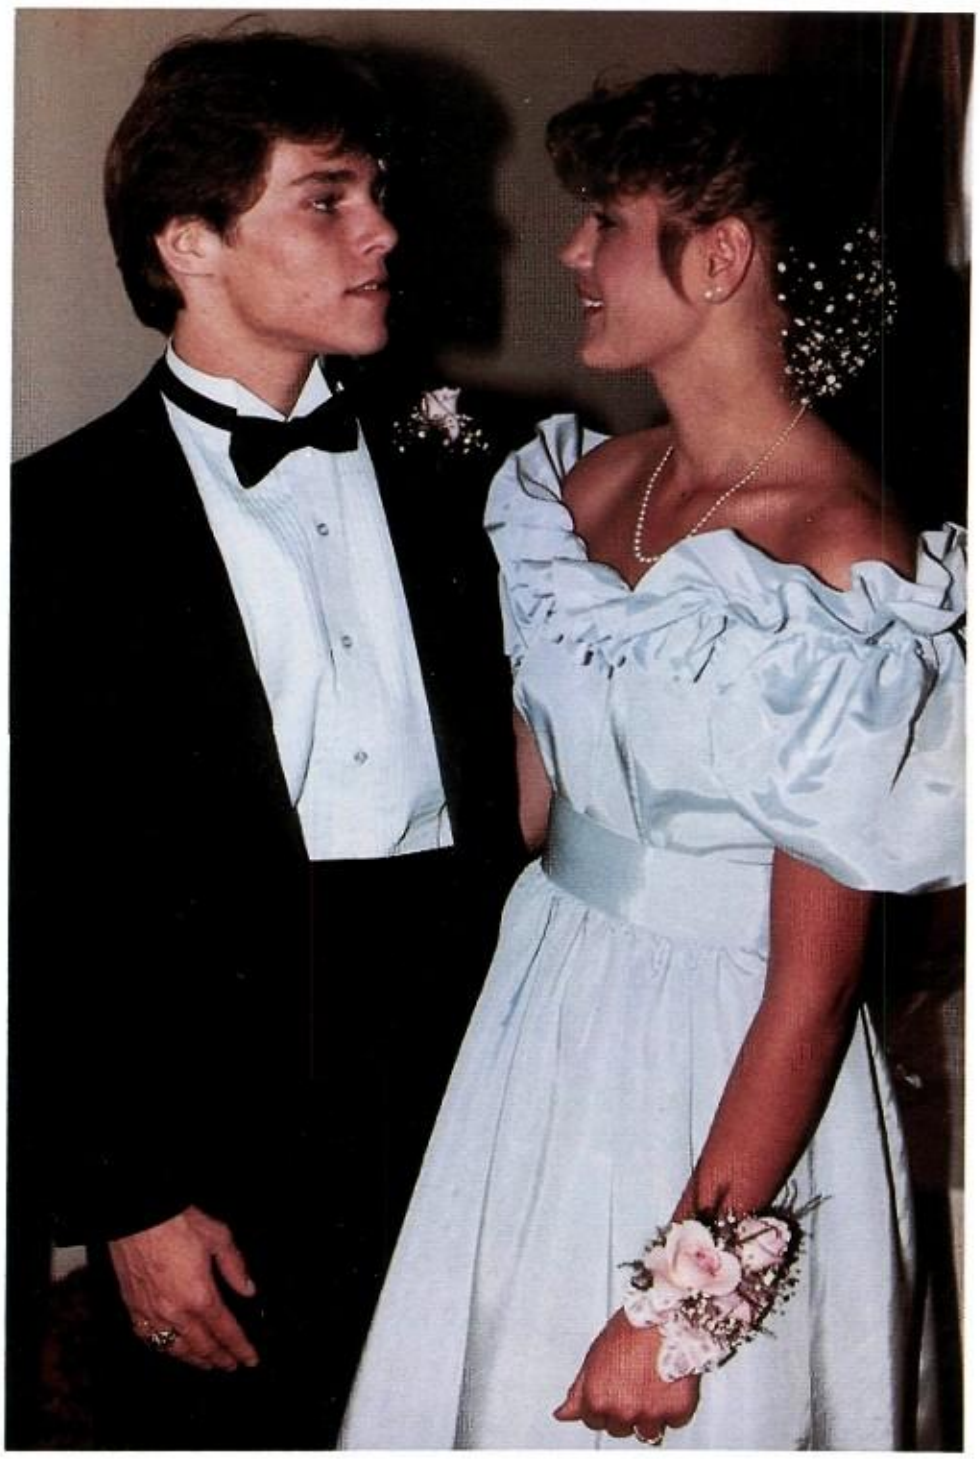


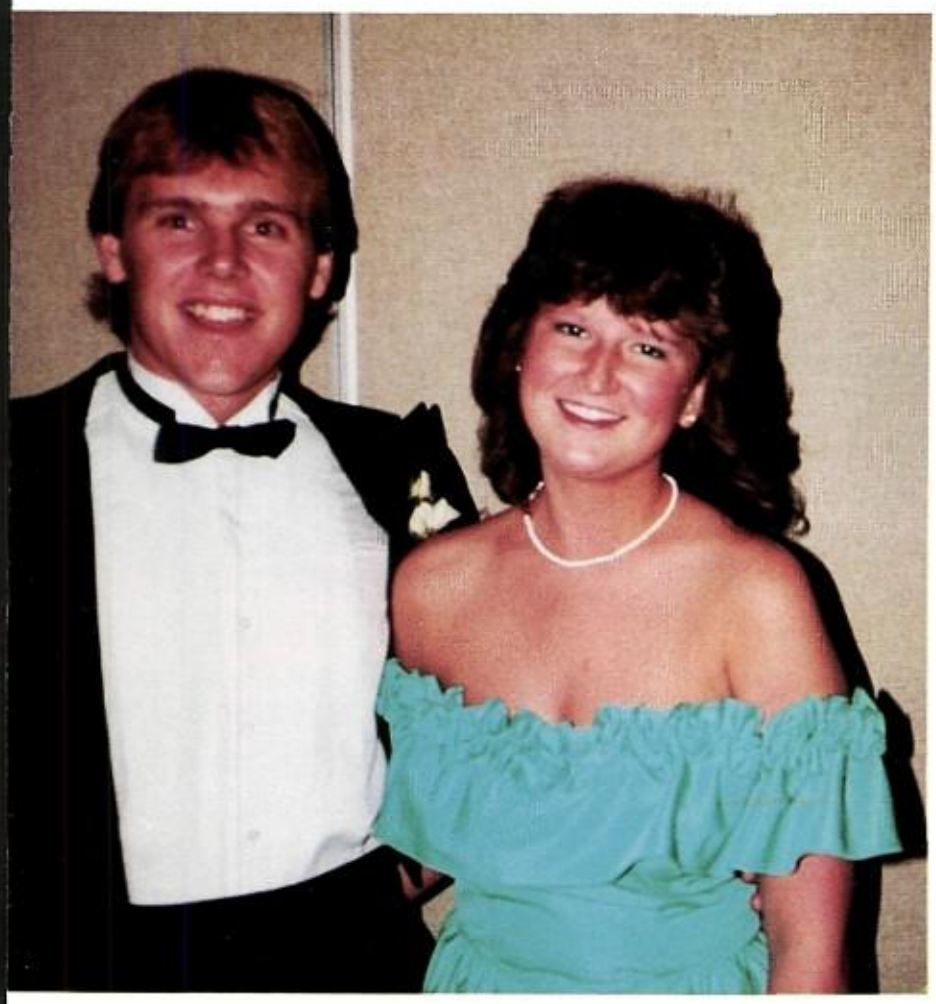


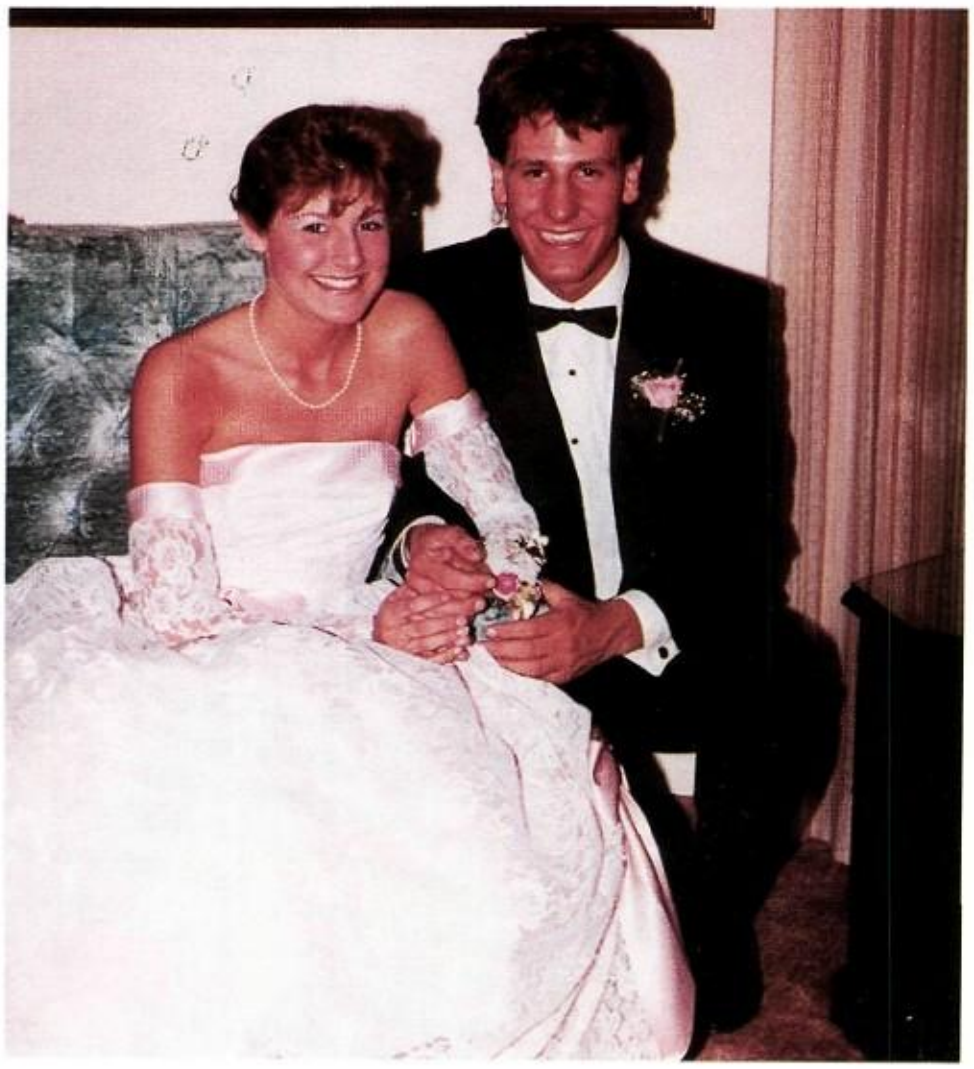


This page (clockwise): Tara Rogers and Fulton Davenport; Allison Fraleigh, Joe Windover, Mark Stephenson, and Andrea Fraleigh; Steve Lehman and Wendi Swann; the band, "Mickey Finn". *Left hand page: Jackie Goulet and Bob Kench; Ed Haskins and Jennifer* Miller; Angel Berchin and Kriss Arbury; Doug Tew and Sonya Spragg; Danise Rogers, Pat Conlee, and Boo Gueramy.





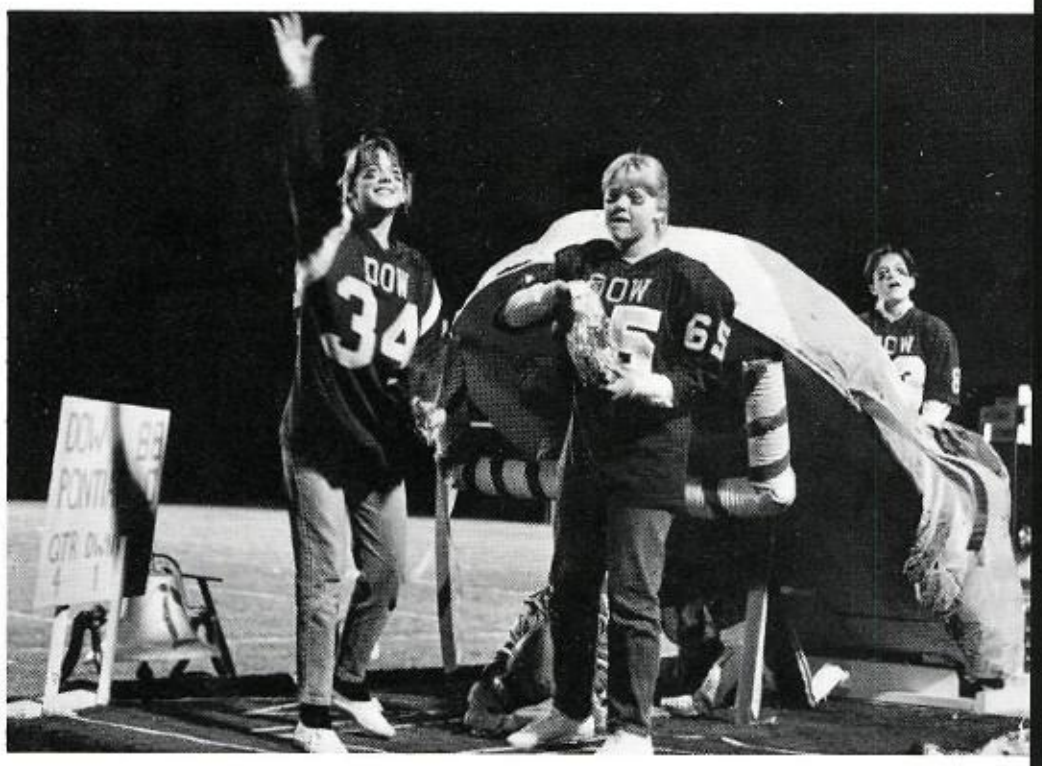




Homecoming 1985

Homecoming brings back a collection of memories for everyone. Maybe you think of 1984's queen, Kellie Ignatowski, walking slowly on to the field, crown in hand, stopping behind Stephanie Livingston and crowning her Green Queen. Maybe the rest of the beautiful court comes to mind: Senior representatives Wendi Swann and Heidi Thompson; Juniors Angel Berchin and Stefanie Brown; Sophomores Tina Alderson and Trinja Garrels. Maybe you remember how the Orchestra received first place in the float competition with their theme "He who wants to dance must pay the fiddler." Seniors came in second with their mammoth dragon and sophomores placed third with their quote "If the shoe fits, wear it." Maybe you chose to forget the 5-21 loss to Pontiac Northern, but remembered the enthusiastic fans with their airplane flying contests. The band's halftime show highlighting a spectacular fiery baton-twirling act by Belinda Fisher might also come to mind. Pompon girls and cheerleaders once again came through by getting the fans involved. And of course no one can forget the special moments at the dance. Whatever you remember about the weekend, it was all a part of Homecoming 1985.

Top Left: Senior Float; Top Right: The Court; Bottom Left: Angel Berchin and Stefanie Brown; Bottom Right: Orchestra Float.



Clockwise: Queen Stephanie Livingston and her father; Sophomore float; Mike Skinner runner up??; Trinja Garrels and Tina Alderson; Heidi Thompson and Wendi Swann.

Just A Typical Day

Waking up to the tunes of Foxy 101, the average students attempt to drag themselves out of bed to try and find the necessary bathroom facilities. Another school day has arrived! Each must prepare himself for another fantastic (?) day at good ol' Herbie High. "Alan Average" attempts to shave off his peach fuzz while trying to comb his hair and brush his teeth. He flies out the door grabbing a Coke to keep himself awake. Late again! But for "Anne Average", mornings have become a much different ritual. After taking that long hot shower, she desperately tries to style her untanglable mess with the faulty hairdryer. Of course, the impossible task of curling that mop comes next. The application of make up follows which may take anywhere from five minutes to an hour depending on how badly she needs it. She is soon off, running to get to school before the final bell rings. Just a typical morning of a typical day for the average Dow High student.

In Memory Of

Her name was Kirsten Beth Triebes but we knew her as Kristen. If you were her friend you might have called her Triebs sometimes, but her best friends just called her Maynerd. Kristen was born February 20, 1969 and died June 23, 1985 from toxic shock syndrome.

Kristen was more than special, she was cool. Wherever she went, people noticed her. First they noticed how pretty she was, then, if they took the time to get to know her, they realized what a hilarious and sweet girl she could be. She seemed to have something in common with almost everyone. People she hardly even knew could (and did) pour out their most personal problems to her while she listened and gave them advice. She always could identify with what someone else was going through. Kristen taught all her friends a lesson in courage and determination. When Kristen said something, she meant it. She stood up for herself and for her friends, even if they were wrong. That's a quality many people don't have (but could use). When I remember Kristen, I remember all of the fun times we shared and all of the crazy things we did. She will live in our hearts and our minds forever.

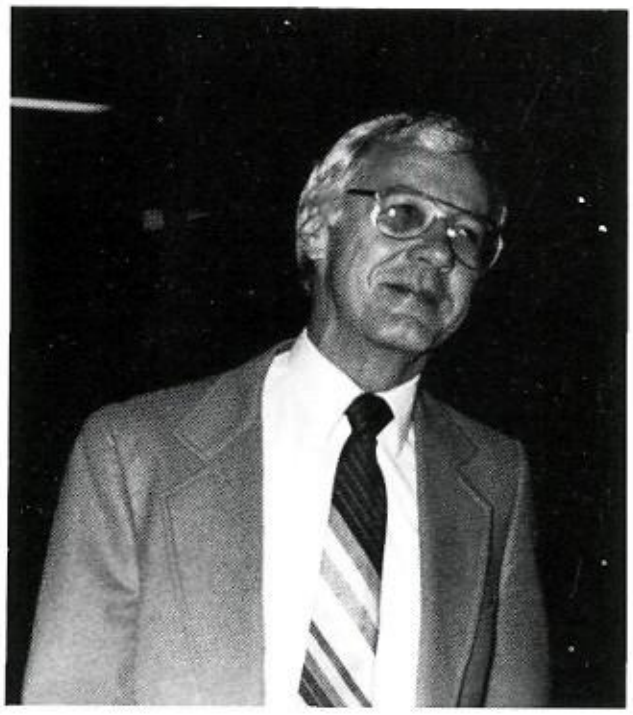
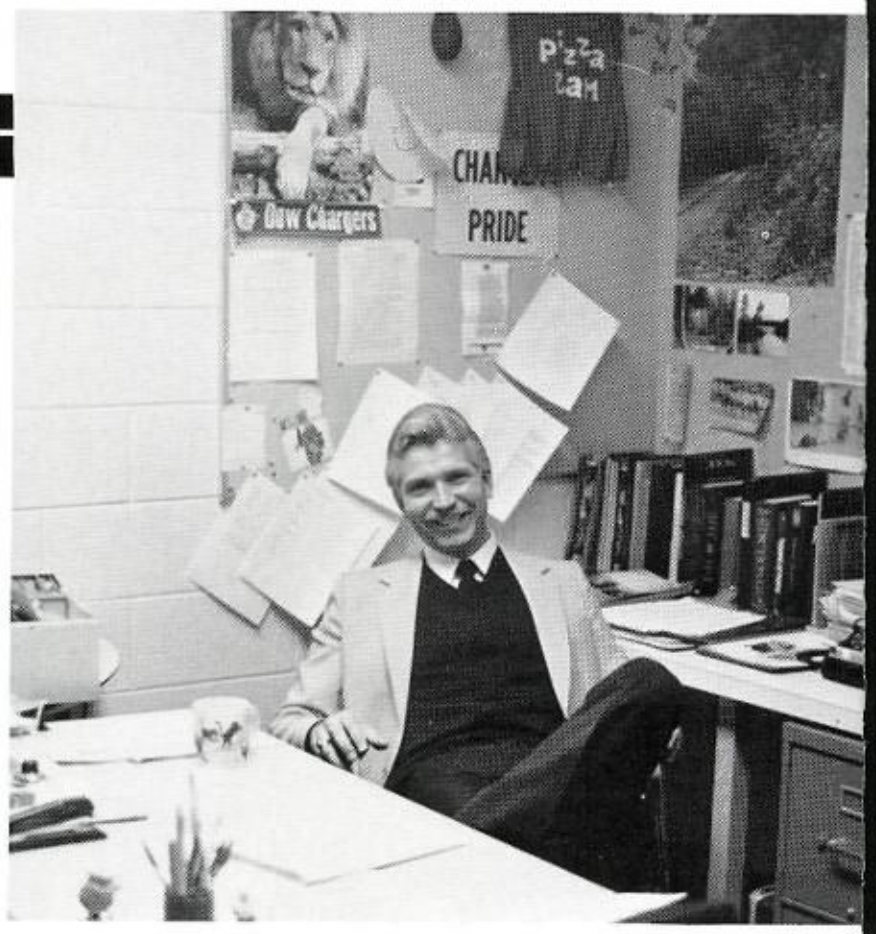
Our Administrators: Working Hard And Getting The Job Don

Administration





During the course of the school year our administrators are hard at work keeping the school running efficiently. They are considerate, cheerful, and they make sure all students are kept in line. They share announcement duties and are in the halls between classes to help out any student in need of assistance.

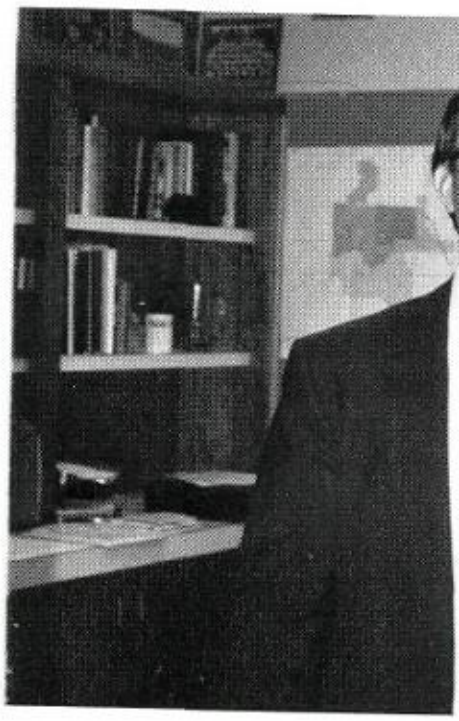
Mr. Schmidt, Mr. Elliot, Mrs. Staples, Mr. Roberts

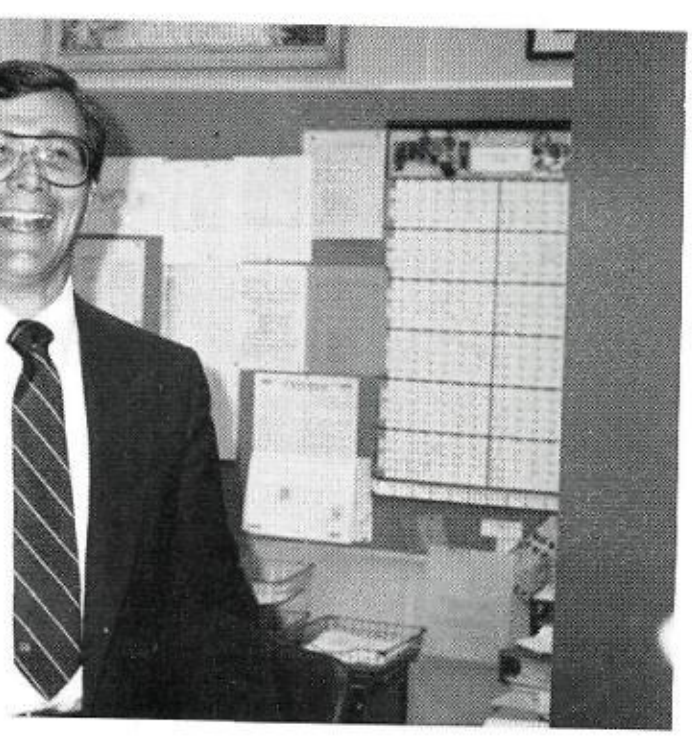
Front Office

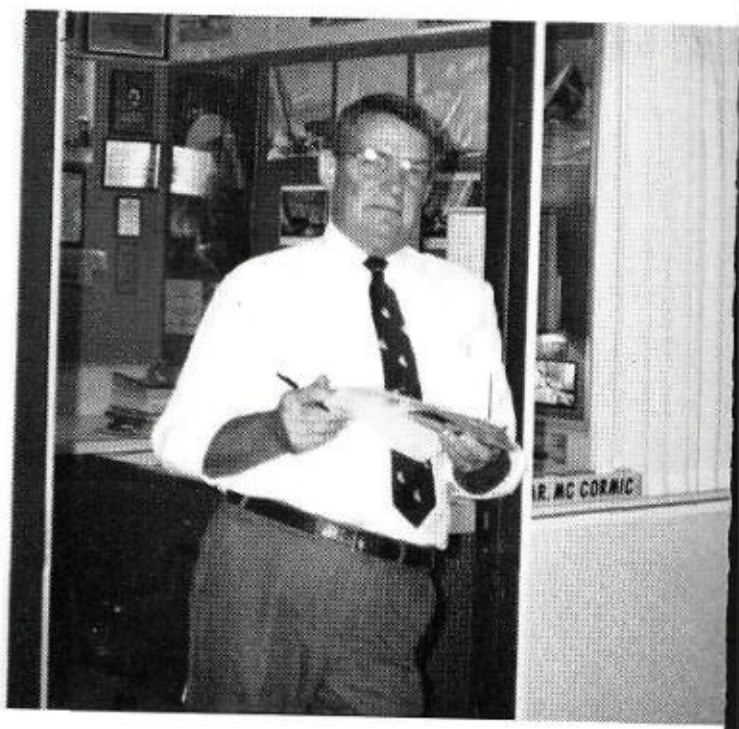
Mrs. Rock, Mrs. Bell, Mrs. Linley, Mrs. Killam, Mrs. Lauer, Mrs. Spitnale

The secretaries' jobs involve more than typing, filing, answering phones, and sorting mail. These dedicated ladies handle the infinte questions asked by students from 8:00 in the morning until 4:30 in the afternoon, more than 180 days a year. Their hard work keeps Dow High running orderly and smoothly. So next time you see them, give them a friendly smile and let them know you appreciate all their hard work.

Counselors







"Mrs. Malone, I *have* to get out of this class!" The Dow High counselors listen to everything from complaints about school subjects to the exciting news of being accepted into the college of their choice. They are there to be just that — counselors. Besides, what would we do if we had a schedule problem?

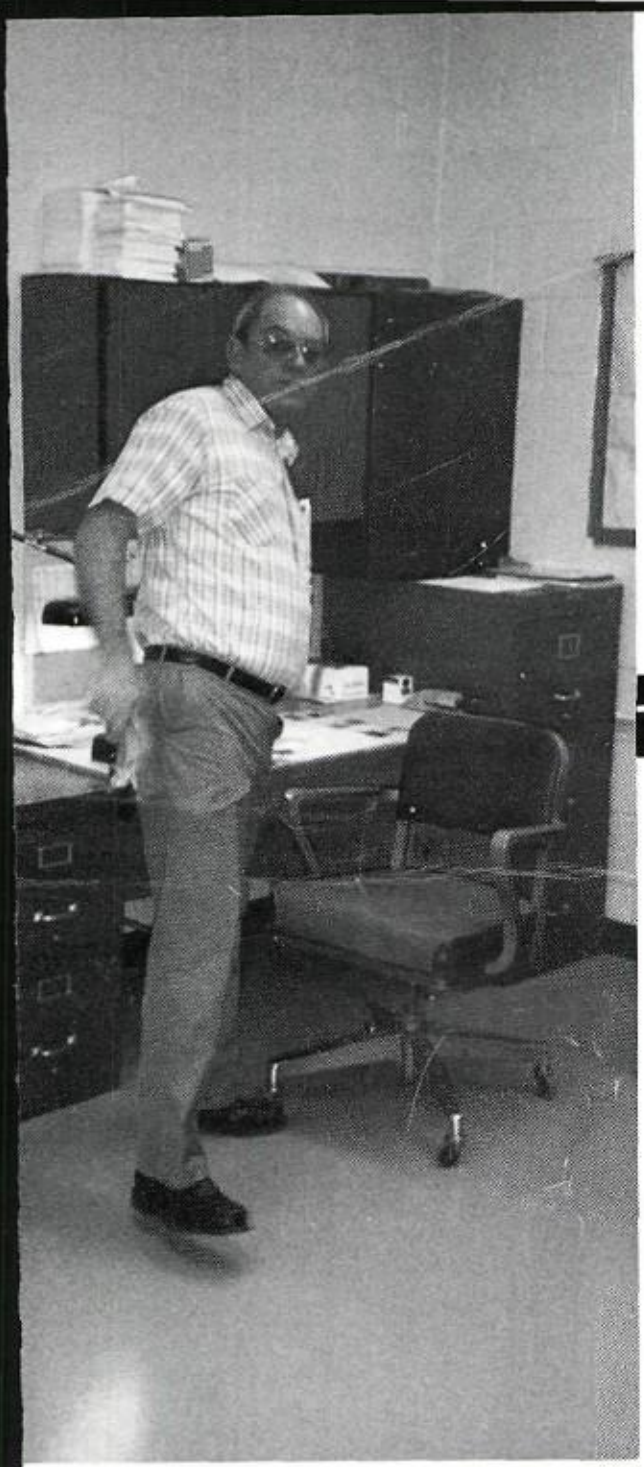
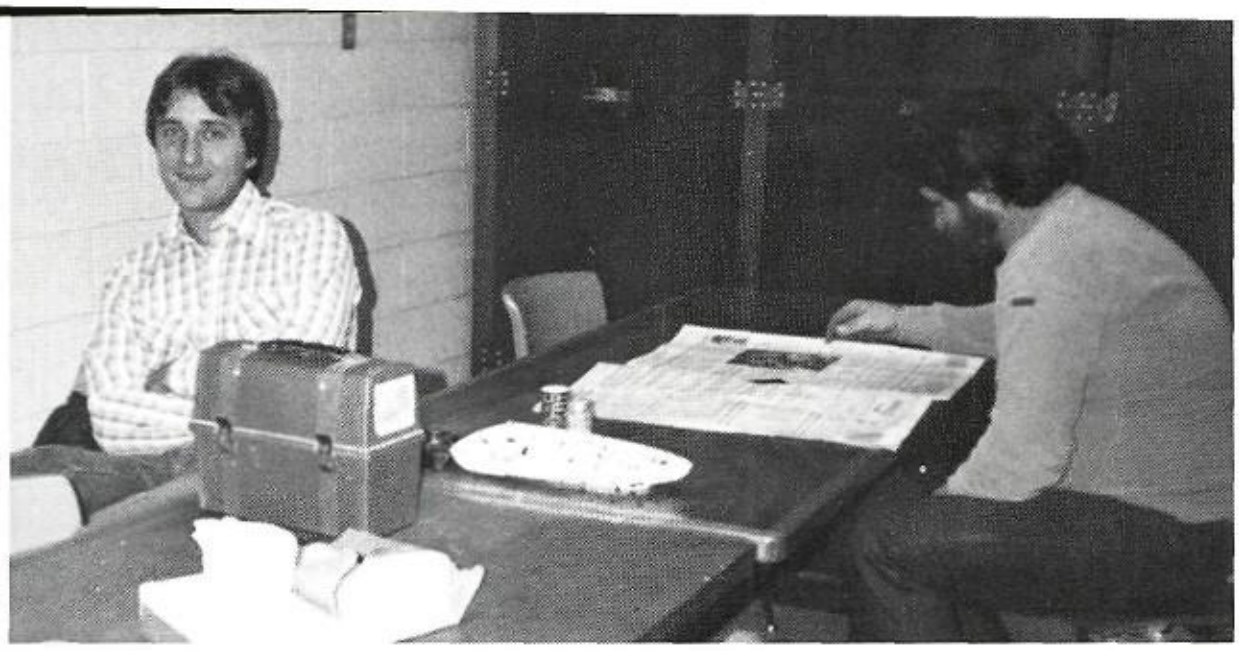
Kitchen

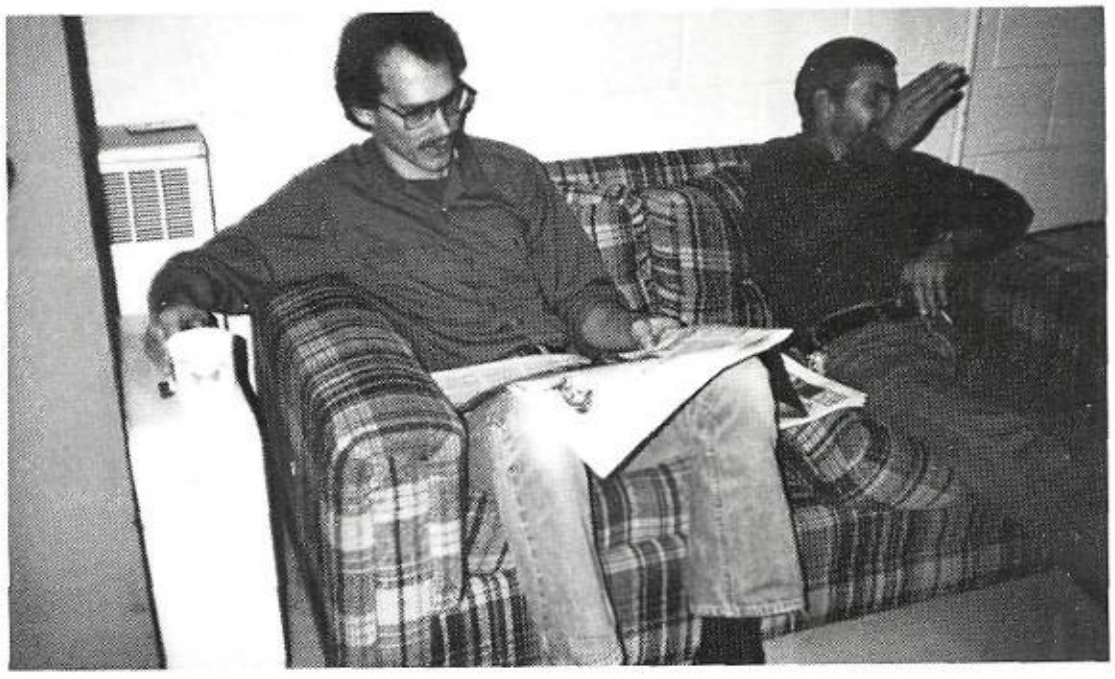
Eleven smiling ladies form the cafeteria staff. Their day begins at 7:30 when they start to prepare the hot lunches for Dow students as well as hot lunches they send to eight elementary schools which do not have kitchen facilities. A la carte is also a major part of the cafeteria service. The staff sells pretzels, sandwiches, potato chips, drinks and other snacks. As well as selling and preparing food, they help to keep the cafeteria clean.

Row 1: Mrs. Duchman, Mrs. Barto, Mrs. Beebe, Mrs. Alexander; Row 2: Mrs. DeForest, Mrs. Huntley, Mrs. Stellmacher, Mrs. Walter, Mrs. Bartow, Mrs. Costley, Mrs. Falk





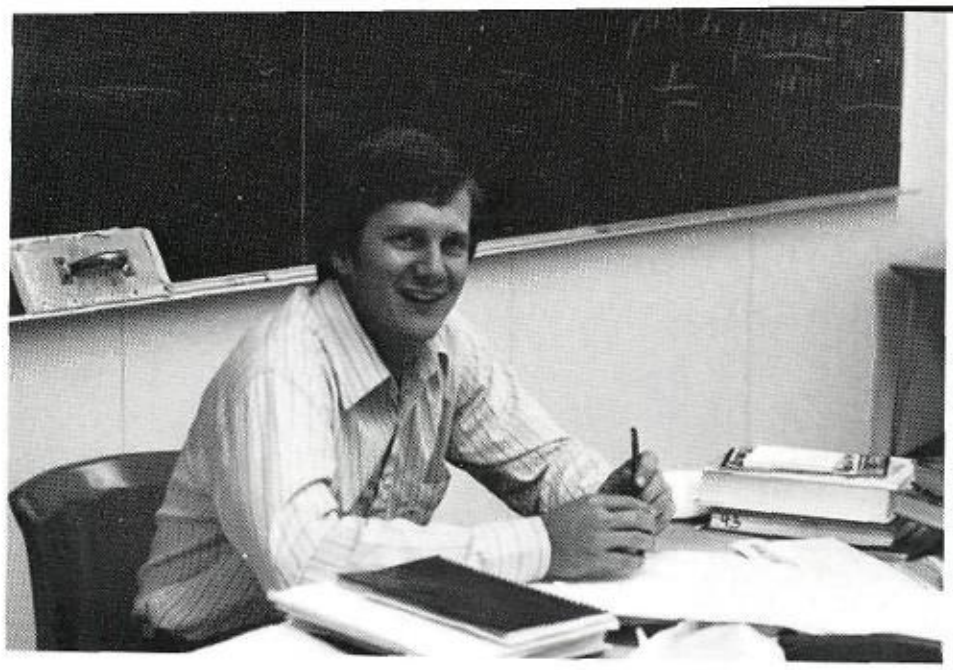
Custodians

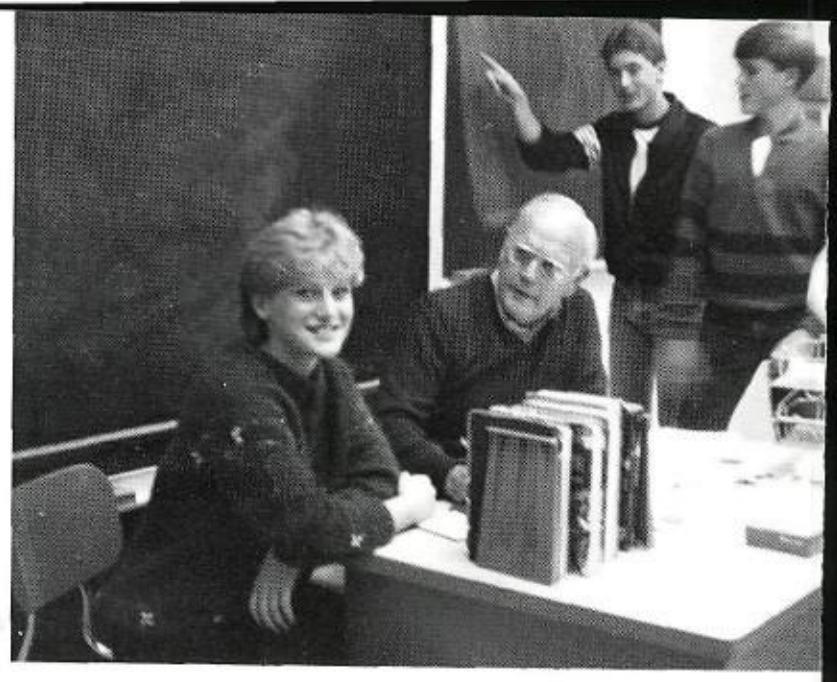


Row 1: Bud Martin; Row 2: Rod Huntley, Jim Carol, Steve Waite, Tom Sian, head custodian, Dean Pfruender, Roger Kaiser, William Jonroe.

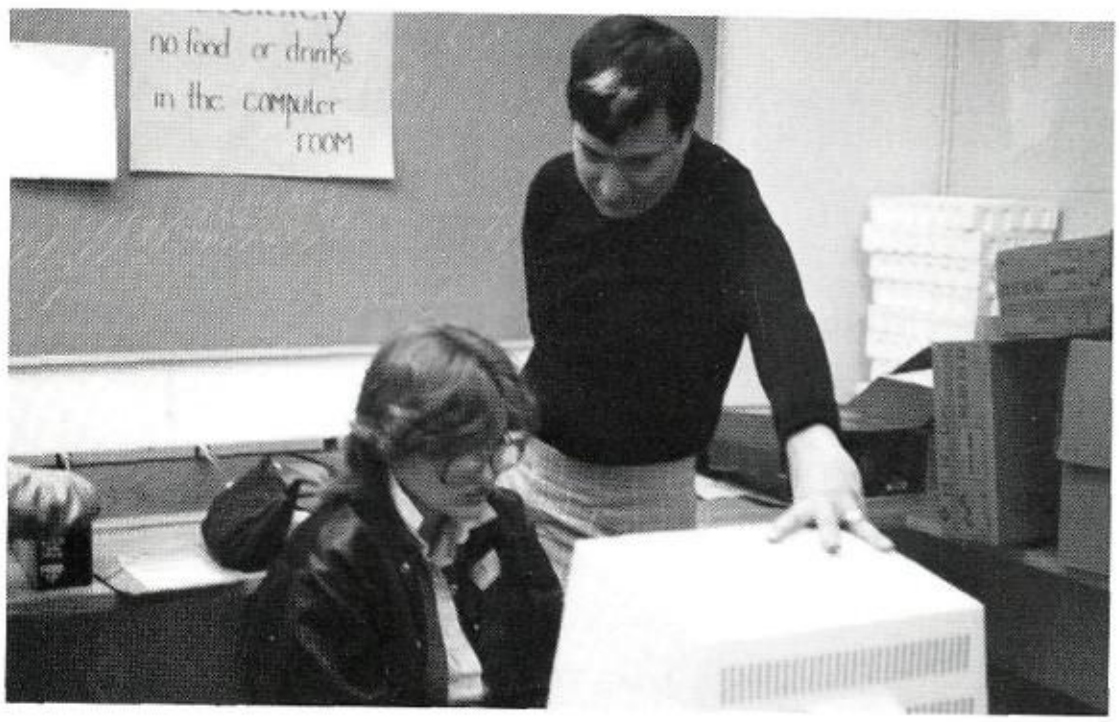
A custodian's typical day:

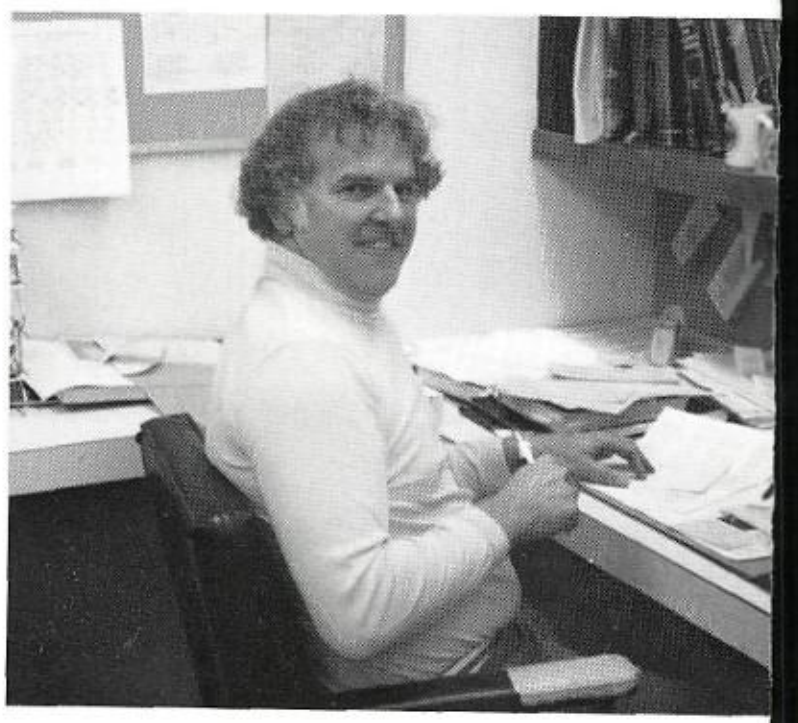
Mr. Rod Huntley's (1st from left) working day begins at 7:00 a.m. and ends at 3:30 p.m. At 7:00 he begins by unlocking half of the doors in the building. Another custodian unlocks the other half. Then he checks the chlorination and temperature of the swimming pool, and the heaters and ventilators in the gym loft. Mr. Huntley says these first few tasks usually take him until about 10:00 a.m. to do. After that he does miscellaneous things, such as fixing jammed lockers and doors, and lending a hand when supplies are delivered. In the winter he gets the not so fun job of shoveling snow from the walks. His comments on the overall cleanliness of this year's Chargers — "You've been pretty clean so far." Keep up the good work Chargers.





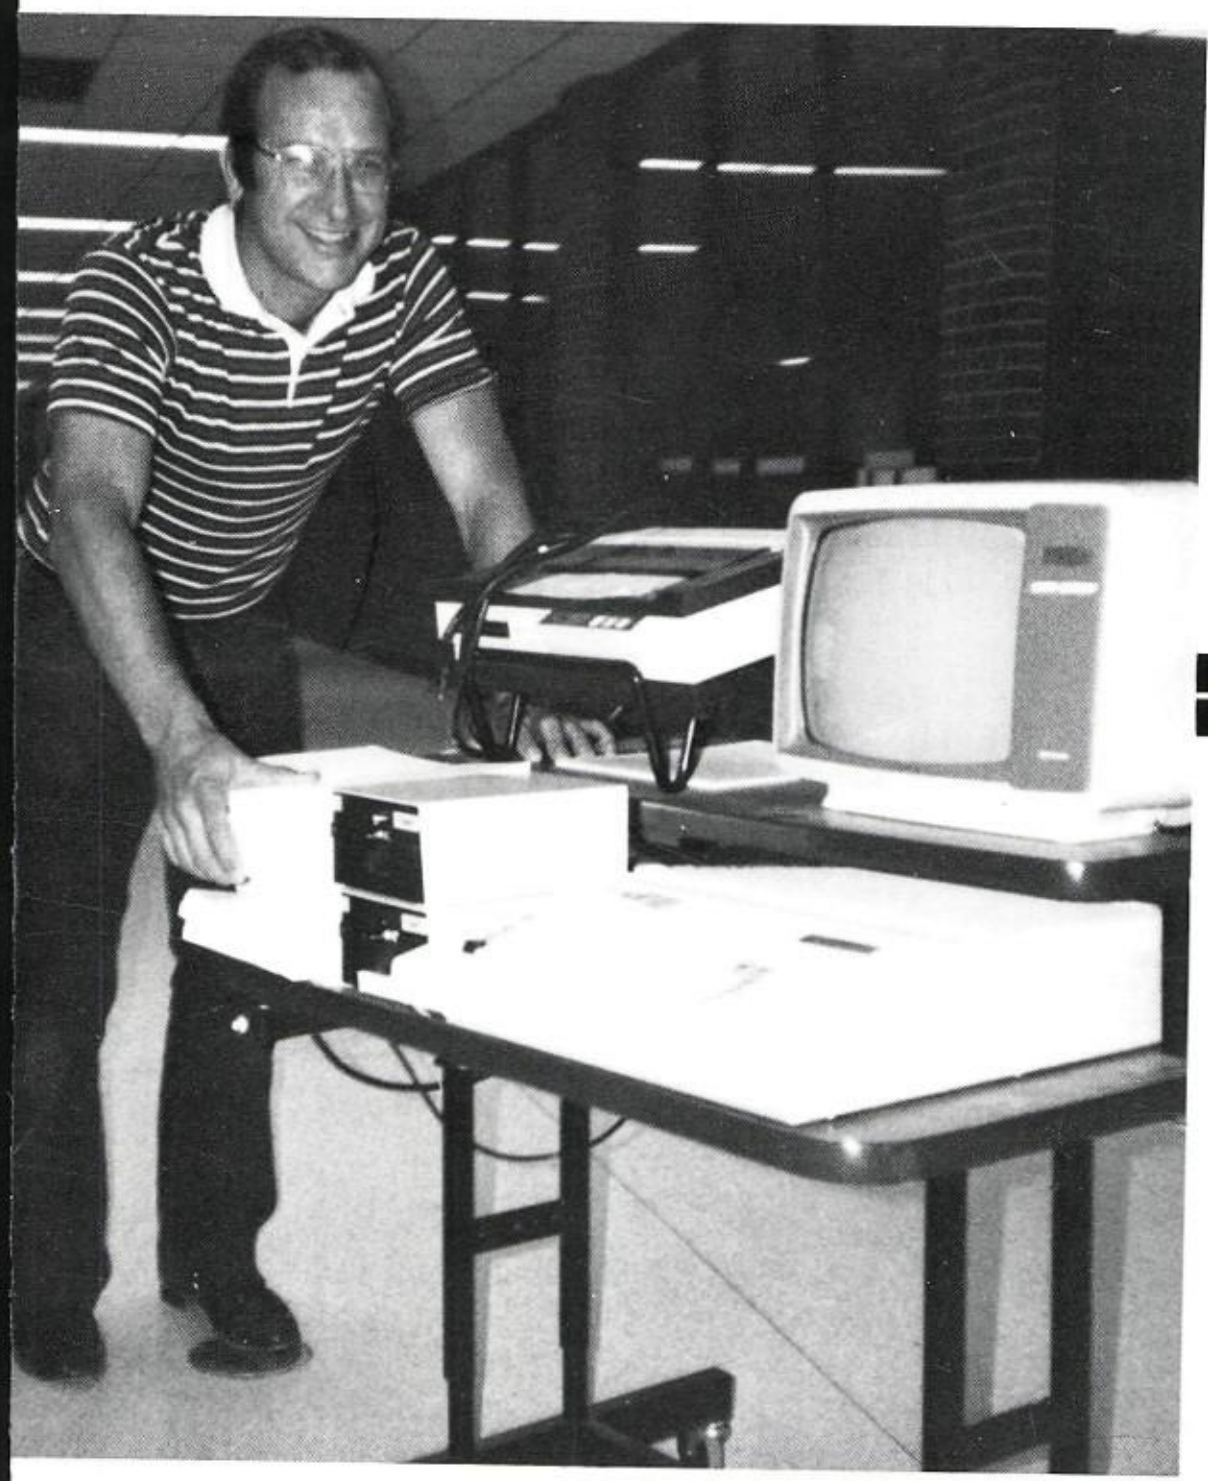
Math





Waaiit a minute! Hooold it! There was a change in this year's math staff with the addition of Mrs. Altimore. This new personality contributed even more to the talents of Dow High's Math Department. The combination of Mr. Chamberlin (Bean bag!), Mr. Billik (Q.E.D.), and Mr. Skutt (Who did this?), took the boring edge off of proofs, formulas, and programs. Thanks to the whole staff, Dow High's math program is a big success.

(Left to Right) Mr. Billik, Mr. Chalk, Mr. Chamberlin, Mr. Johnson, Mr. Snook, Mr. Skutt, Mrs. Altimore, Mr. Waite, Mrs. Burgess



Science

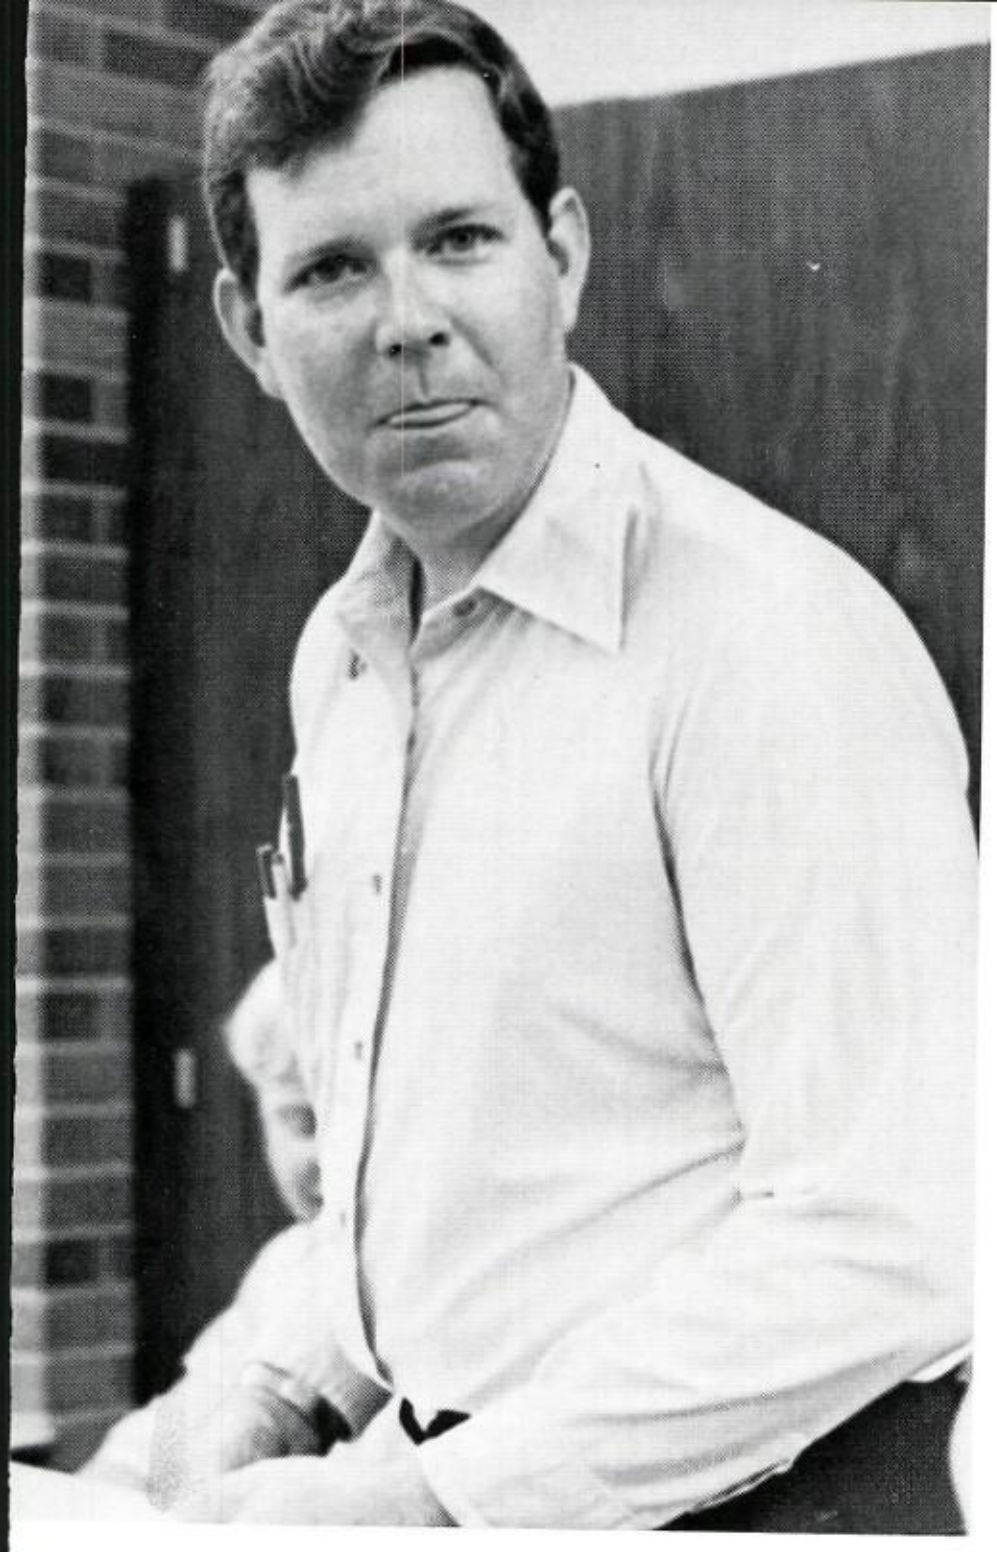
Mr. Penkivech, Mr. Koski, Mr. Pangborn, Mr. Logan, Mrs. Shaffer, Mr. Thompson

If you have dissected frogs, worn those fashionable lab goggles, memorized equations such as $2AS=Vf^2-Vi^2$ or $°C=F-32/1.8$ then you have probably taken classes in our fantastic Science department. The department's curriculum consists of biology, advanced biology, chemistry, physics, and geoscience. We'll always remember Mr. Thompson saying "C'mon, turn 'em in! There's no use in keeping a dead horse!", Mrs. Shaffer's cute little Southern accent, and Mr. Logan's uncanny resemblance to Abe Lincoln. These teachers are highly appreciated for their willingness to spend extra time with their students.

Social Studies

In the Social Studies department there are some pretty gung-ho men and women. Just take Mr. Altimore, a Social Studies teacher and a football coach, "I like football, but I loooove History!" He sure knows where his priorities are. Mr. Anderson wants his students to really immerse themselves in their homework; take this assignment for instance, "I want you to go home and figure out how to catch a seal if you can't see it." All of the Social Studies department is made up of hard working individuals who certainly know their material.

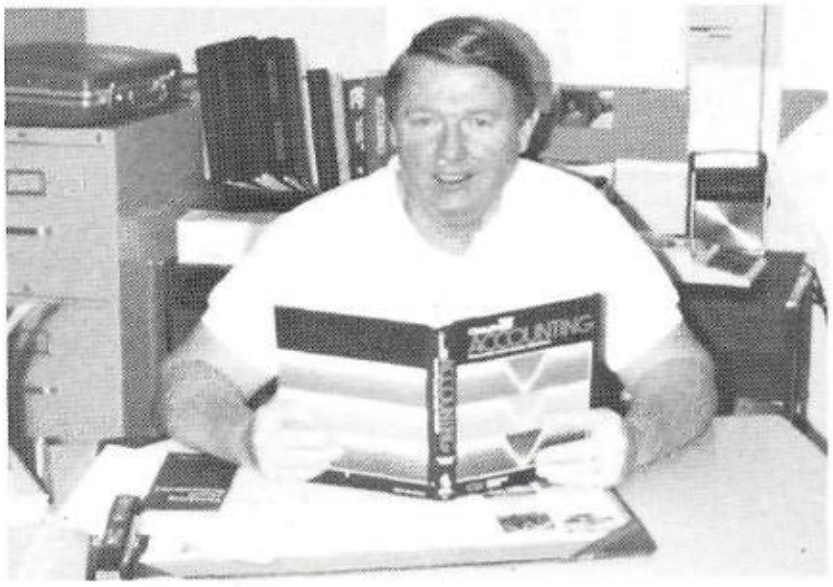
Row 1: Mr. Altimore, Mr. Strom, Mrs. Street, Mr. Vanciu, Mr. Anderson, Mr. Marquardt
Row 2: Mr. Sullivan, Mr. Smith

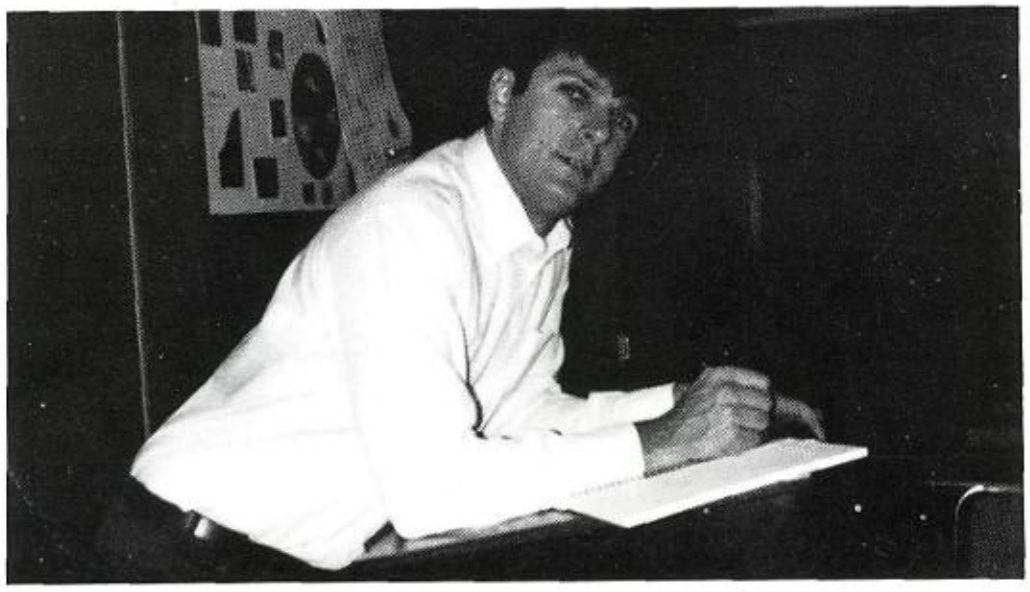


English

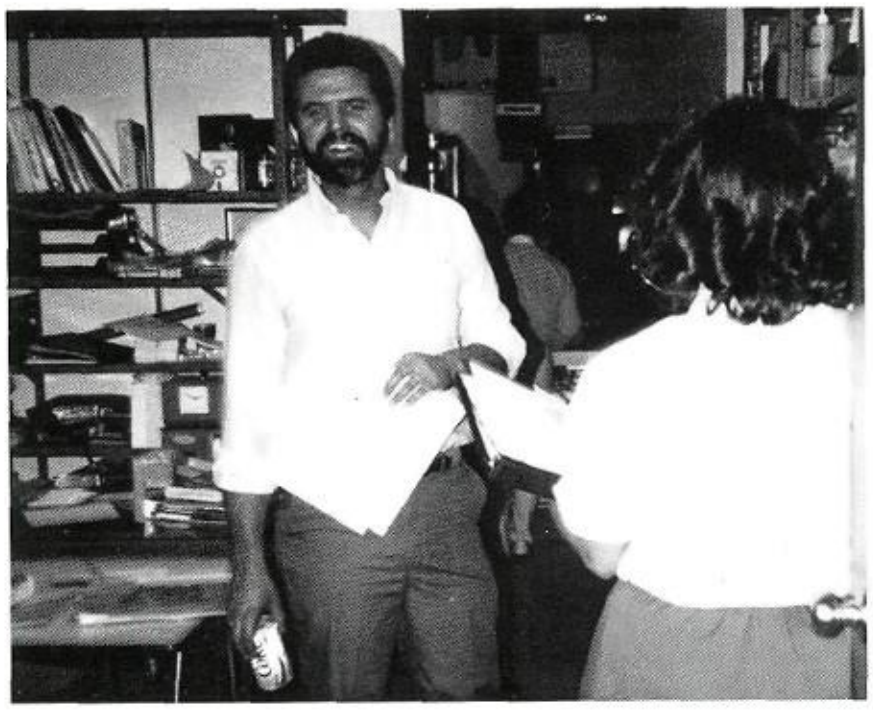
Row 1: Mrs. Weeks-Rosten, Mrs. Loveless, Mrs. Russell, Mrs. Goodall, Mrs. Briggs, Miss Lightner, Mrs. Yamato;
Row 2: Mr. Randall, Mr. Williams, Mr. Daly, Mr. Verlinde, Mr. Reilly, Dr. Kyhos, Mr. Kastl

Ain't our English Department great? There are so many different types of personalities in this department because it is the largest in the school. Mr. Verlinde has his "motivator" and Mrs. Briggs has her hyper moods. Who else but Mrs. Yamato would cry when watching *To Kill A Mockingbird.* What a romantic! There is also Mr. Reilly who is crazy about Transcendentalism and big words. These are some of the people who make this department such a success. Without them how could we write all those term papers that they assign to us????????



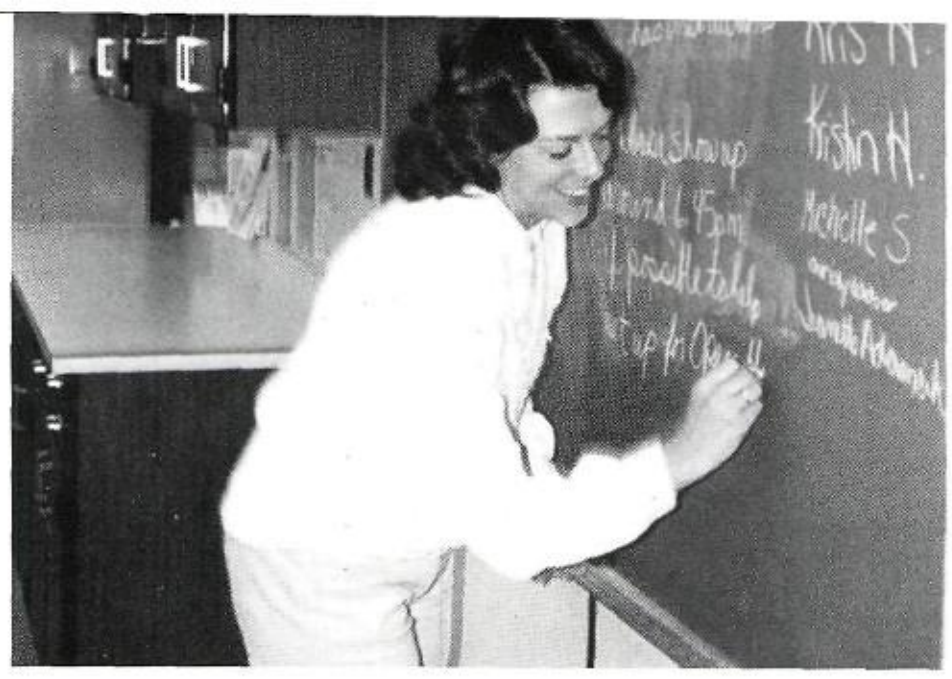


Business



Presently the Business Education Department has a staff of ten teachers. These teachers have contact with 949 students in 40 business classes. There are two vocational programs in the Business Department. They are the Clerical Co-op Program and the Distributive Education Program. The Clerical Program prepares students to be secretaries and the Distributive Education Program prepares students for jobs in sales. Both programs require a senior co-op job. Other classes taught in the department include Introduction to Business, Typing, Accounting, and Business Law.

Row 1: Mr. Lebsack, Mr. McMann, Mrs. McMann, Mrs. Lanning, Mrs. Spangenberg;
Row 2: Mr. Brunner, Mr. Gwilt, Mr. Samocki, Mr. Tew, Mr. MacDonald



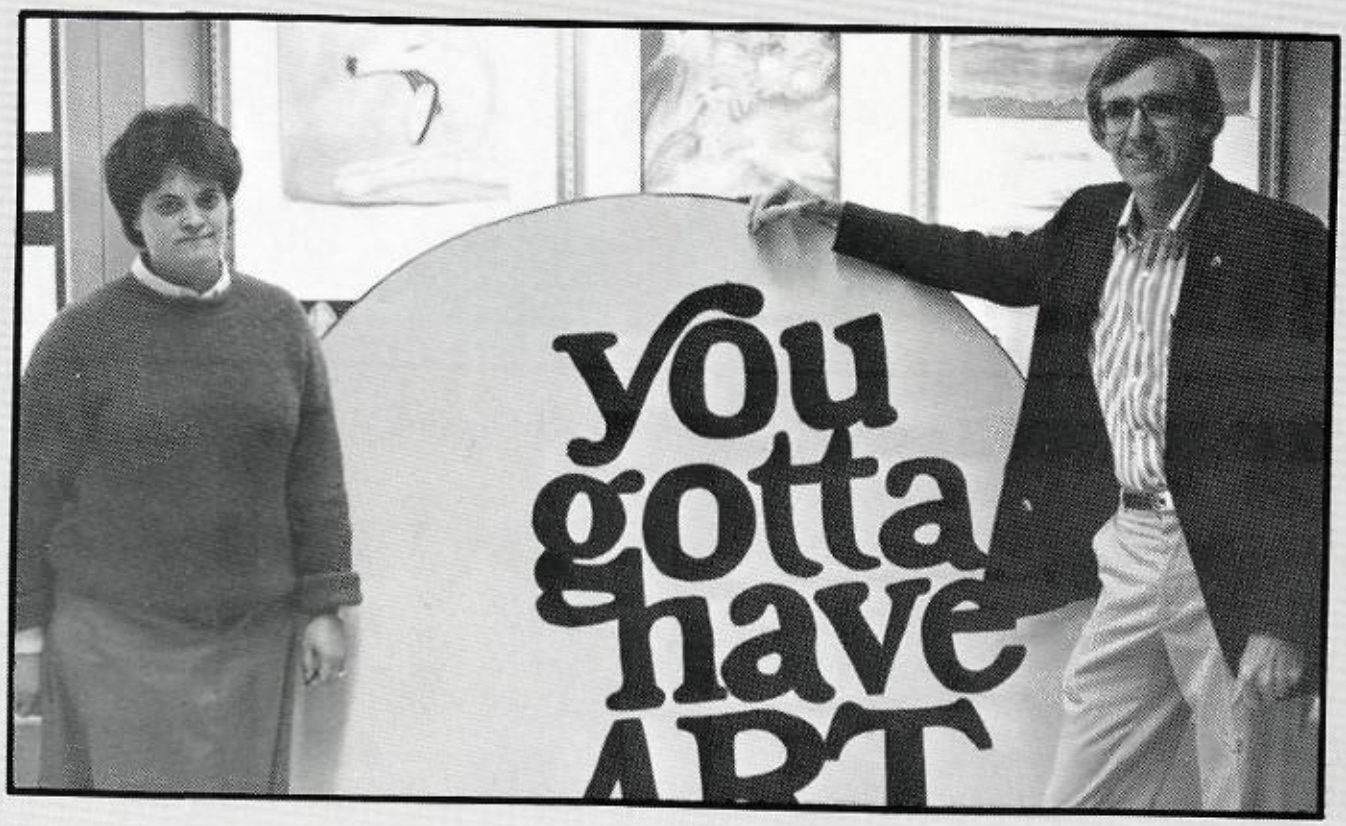
Home Ec

Mrs. Davis and Mrs. Gardner-Neurath

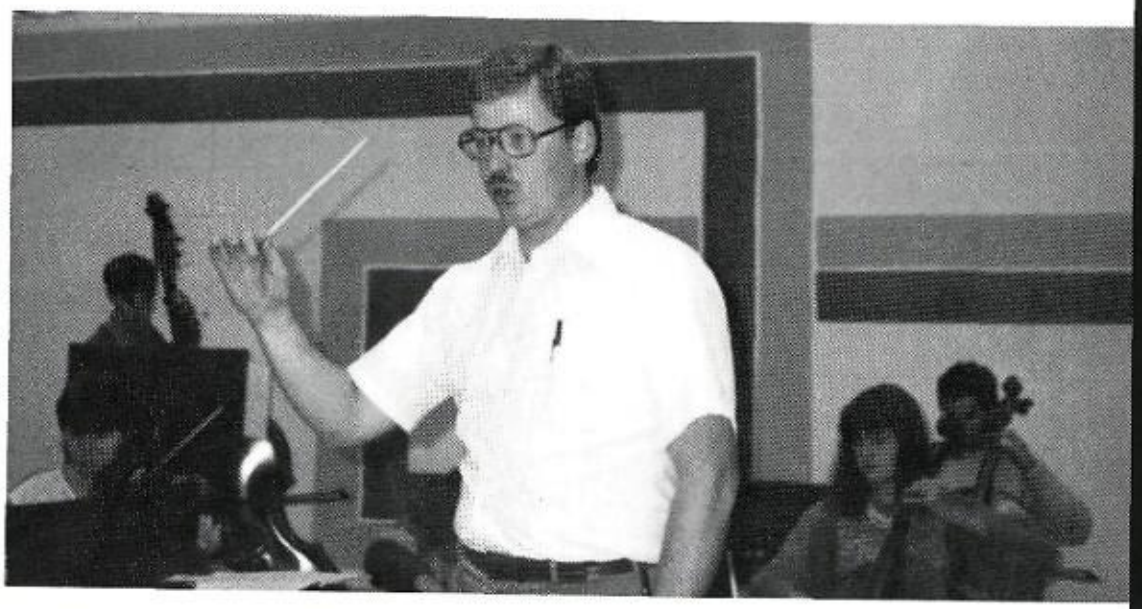
Mrs. Gardner-Neurath and Mrs. Davis head our Home Economics Department. They use their skills and abilities to teach their students. Classes range from Beginning Foods to Gourmet Foods. Mrs. Davis teaches the Child Aid classes at Dow High, while Mrs. Gardner-Neurath teaches all the other classes that the Home Ec Department offers.

Art

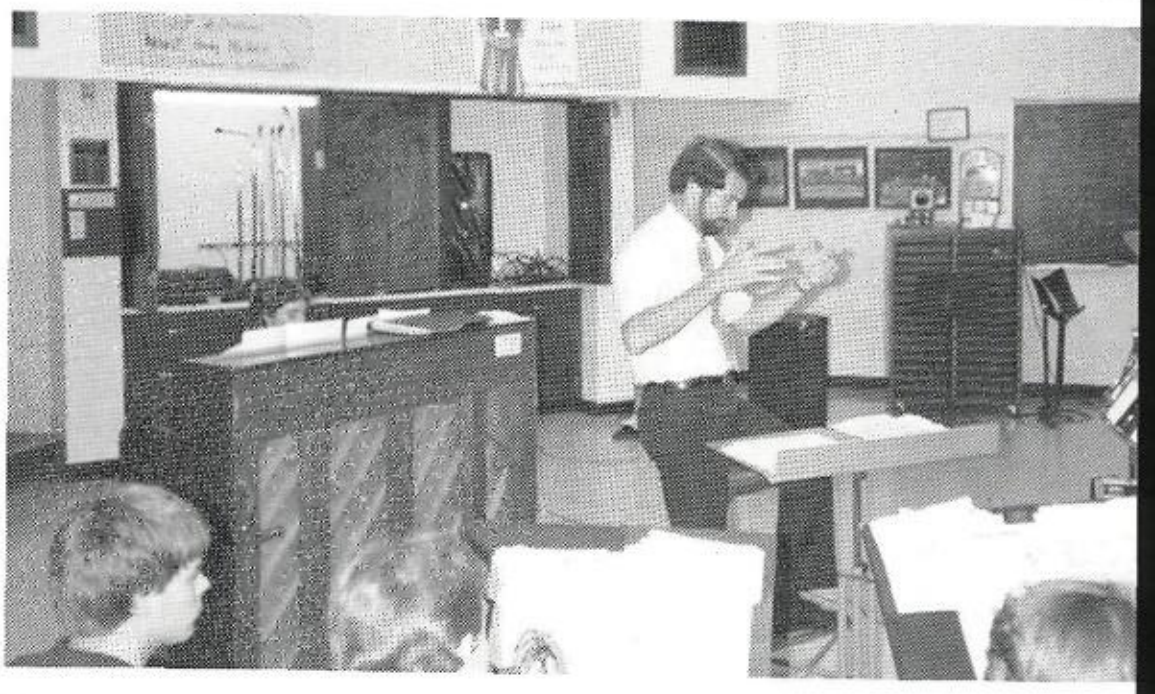
The Art Department offers a wide range of classes from Beginning Art to Studio Art. The students' creations fill the display windows with interesting shapes and colors that catch your eye. Mr. Morrison feels it is important to give students a broad background in art. "We want it to be fun without being a 'blow off' class!"



Mrs. Lewin and Mr. Morrison



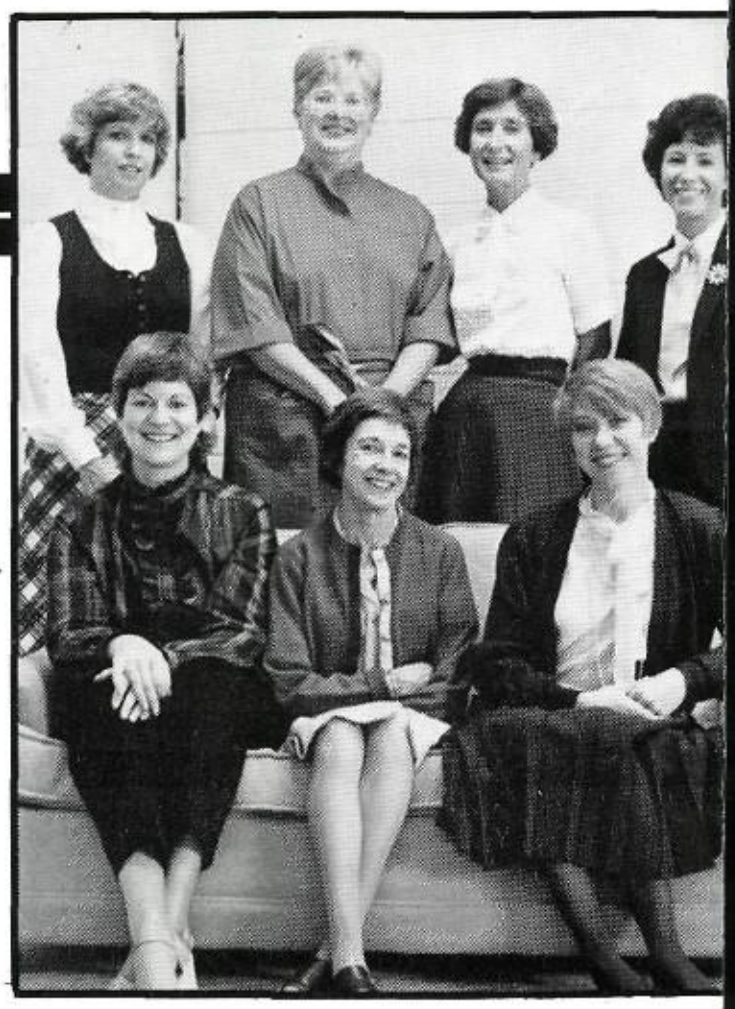
Music



Mr. Burgess, Mrs. Hoenicke, Mr. Buchert.

"Do, a deer, a female deer; re, a drop of golden sun . . ." Walking down towards the music department, a student hears a familiar sound — all different kinds of musical tunes. From violins to trumpets to human voices, a feeling of enjoyment is felt by everyone involved. Besides, what would the Dow High football team do without those new band uniforms? Lose to Midland *every* year?

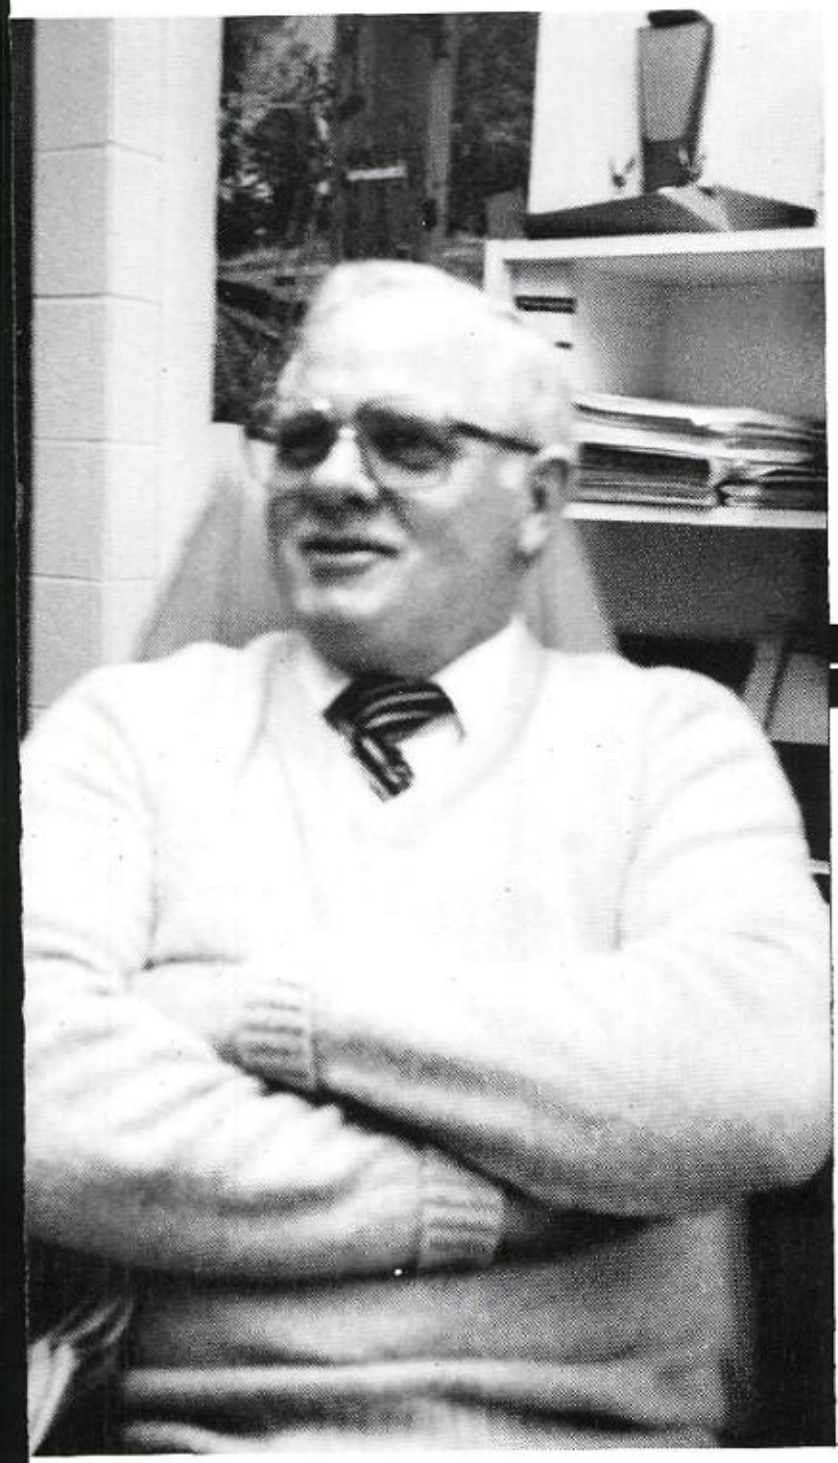
Spain Anyone? Members Of The Spanish Classes Went On A Major Trip T Spain This Spring And Arrived During The Festive Holy Week.

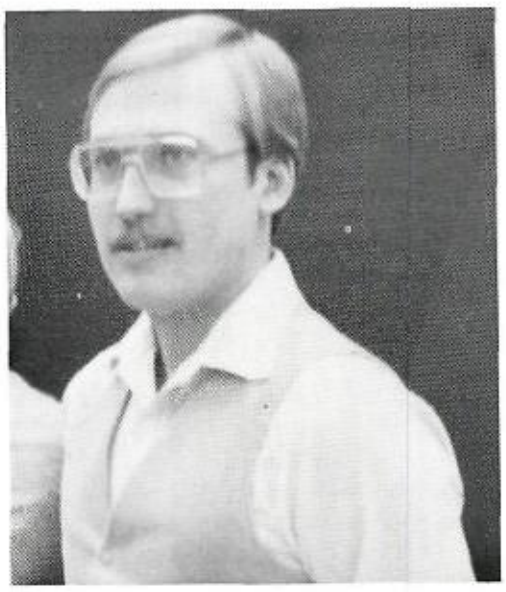


Foreign Language

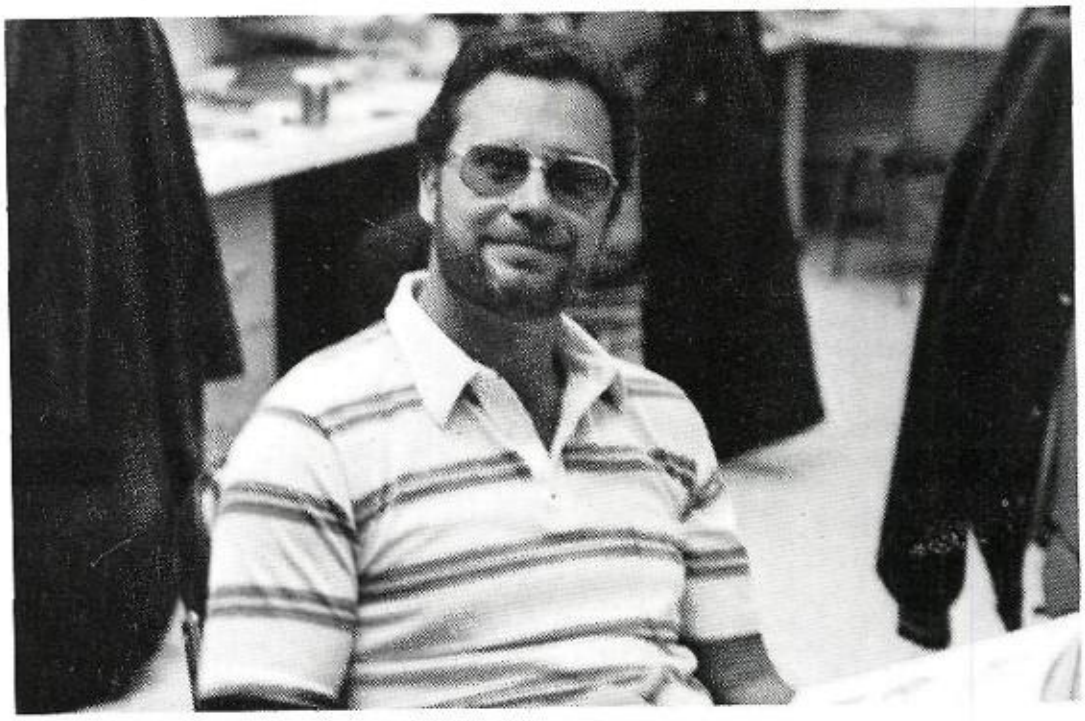
If you're planning to go to college, it's usually a good idea to take at least two years of a foreign language. Even if college isn't in the cards for you, a knowledge of a foreign language can really be beneficial for you. You may even find that in some large urban areas, it is a necessity for everyday communication. Knowledge of a foreign language also makes you seem like a well rounded and intelligent individual (even if you're not). So, with all of these benefits for taking a foreign language, in addition to an excellent Foreign Language department, what's stopping you?

Row 1: Mrs. Garcia, Miss Stearns, Mrs. Kracht; Row 2: Mrs. Lewis, Miss Thiel, Mrs. Fitzgerald, Miss Samborn.



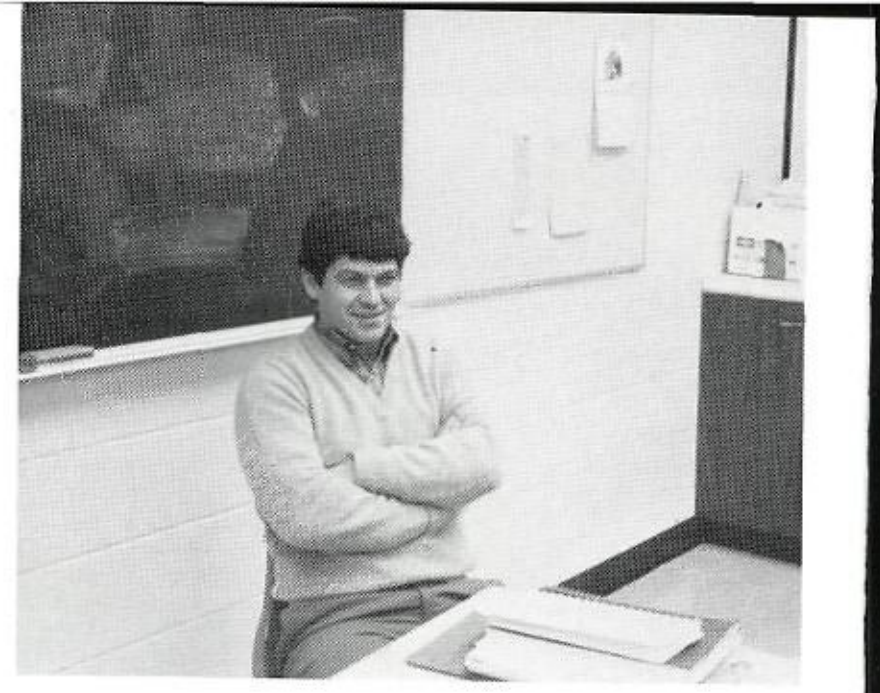


Industrial Ed.



1st row left to right: Mr. Haskins, Mr. Henck, Mr. Ackerman, Mr. Pearsey,
2nd row left to right: Mr. Smith, Mr. Schaberg, Mr. McMillan, Mr. Linley

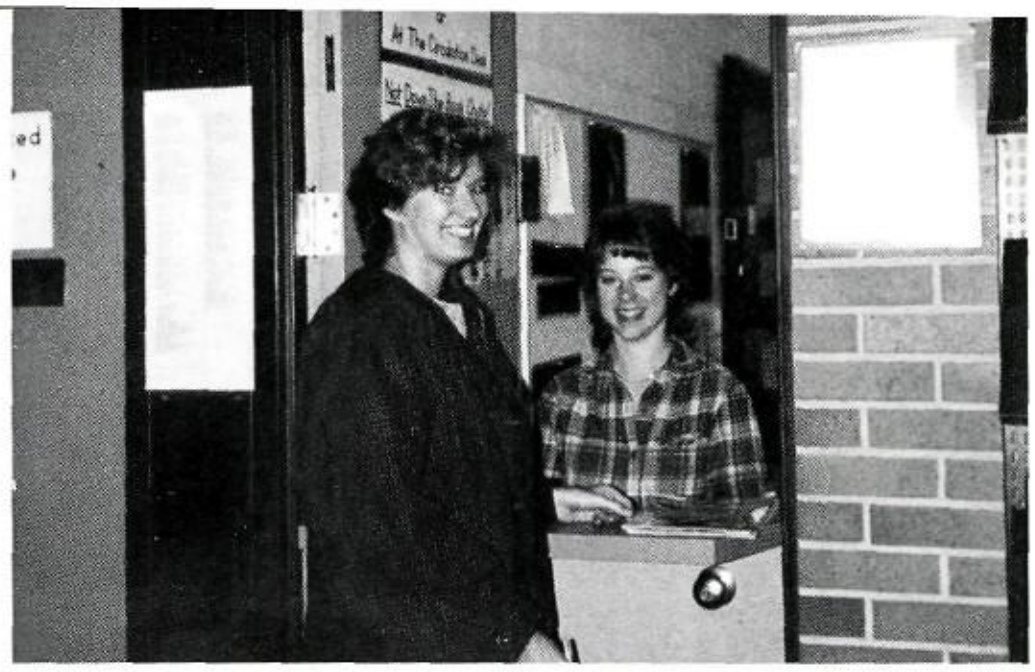
The Industrial Education Department is a group of hard working teachers. They put in a lot of time and effort to help their students learn. They prepare students for a career in drafting, graphic arts, and other types of industrial art. Their sincere concern for their students' future brings pride to Dow.



Special-Ed

The Special Education Department at Dow High is made up of a very dedicated group of teachers. They keep a low profile but they are always busy helping their students. They can be found next to the library, in the band room, or in the Industrial Education wing. With their efforts they contribute a lot to Dow High school and to our Charger Pride. THEY ARE SPECIAL!

Row I: Mrs. Branson, Mrs. Mitchell (aide), Mr. Hommel, Mrs. Priehs; Row 2: Mrs. Putnam (aide), Mr. Suchodolski (aide), Mrs. McDougall, Mrs. Tappan, Mrs. Sanders, Mr. Landis



Media

Mr. Vibbert, Mrs. Mitchell, Mrs. Lindell, Mrs. Agin

There is no such thing as a typical day at the Dow High Media Center. This year the library has a new circulation program coming into effect. This is called the Winnebago program. Soon each person will have library cards to use which helps to make it easier for the students to check out their books. Another thing that is taking effect are the computers. "Having the computers makes managing the work around the library a lot easier." says Mrs. Lindell, one of the librarians. Above all the most important job the media personnel do is make themselves available to all the students at Dow High.

In Memory Of

The special friendship that existed between Steve Watkins and David Brooks goes back to first grade when both were the same size at St. John's Lutheran School. Their friendship continued through 8th grade when both boys completed their education at St. Johns; Steve went on to Jeffers and David was at Central. Last fall at Dow High they were reunited and thoroughly enjoyed being locker partners and eating at the same table at lunch. The last time Steve saw David was November 14th when he wished David luck in deer hunting, just before both of them left school that day. David turned 16 on November 26th while in the hospital in Ann Arbor and died of complications from chicken pox on December 2nd. Not that day, but sometime later, Steve admits the tears came as he thought of all they had done together. Steve was often out at the Brooks. Both were avid readers of Ellery Queen, Agatha Christie and Dashiel Hammet. Both enjoyed the Brooks' family cottage on Houghton Lake, watching The Cosby Show and eating. Most of all Steve remembers David's courage in spite of migraine headaches, kidney failure and about 14 major operations. Steve admired his ability to keep a sense of humor through the worst of times. Although we did not know him as well as Steve did, in just three months he taught us so much and we admired him more that he could ever know. Based on an interview with Steve Watkins, Class of '88.

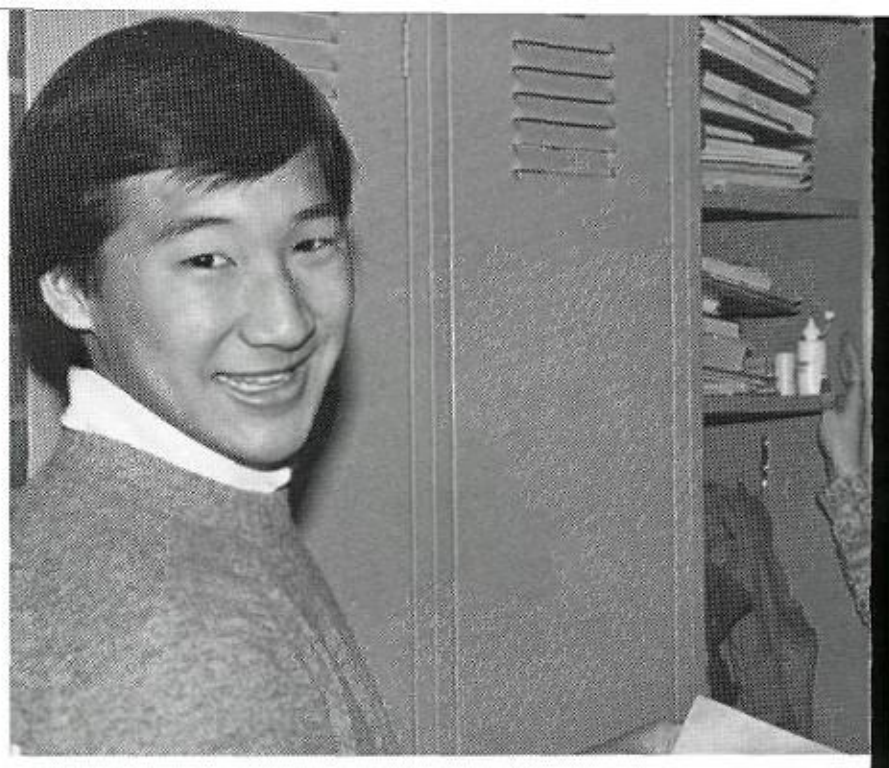
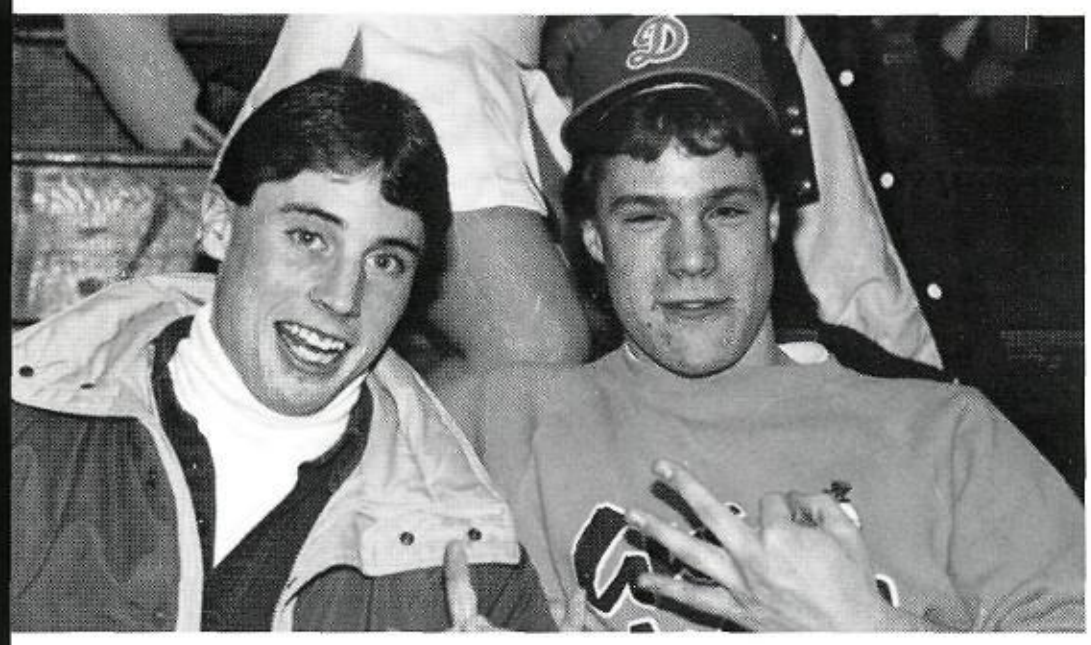
We're All In This Together





NHS

"Come jam at the Can Jam!" That was definitely one of most enjoyable events of the year — and we thought of it! This year has been quite eventful. We started out not knowing too much about the community but united as one to help others out. Even if the science projects turned out to be more fun for us than for the kids. And after the chicken pox syndrome, our blood drive was a tremendous success. And not too many of us got sick! Thanks goes to Mrs. Lindell and Mr. Koski and to Todd King, our leader. But most of all, thanks goes to good ol' Dow High.

The National Art Honors Society does a variety of jobs for our school. At Christmas, the students decorate the windows in the cafeteria and library to fill the school with holiday spirits. They also take devoted time to usher at Renfair and work at concession stands. Even though these jobs seem to be unimportant to others, we appreciate a job well done.

Drama

Again this year the Drama Club has entertained us with their spectacular productions. Their production of "Canterbury Tales" was an orignial in the true sense of the word. The script was adapted and somewhat rewritten for production by Britton Seminar. Senior Eric Gibson once again used his creative talents and wrote all the music — who ever thought we could actually sing? Along with Jennifer Linhardt's choreography and the drunken Miller, the show was great. A round of applause goes to the Dow High Drama Club.

This year in debate we argued the issue of water quality. Our final conclusion is that we all have only a short time to live. While some brain dead parties naively hang onto the misconceived policies of the status quo, we, the affirmatives, intend to live our lives to the fullest. We propose to do this through a simple one-plank plan; to avoid the issue of water quality in the future, and to also avoid perrier. It tastes yucky.

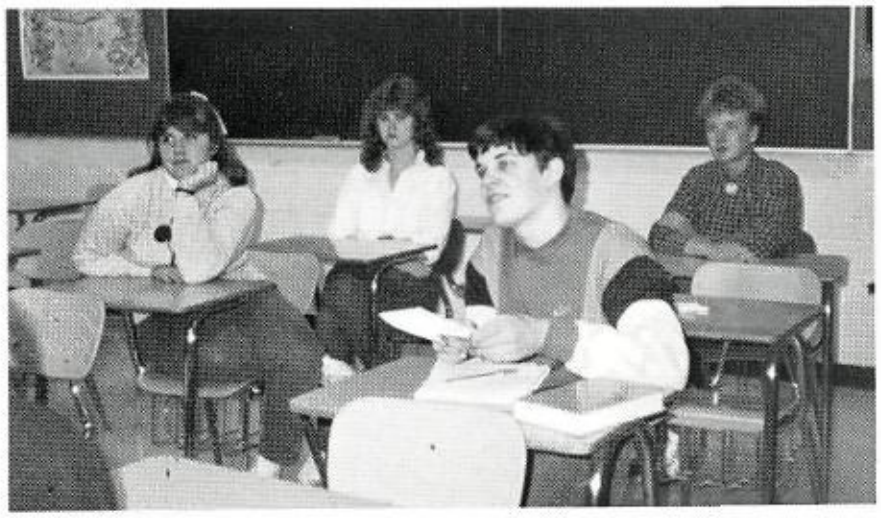
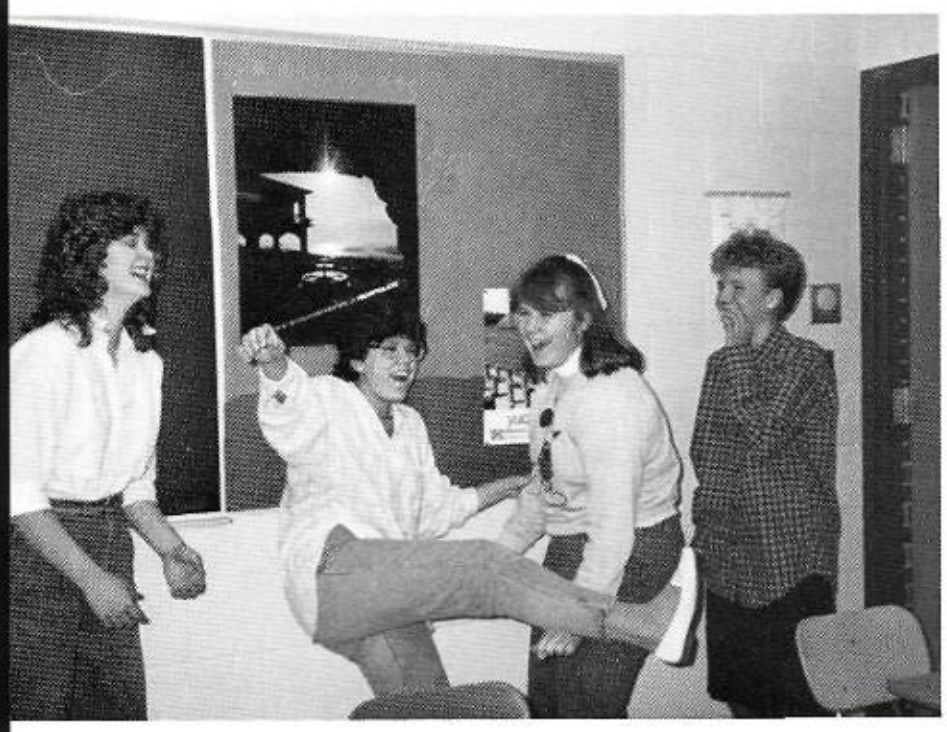
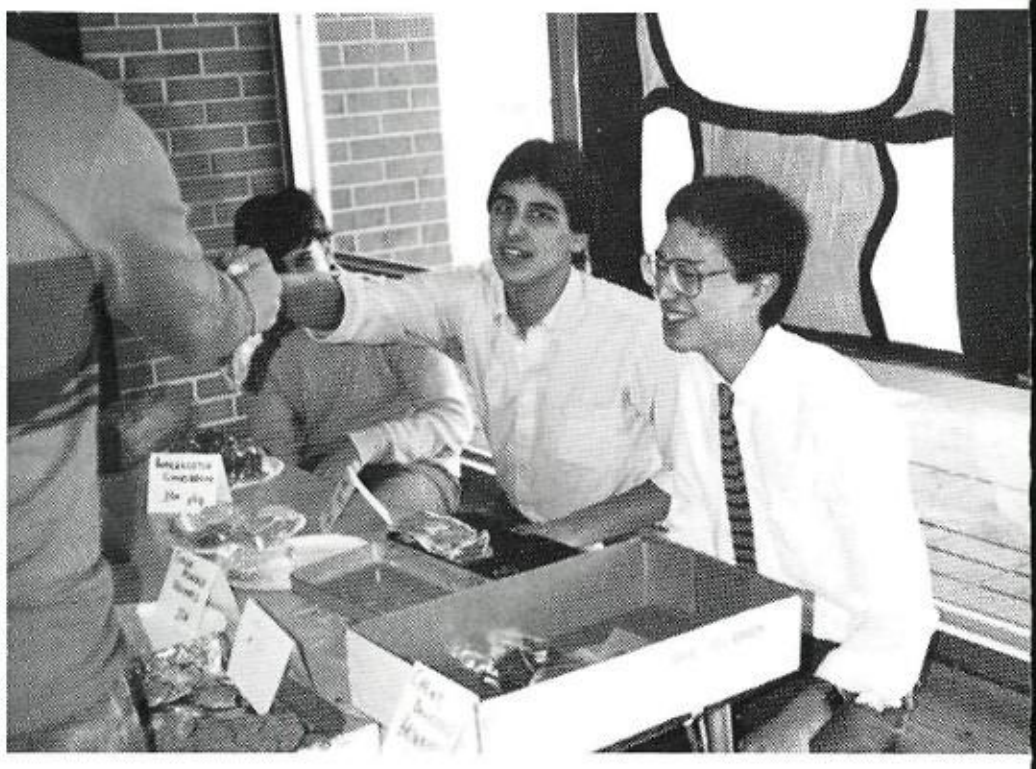
The people that make up the German Klub not only learn about the German customs; they also have fun. There are several activities for the German Klub. In the fall, the German Klub took a trip to Frankenmuth to bask in the enchantment of a rich German environment. In Frankenmuth, not only was a lot of good German food consumed, but it was also discovered that Gummi Bears stick to the windows of school buses quite nicely. In the season to be jolly, all of the foreign language clubs got together to share in foreign customs. At this celebration, there was an abundance of interesting foreign foods to eat, as well as foreign versions of well-known Christmas carols to sing. After this merrymaking, the lively German Klub went Christmas caroling throughout the school.







Spanish Club

The Spanish Club had a bustling agenda of projects this year. Acting on Bill's suggestion, we raised over $300 from bake sales to donate to the Red Cross to help victims of the Mexican earthquake and Colombian volcano disaster. *Muchas gracias* to Srta. Samborn and our exceptionally active members for their tremendous enthusiasm and energy that made this year such a smashing success. I also extend a special *hola* to Rob, Moe, Marcela and Kingsway for all of their input. *Husta luego* . . .

Our year began without an advisor, and we are immensely grateful to Mr. Reilly for coming forward to provide the leadership we needed. In the fall we were involved in several affairs at the International Dialogue for Educational African Affairs at Michigan State. We represented the tiny West African nation, Burlinc Fuso, formerly Upper Volta. Not only did we learn about caucasing other delegates, we also learned how the US and the rest of the developed world attempt to force developing countries into a submissive position. In the Spring, we intend to make an excursion to the annual Hope College simulation.

Student Union

Once again Dow High's student union has completed a productive year. Each of the members, whether they are class officers or representatives at large, have put forth a lot of effort in making this school year a successful one. They held the homecoming elections and once again conducted a very profitable magazine drive. Not to mention the unforgetable school dances and the enthusiastic spirit weeks. They have done a super job of promoting school spirit throughout Dow High. Many thanks to Mr. Smith for all your support and energy. They couldn't have done it with out you!!

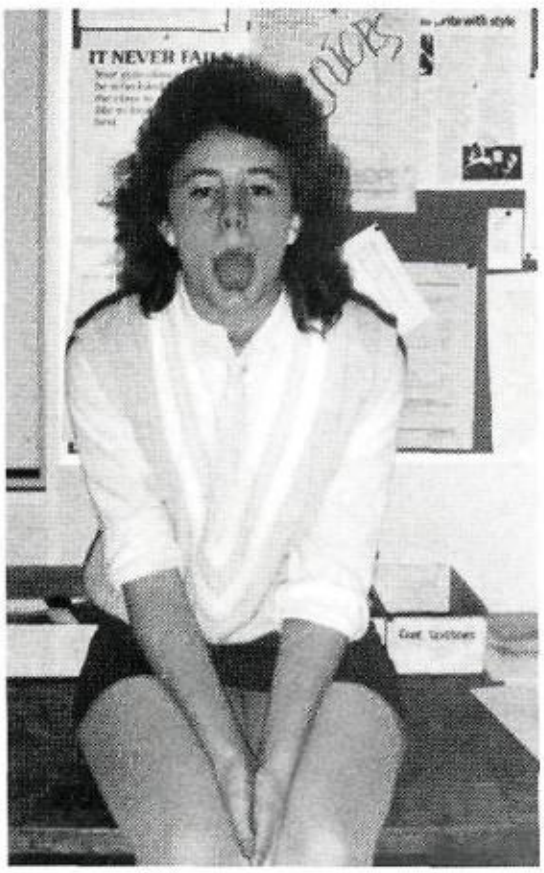
This is our first year as a club and it has been very successful. Thank you very much Mrs. Lanning, and Mrs. Spangenberg for being very helpful. Good Luck next year BOEC!!



Yearbook

Even though we missed a few deadlines, putting together this year's yearbook has been a lot of fun. We had a lot of new people this year, and although they had some problems at first, they soon seemed like old hands at such things as cropping, copy fitting, and finding just the right picture to fit into the bottom right-hand corner. Remember — body copy is 10 pt., caption copy is 8 pt., and a vertical picture can't fit into a horizontal box!. Finally, the whole yearbook staff would like to give their whole-hearted thanks to Mrs. Weeks-Rosten for all her help.

DOW HIGH (AP) — This news flash is just in from Wackytown, USA. Wacky Wonka, President of the American Wacky Association, has declared the *Update* staff the craziest group for the 1985-86 school year.

"When Prince wrote "Let's Go Crazy', he had the *Update* staff in mind," Wonka said.

Wonka cited several reasons for his choice. There was THE STORY Michelle entertained the seniors with. Then there was Marsha and Wendy's infatuation with Cadbury eggs. Stacey was always ready to give a smile while Trish drove (she's a terrible driver) everyone crazy. Then there was Steve Byrd (no explanation needed).

Jennifer and Michelle discovered that writing editorials wasn't all it was cracked up to be, while everyone had trouble making it to class on time. Fighting for chairs was always fierce. And the veterans still have troubled figuring out the Scharnberg twins.

"It's not so surprising that this class is totally off-the-wall," Wonka said. The year began on a crazy note, with partners thinking of each other as animals. Things never slowed down. The staff remained faithful in keeping up old *Update* traditions such as rarely meeting deadlines, always finding a way to screw up things, typing stories in italics or using up gobs and gobs of headline paper.

The staff began big, but shrank and shrank and shrank. But the gossip remained the same, and the staff — "They went crazy!"

Flags

The Color Guard was superb this year, even with all of the commotion and chaos the entire group was eager and willing to learn the new routines. At the first camp Lisa, Dina, Azu, Margaret, Sarah Andrea, Vicki, and Carrie worked very hard, and it all paid off with trophies in Best Spirited Group and also third place in performance. Lisa was also selected as the Most Outstanding Individual. At the second camp, Gwynne Shari and Lisa won the Ist place trophy in performance. Through the encouragement and assistance of Mrs. Burgess, this has been an outstanding year. All 19 girls worked endlessly to make each performance exciting and unforgetful. We are proud to be a part of the Charger Marching band.

Thanks,
Lisa Hess

This year's Pep Club was reorganized and came back as peppy as ever. Our football team started a new tradition ... DOW-35, MHS-O so we had reason to be extra peppy this year. We recognized team sports by appointing chairpersons for each one. These chairpersons played an important role because they got other members of the pep club involved by asking them to make cookies, posters and go to games and cheer them on to victory. A special thanks to the "dudes" for creating *a lot* of school spirit ... you will always be remembered!

International Foods

This is our first year as a club at Dow High and though we are small in numbers, we are still having fun. Our main objective is to promote interest in the area of food industry and the culinary arts. This year is a time of preparation for us in which we are creating a club logo and earning some money to promote club activities. We are hoping to lay a good foundation so that next year will be our best ever.

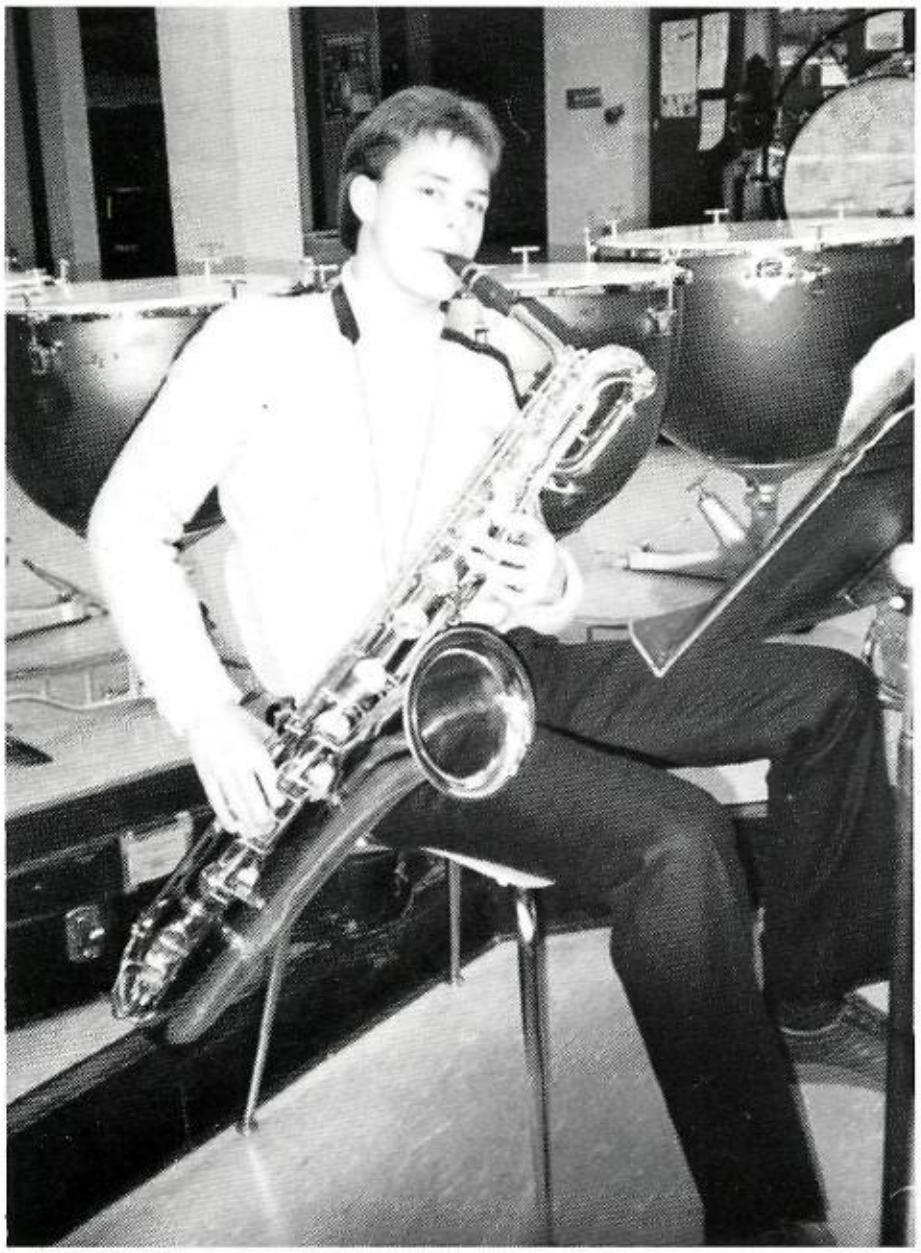
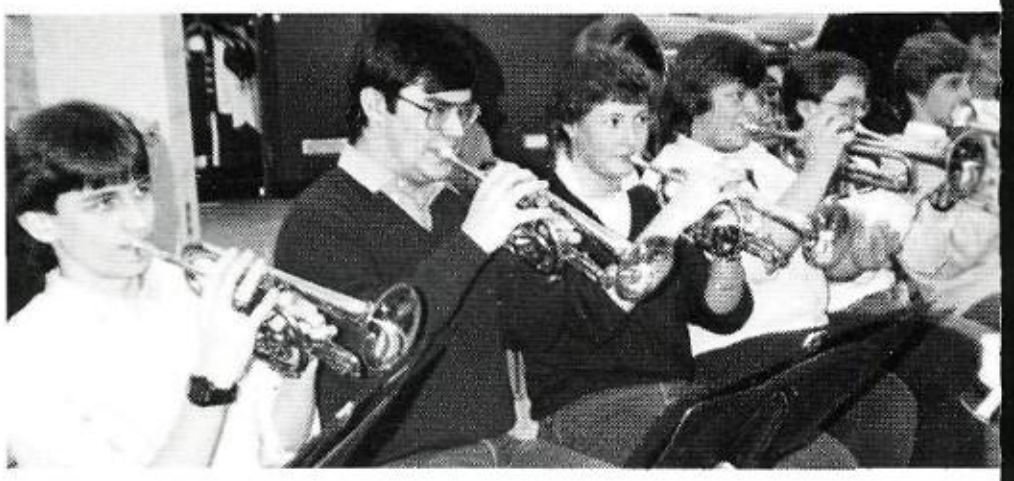
This year's Jazz Band had a fun but successful season. The performance at Ren Fair was overwhelming. Jazz Band also entertained students at basketball games which raised the spirit. Thanks to Mr. Burgess, who helped with his time and effort, and made the Jazz Band the success it is.





Wind Ensemble

The 1985-86 Charger Wind Ensemble is proud to have helped create the mood for some of the greatest moments in Charger history. With the help of director Gary Burgess and drum major Bill Burk, school spirit was at an all-time high — sounding off all five touchdowns at the Dow/Midland game. Bill Burk and Eric Hoenicke were found behind their "Go Green Goggles" buckling their shoes, and tapping their feet to the slap-stick sound of the victory beat. The band also showed their support backing up both our girls' and boys' basketball teams to great seasons.

The purpose of Concert Band is to develop technical skills and ensemble playing ability before moving up to Wind Ensemble and the Marching Band. We learn to improve our individual performances as well as learning to add our individual talents to those of the group.

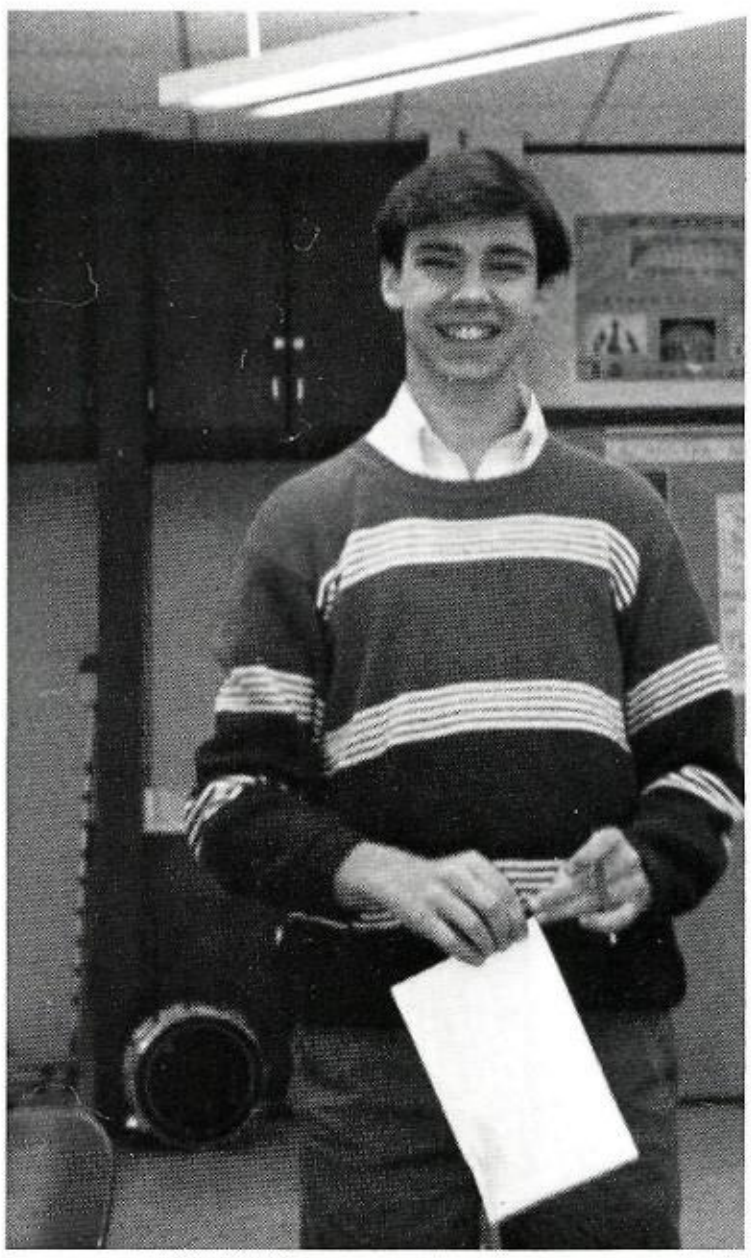
Contrary to popular belief, orchestra is fun, as it was this year. Often our activities varied from the normal criteria for a music class. Some events that we will especially remember are "The infamous Doorknob Incident", our trip to Chicago, the building of our winning float — the latter memory, however, will be slightly bitter for some of us. (Hint: the ones with bags on their heads.) Mr. Buchert was a driving force in our quest for a successful fruit sale, among other things, including our many quality performances. All in all, we are privileged to among the few, the proud, the musical.



Choir

Row 1: Kellie Wager, Chrissy Boice, Hadita Perotti, Carrie LaFlure, Mary Beth Bash, Diane Everson, Monica Simpson, Sharon Young. Row 2: Patricia Camp, Leighanne Davis, Brigit Soltysiak, Alice Gay, Sue Longsdorf, Beth Warren, Mae Hall, Shawna Pomranky. Row 3: Suzy Maier, Tammy Woodcock, Judy Mintz, Jill Martin, Jonelle Keranen, Bonnie Nekervis, Jenean Lintz, Claudia Bissonette, Mrs. Hoenicke Row 4: Miss Clemens, Sue Poisson, Kathy Hill, Tammy Scribner, Tony Hubert, Bill Crower, Mark Ziemba, Melissa McArdle, Melissa Burwick, Lee Ross. Missing: Kelly Cergnul, Eric Gibson, Kendra Horning, Charmion Milbourne, Kimberly Neve, Darcy Williamson.

The choir, with the direction of Mrs. Hoenicke, has established itself as an active force in H.H. Dow's spectacular music department. This year we performed at Ren Fair, Festival, and the retired teachers' Christmas party. We'd all like to thank Mrs. Hoenicke for helping the choir to achieve our "adult choir" sound. Also, thanks for the doughnuts!

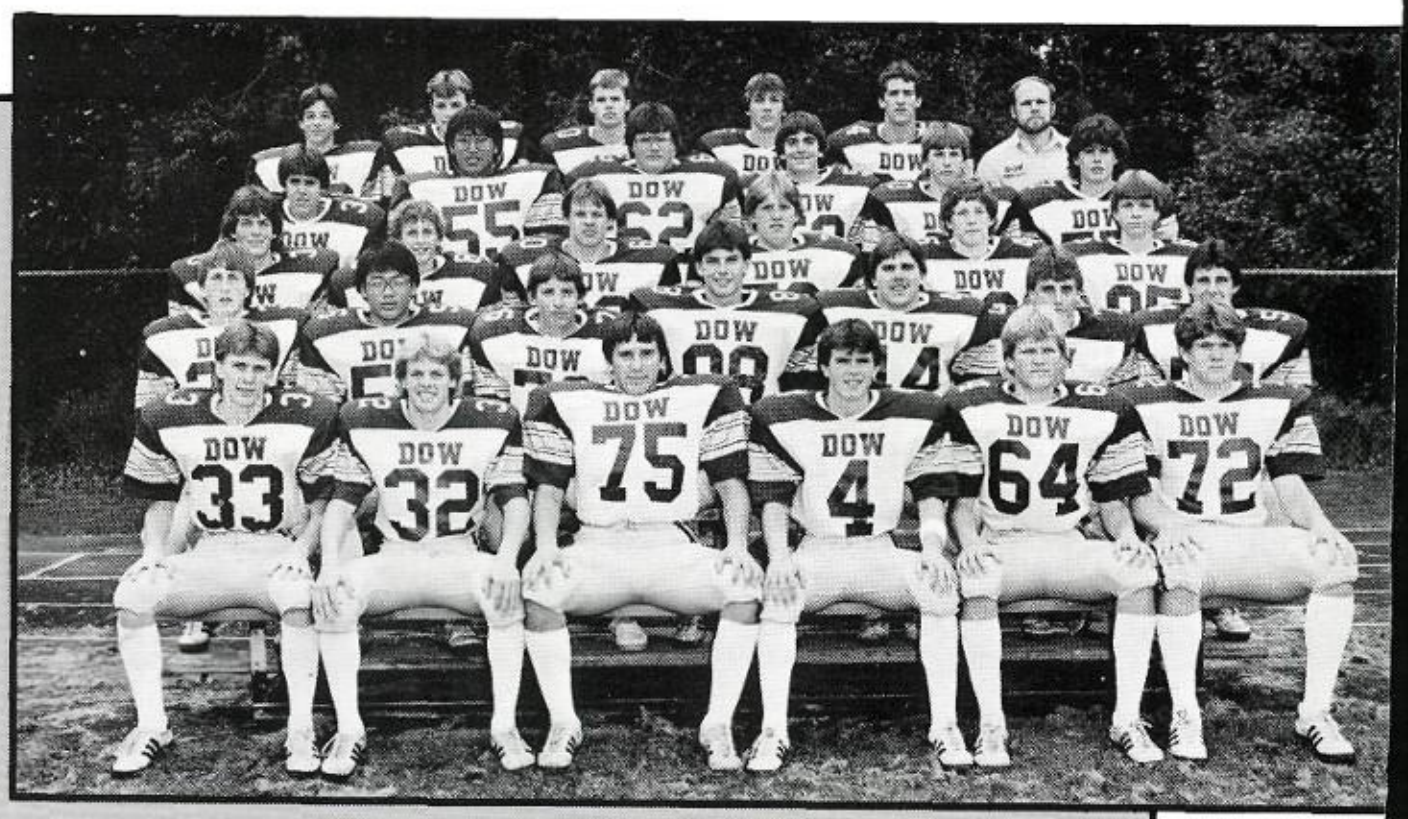
Enthusiastic fans like these at the Midland-Dow football game supported all the sports and helped to make Dow Chargers #1!

JV Football

Our J.V. Football season was filled with highs and lows. There were times when I thought we were invincible and times when I felt as if we couldn't get any lower. We worked hard this year and had many long and intense practices. Although we may not have thought of it while we were running lines or four corners, we were glad Coach Wirsing and Coach Koski worked us as hard as they did. For the first time in our lives they gave us the feeling of being Chargers. We thank them for that. Since we lost to Midland this year, our thirst for Chemic blood is now stronger than ever. Next year is when we satisfy that thirst and make it the second year in a row for Dow High varsity victory.



Row 1: Eric Carlson, Jeff Dahley, Karl Krawzak, Jim Samocki, Doug Bartos, Mike Graves;

Row 1: Charlie Veit, Steve Moffatt, Jeff Servinski, Steve Lehman (cpt.), Mark Pikus; Pat Veit, Row 2: Coach Kastl, Phil Stackable, Brian Dahley, Bill Murphy, Coach Altimore, Rich Lauer, Mark Lawry, John Dubois; Row 3: Richard Page, Mark Zupic, Rob Smith, Mike Skinner, Matt Keenan, Joe Windover, Jim Snider, Mike Fogus, Brian Zimmerman; Row 4: Jim Doubek, Brian Sosinski, Derron Stark, Chris Worthington, Todd Munger, Jim Woodcock, Don Ripkee, Coach Malzahn; Row 5: Stuart Choate, Chad Cassiday, Mike Collins, Matt Malzahn, Bob Kench, Dean Harman, Norman Tate; Row 6: Rich Juday, Drew Anderson, Mike Moss, Todd Nellis, Dave Draves, Joe Doubek; Row 7: Bill Kench, Ton Clack, Jim Striebel, Don Finney, Bruce Chisholm

Although we were only 5-4 this year's Varsity Football team had started the "new" tradition of whipping Midland High. We started it with a 35-0 whitewashing. None of us will ever forget the preseason #5 ranking or the Northern game. The Kastl Wall, the CSA's, the dogs, the Puppy and all the rest would like to thank all the coaches for a season we will never forget!!!!!!!!!!!!!!!!!!

The season is now coming to a close and the JV's have had a promising and rewarding year. At this time we have a record of 10-2. Names such as "Kate and Alley", "Twin" we won't forget, also "Blueberry and Strawberry ... the Berry Bunch". As you can see it was a close team and that's why it has been a successful season. Thanks a lot coach for helping us correct our mistakes. Also we would like to thank all those loyal parents who showed up at all the home and away games.

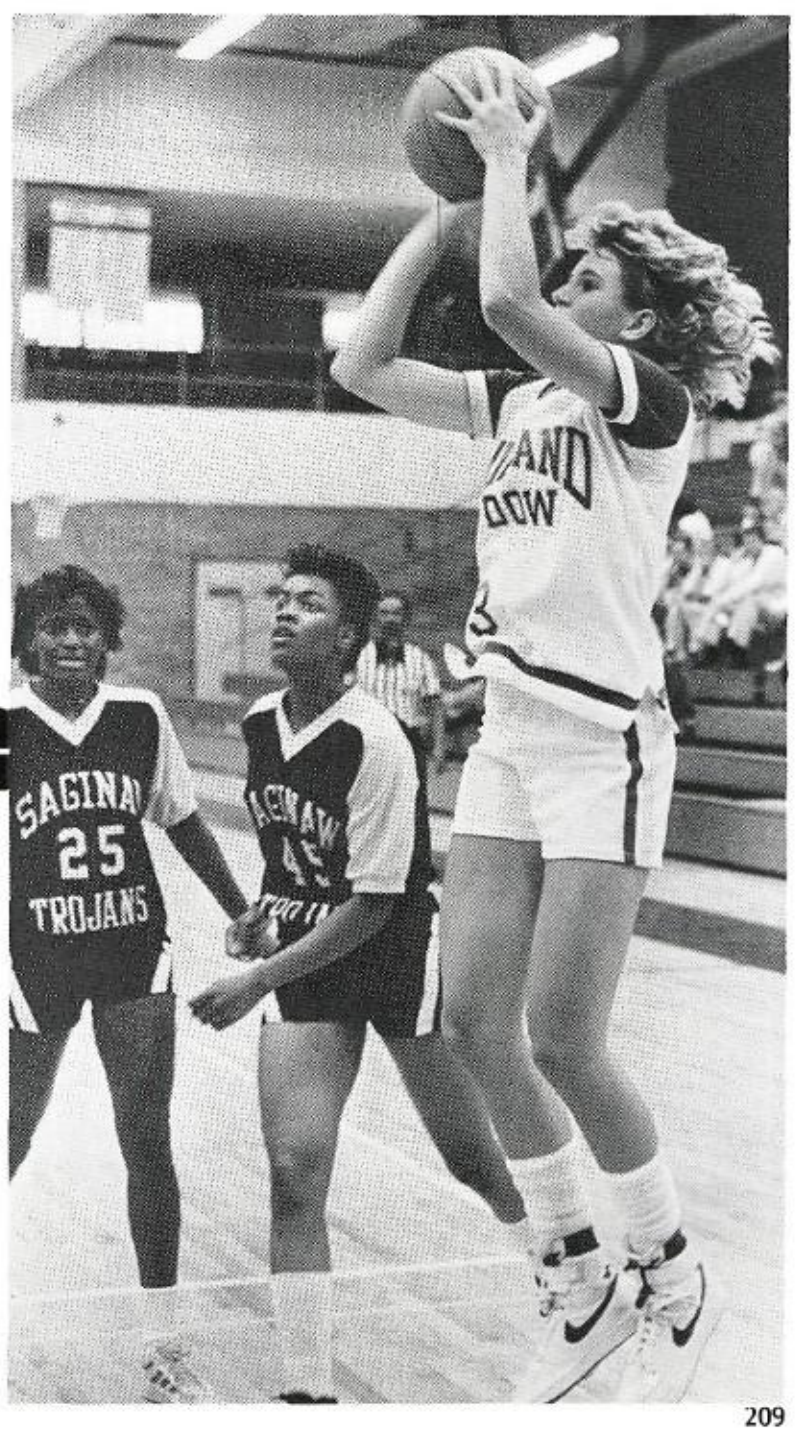
Well we worked hard this season and good things did happen. It all started out with summer camp with teams like the Jackson's five, Una's Boonas, Barto's Bombers and Hobie's Heroes (last as usual!) Practice — Thanks, coach, we love that cutthroat and blood alley! The lane drills and shuffle were absolutely marvelous! Coach's words of wisdom: "Poise, pride under pressure", "Champions never say enough", "Never underestimate your opponent"; but most importantly, "Get into her bra!" On the bus rides we've got the Bruce Sisters, Toots and Aim. "Please can we listen to Madonna?" No? "Oh, poop!" Well guys, a lot of us got in some extra running because of forgetting either our jersey (10) or our whole uniform at the away games. But what's worst, bringing the wrong color? Jacks with her "Quick, he's not looking!" always seemed to get us in trouble. Before the games, we all performed the traditional stretching exercises. During the game Bell gets those fouls, because she comes on so strong from behind! We have had such a fantastic season, probably because we all work so great together.

Varsity Hoopsters



Varsity Basketball

"Exciting", that was the word that you could use to describe this year's team. Although we didn't stack up a great record we had a good time and learned a lot about the game of basketball. Most importantly, Coach Waite taught us a "never give up attitude" that will last a lifetime. We had no real outstanding players but a lot of hard workers. We are looking forward to future seasons on Varsity. Our team thanks the cheerleaders and the Guardian Angels for their support and the parents for always believing in us. But we especially thank Coach Waite for the long hours he put in for the team and all the pop he bought us.

Thank you
Eric Carlson

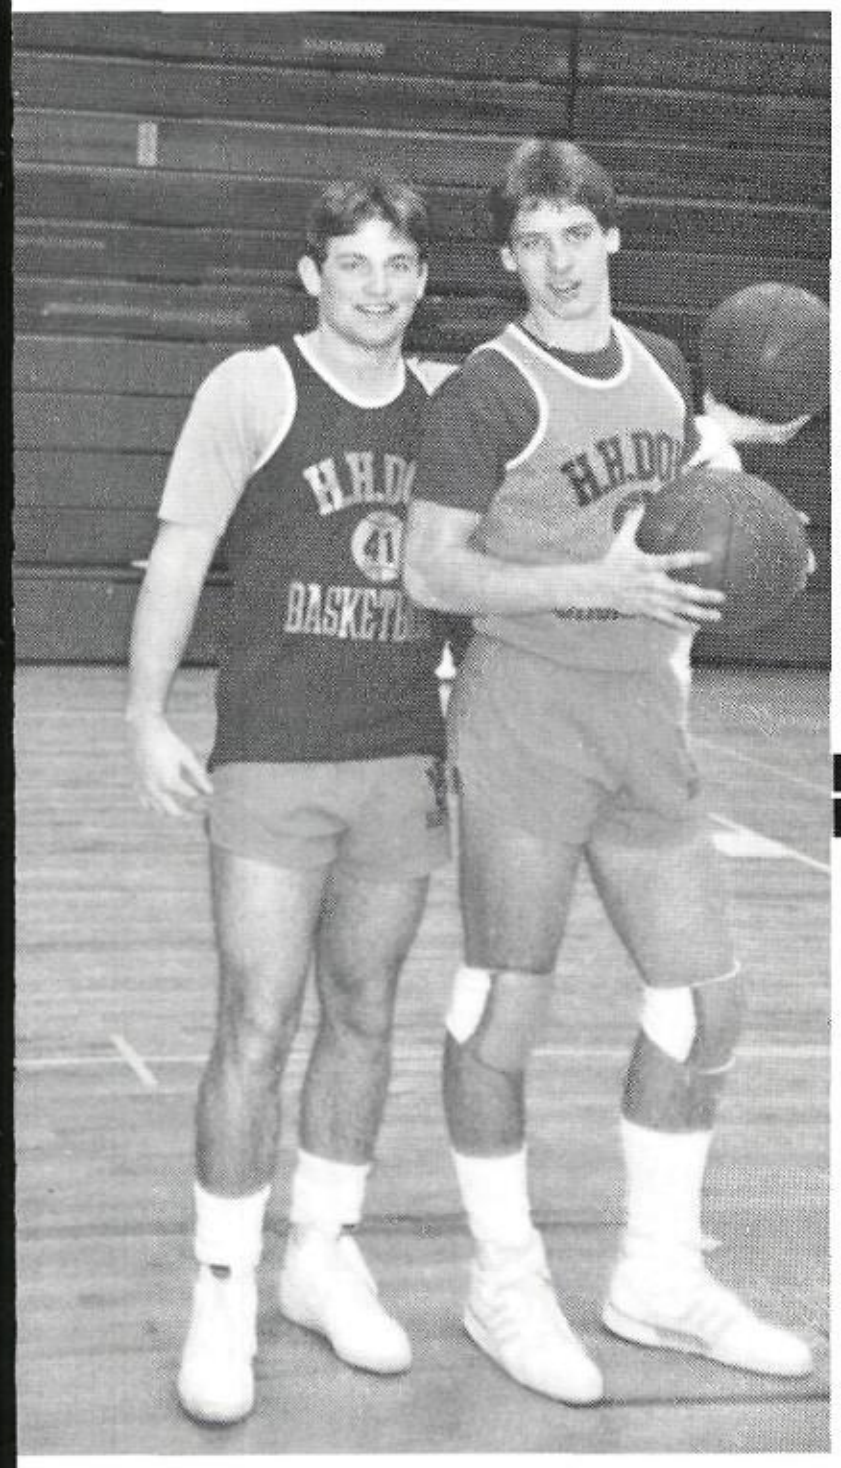
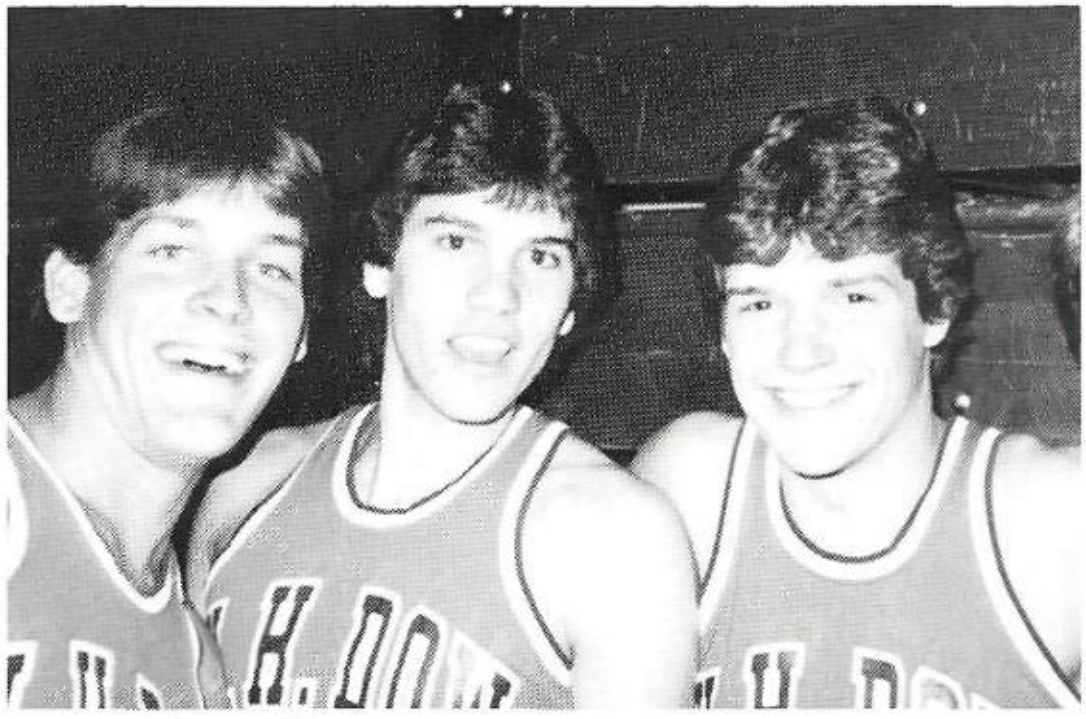
JV Basketball

Row 1: Marc Zupic, Rich Juday, Matt Malzahn, Mike Moss, Mark Craig, Mike Skinner. Row 2: Karl Reineke, Paul Lauer, Bill Kench, Ed Moore, Dave Cooper, Joe Windover, Bob Kench, Coach McDonald.

The Varsity Basketball team had a successful season, though the record might not reflect it. We lost some close games, but we had fun! The bus trips were rowdy, especially after we were *2 AND 0* and Jimmy doing his Coyote. Although we weren't number I — our personalities were second to none. With Paul Lauer playing his Tommy Huang defense and Dave "Manute Bol" Cooper swatting shots, we sometimes seemed invincible. This year's team also contained some skywalking ability, achieving the first dunk in over five years. Leading the way was Joe "Toledo" Windover who took it up over BC Western and Bridgeport, and the Skins who was probably the most creative. Last, there was Eddie Moore who was never too shy to shoot. With these memories and many more we can say that the season was valuable.

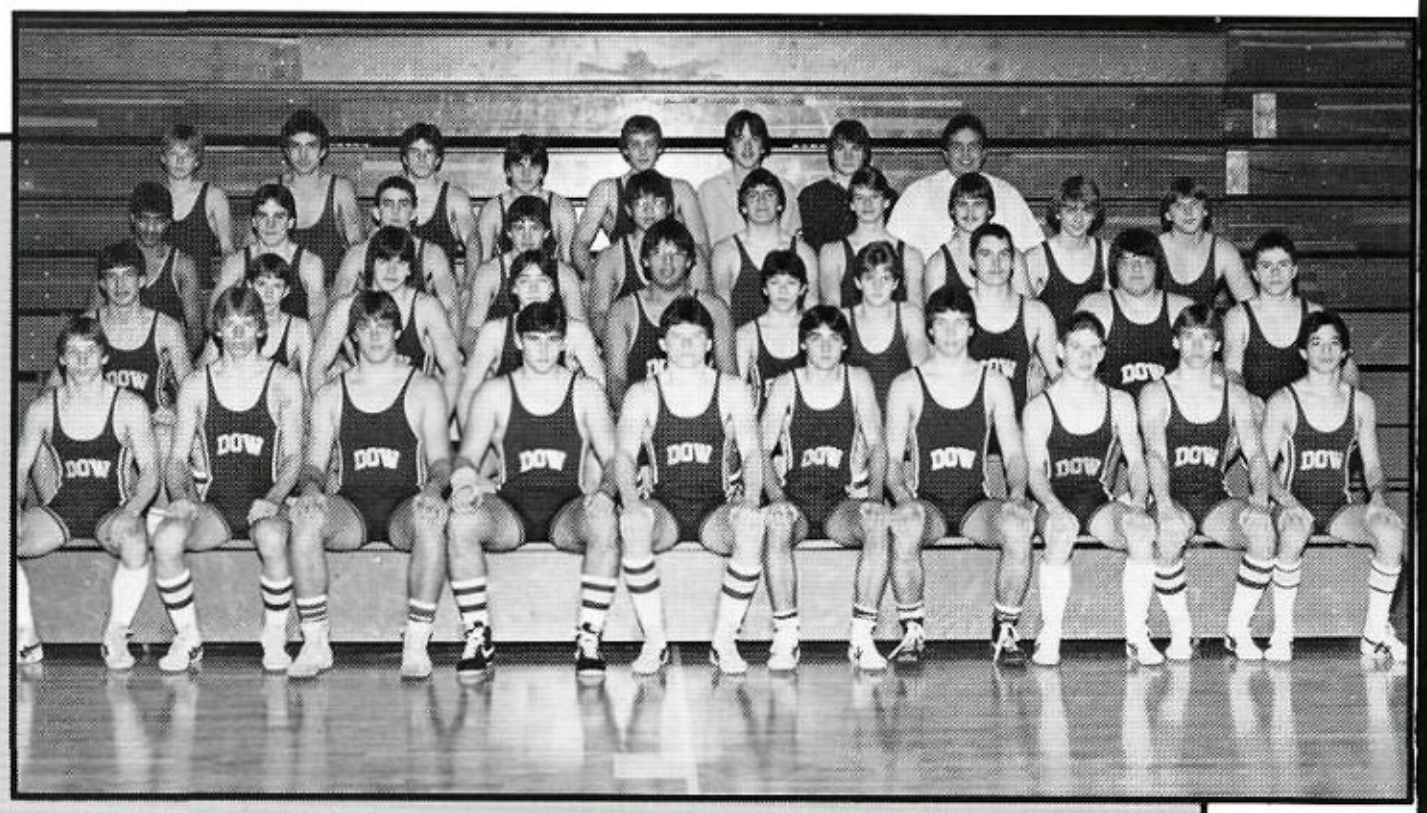
Mike Skinner





Basketball

This year's wrestling season was a tremendous success, and we finished the season with a 12-5 record. We were the City Champs and we placed 3rd in the Valley. Although nobody qualified for state, Kurt Foglesong, Paul Phillips and Jeff Reinke represented the team at Regionals. No one will forget the trips to and from weekend tournaments. Some highlights were: the "senior" van leaving Fogus at Wendy's; Murph's and Rang's jokes; and Coach's driving. The practices were hard and Coach Altimore's favorite word, "AGAIN!", was heard often. We all owe our thanks to both Coach Altimore and Coach Reinke for all the help that they gave us.



Row 1: Jeff Reinke, Chris Worthington, Mike Fogus, Kurt Foglesong, Paul Phillips, Kevin Rang, Bill Murphy, Steve Moffatt, Pete Ouderkirk, Pete Sams; Row 2: Tim Meyer, Steve Votaw, John McDonald, Doug Hilliard, Tim Durfee, Matt Sprague, Jeff Christensen, Don Finney, Steve Watkins, Mike York; Row 3: Subhash Chandra, Kurt Ieuter, Chad Moody, Jeremy Finney, Wilbur Woo, Kevin Brady, Rich Siemer, Joseph Wray, Alan Nolan, Ivar Johanson; Row 4: Toby Bridges, Robert Abel, Dan Kantz, Kevin Allbee, Jim Beman, Kurt Thurston, Jeff Darr, Coach Altimore.

Row 1: Rich Lauer, JJ Pinwar, Mike Lunt, Rob Long, Rob McGrath; Row 2: Coach Blasy, Simo-Henrik Posti, Mark Lawry, Dave Leslie, Tom McArdle, Rob Krasa, Brian Kubiak, Drew Anderson, mgr. David Freet; Row 3: Ted Smith, Jeff Lienhart, Glenn Johnson, Greg Porter, Syl Amos, Brennon Roberts, Dave Draves.

The hockey team was held together by a solid corps of returning veterans. The blue line crew with 3 returning defensivemen and 1 Finnish import and 4 forwards supported by an underclassman made up the offensive attack. "Trooper" and "J.J." had the moves with "Mel" along to knock a few heads. Rich and Rob did a fine job at goaltending. The tri-captains provided the leadership when some of those 6 am practices needed it! Thanks goes to Coach Blasy for yet another fine year and to Peter Finn, our assistant coach. Thanks also to Dave Freet for making practices run smoothly. This was a great year — sorry Midland High!!

Mark Lawry, tri-captain

As the football season draws to a close, so does the yelling and hard work, however it soon begins again as winter rolls around. Everyone on the squad has grown close to each other and we have shared many moments we will never forget. The squad hopes that Karen Swinehart and Nichol Vargas will never have a hair out of place again. We hope Betsy Burk never runs out of energy and Laura Junge never runs out of a voice to yell at us. We all know that Kelly Grose and Chris McInerny will forever be flakey and Noel Contiono's red and white shorts are a true classic. The squad will forever be "ya'll" To Katy Kendall and thanks to Karen, "pour it on" is our favorite chant.

Well, what can I say? Despite the fact that we missed the dome, this year was still the best! Remember that first game at Flushing in the 92° weather? What would we have done without the porta-potties? The weather didn't get much better after that either. The water fights at Atwood, the desire to water ski on the turf, those parkas-rain games are definitely a riot!! From deaf cheerleaders to K-mart shoes to the good luck necklaces (that turn our skin green) we sure did make this year a memorable one. To the Guys in Green: you 4 were great! Who else could get into Madonna on the bus with us? To Vik and Stef: those crazy juniors! You fit in perfect and made the squad what it was. Carry on the Dow tradition — good luck next year! To those awesome seniors: we waited three years and got revenge, we BEAT MIDLAND!!! Remember the feelings we shared on Nov. 1 with the stadium rocking and the green moon? If this wasn't *our* year, what was? Here's to the Class of '86 and the team that broke the nine year losing streak! Sing it girls! "We love you football players deep down in our hearts . . ."
Jen The "Pictures!" woman.

Varsity Cheerleaders

The Guys in Green: John Downey, Jim Lynch, Chuck Pollak, Derek Medina. A new tradition started this year with the addition of 4 male cheerleaders to the squad. Through the rain and heat, these guys cheered at every varsity football game and even lost their voices a couple times. MaDonna, cherry coke, the green and gold megaphones, Chuck's bike, the bus rides (remember??) They learned what it's really like to be a Dow High Varsity cheerleader!

JV Cheerleaders

We sure did have an enthusiastic squad that generated a lot of spirit. The season began in a rush but we worked extra hard and pulled together, finally. We never knew quite what to expect from Karyn and Chris' excuses for why they were late, while were kept on our toes with Betsy, Chris G. and Carrie and C's never ending energy. What would we have done without Lisa who was constantly french braiding? Then there was Tina who never really knew who she had for an angel, but who could forget Carie's tricks to keep us from getting confused?? This was a memorable season we'll never forget. Thank you, Mrs. Priehs, for heling us so much — you didn't go crazy!

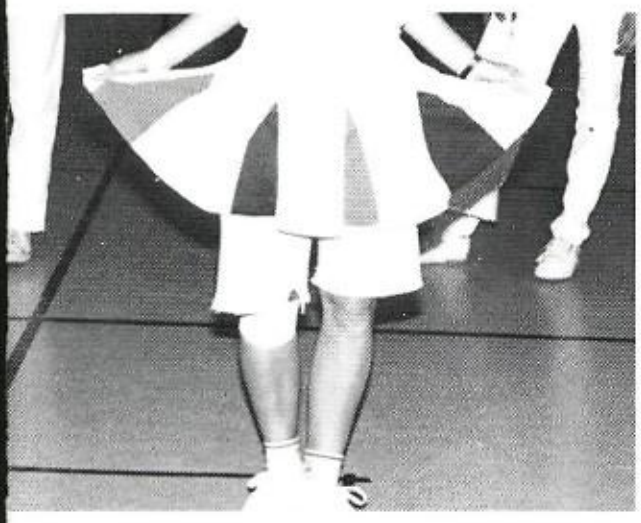
Another season?? Don't you think we've all had enough? Although b-ball season started so quickly and burned us all out, we went thru the traumas together. Welcome back, Jim! Tryouts, girls b-ball, Saginaw High, angels, the fans — just when we were about to give up, along came another awesome Midland-Dow game. Charger pride never dies, does it? We may not have won , but we had th ose Dow High Dudes. I knew we'd find someone to wear the fluorescent yellow skirts! This was the last season we all had together, but we sure went out with a bang (or a crash, right Heidi?) We may not have liked to work, but we still had fun! Never will any future Dow High cheerleaders come close to the special group we are. (I'm serious!)
your captain



Varsity Cheerleaders

During the season, we had several rowdie and rewarding times. Our squad consisted of 14 girls. All of us got along, and we had a lot of fun together. Last summer we attended a camp at Saginaw Valley State College. It was a lot of fun, even though we had never attended this camp before, and we didn't have any idea what to expect. On the last day the Dow High Pom-Pon squads got the most spirit award, which we well deserved! There are several memories which the squad remembers, such as, The Cheerleaders (E.T.), all of our partying in the dorm, the terrible meals, and of course our hard work and effort. We'd like to recognize our coach, Dawn Green, who worked hard with us all season.

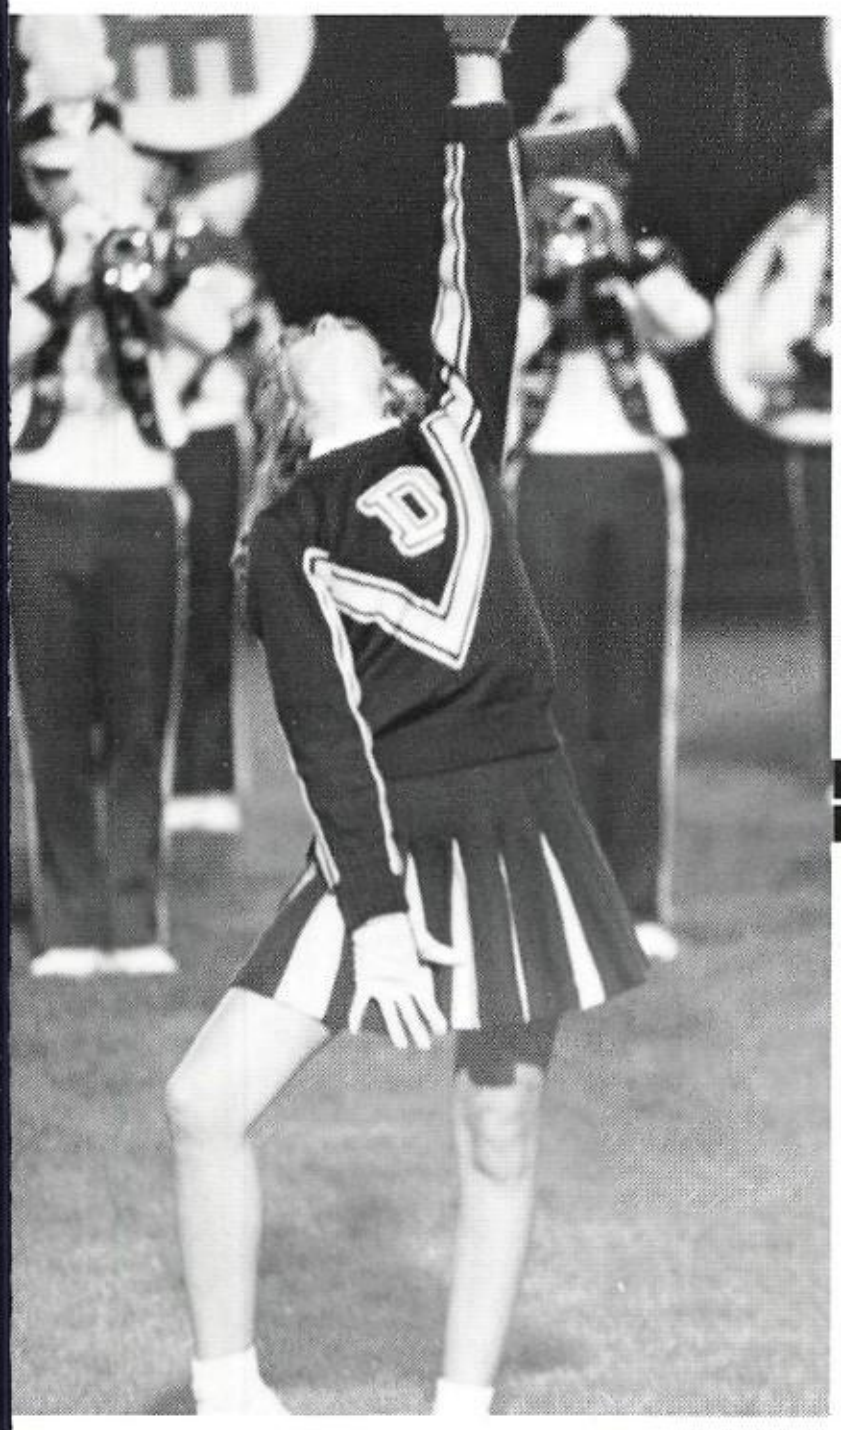
Hey Pompon ... it's story-time! Once upon a time in the land of Jamaica lived Mr. Doughnut and the "Dough" girls. One day as they were calmly boiling asparagus while deep conditioning their hair, a mob of snapping turtles invaded. As the Blooper Alert sounded — BloopBloopBloop — Barbara Ann chanted "I said a boom chicka boom!" In an attempt to save the day, hewoman slithered out of her pizza-mobile equipped with a chain saw and Oreos shouting, "Smile ... you're on candid camera!"

ROAD TRIP
Luv y'all,
Jamie and Stacey

Thank you Frau for your enthusiasm and support. 85-86 was terrific.



Varsity Pom Pon

When this year's JV pom pon squad started performing during football season, everyone noticed that there was much work to be done. By the end of the season the squad had made outstanding improvements. Basketball season was a hectic time, but each girl handled her part as a member of the squad, respectively. All the hard work began to pay off when we traveled to Lansing for Regionals and placed second and earned an invitation to state competition. The squad traveled to Farmington Hills and put on an excellent performance in which they placed as one of the top ten squads in the state. I saw every member reach her goal and improve greatly throughout the year. Each girl was great to work with and establish friendships with. good luck to all next season!!

The varsity Pom-Pon squad has worked especially hard to make the '85 and '86 basketball season the best ever. Our three hour practices before competition definitely paid off — even though at the time all we wanted to do was go home and sleep. A special thanks to Jamie and Laura for their enthusiasm and dedication — We wouldn't have made it without ya!! But especially — we'd like to dedicate our idol singer Rick Springfield, to our former pom ponner, Beth Buzzelli, whom we miss very much. And to Mrs. Kamena, thank you for all your time and effort. We all agree — it's been a terrific season!!

Varsity Pompon

After a hard day's work in school, the members of the girls' swim team had yet to face a 2½ hour practice with coach Gina Loose. Not only do guys have "locker room talks" — it allowed us to catch up on the latest gossip! Our after-school snacks of rice cakes gave us lots of energy ("they only have 35 calories!"). Now we're motivated to get in the brisk water! As well as having fun, the girls put forth four months of hard swimming. Lots of dedication and team spirit helped pull us through hard times and to a second place finish in the valley.

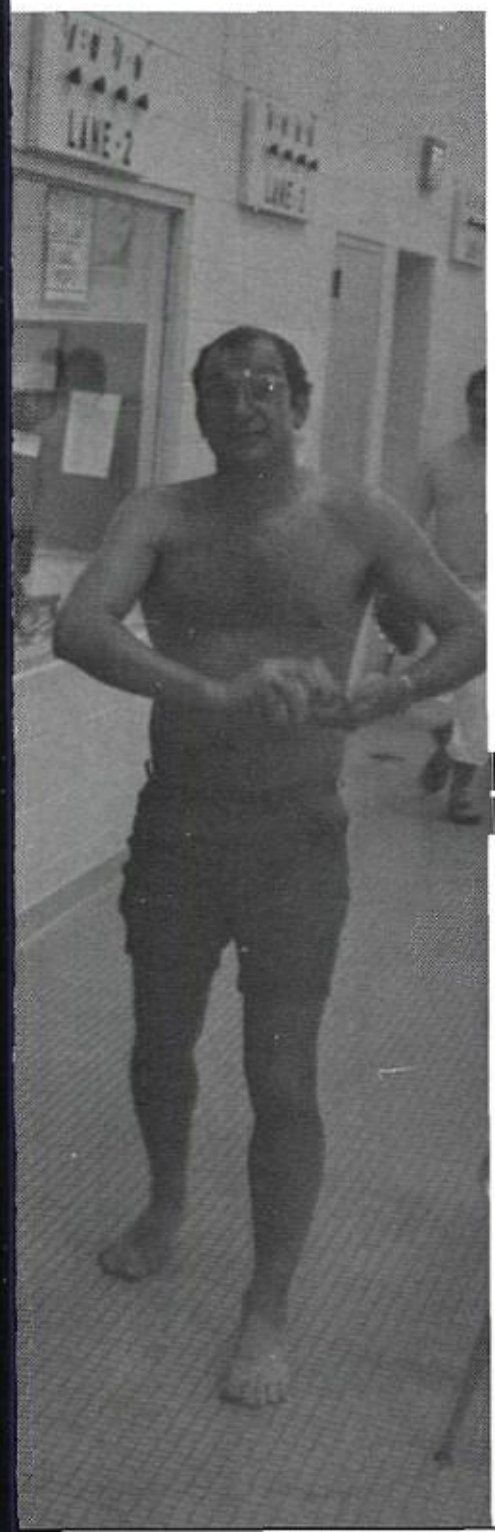
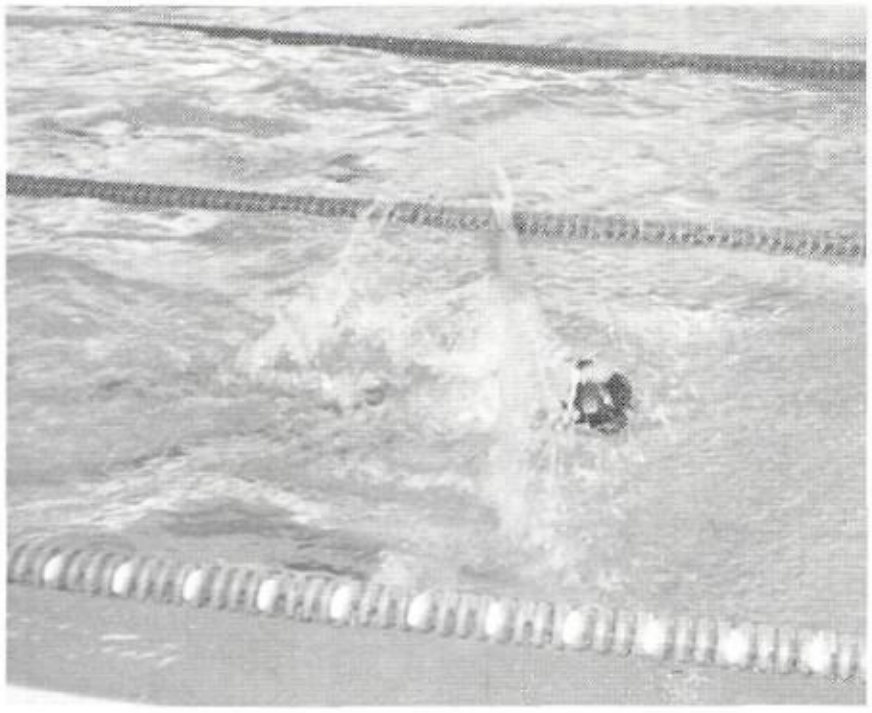
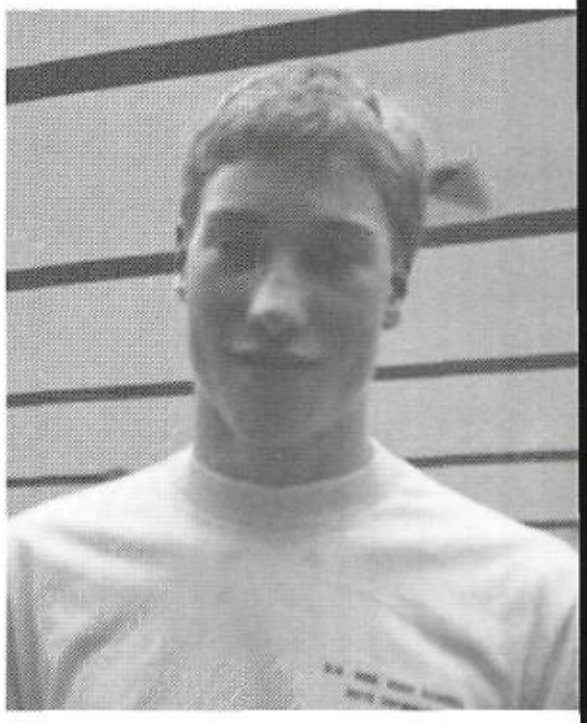
The boys' swim team this year was the strongest ever. We had an outstanding record, including winning the Saginaw Valley Championship meet. Helping out the team were many strong sophomores, like our secret weapon Thomas Li. His brother Al was also a great asset this season. Leading the team were senior captains Tony Nellis and Todd King. Our successful season was a result of the hard work and dedication shown by every swimmer. And of course, we thank Coach Pangborn for his knowledge and experience which guided us to victory time after time.

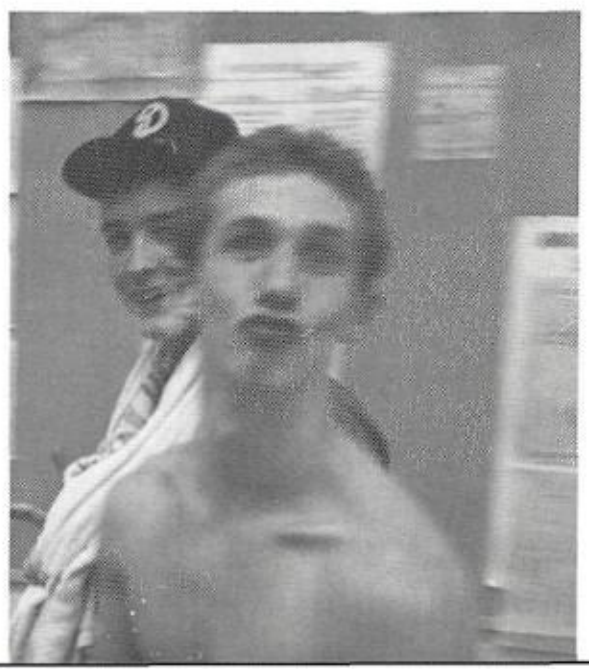
— Todd King

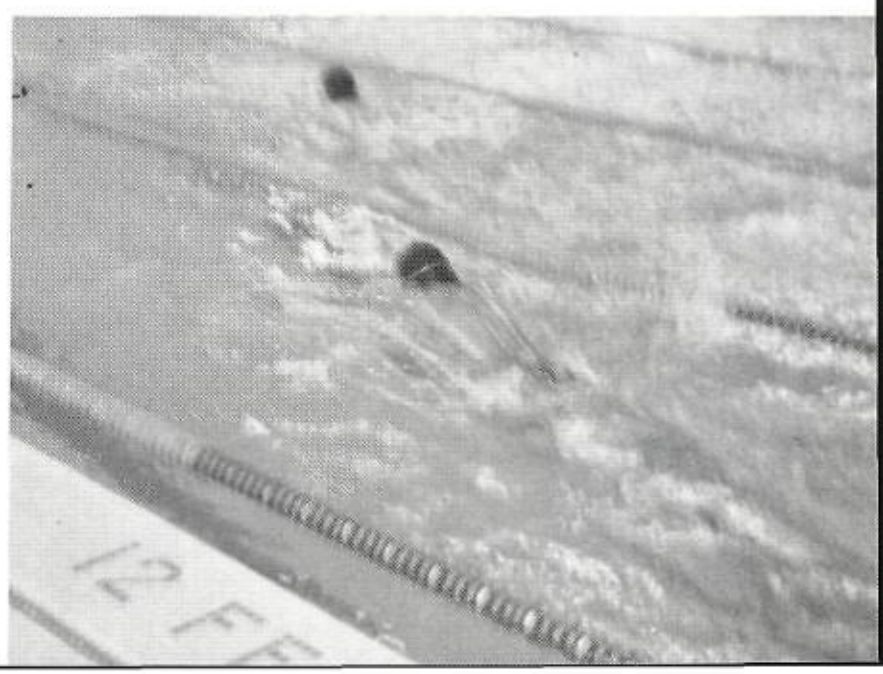






Swimming





We had a young team this year and had a great season — we may not have won every match but we had fun. Our team was not just putt-ering around, we really had a go fore it! And although some of us need to practice our DRIVING, the team did well whiff the help of junior Stacey Brown and sophomore Karen Eichhorn.

Row 1: Elizabeth Findlay, Carrie Grill, Liz Rosten, Karen Eichhorn, Laura Sinclair; Row 2: Gabby Goldorf, Stacey Brown, Julie Callanan, Tina Jones, Jennie Garrels, Ashley Thompson, Mr. Tew.

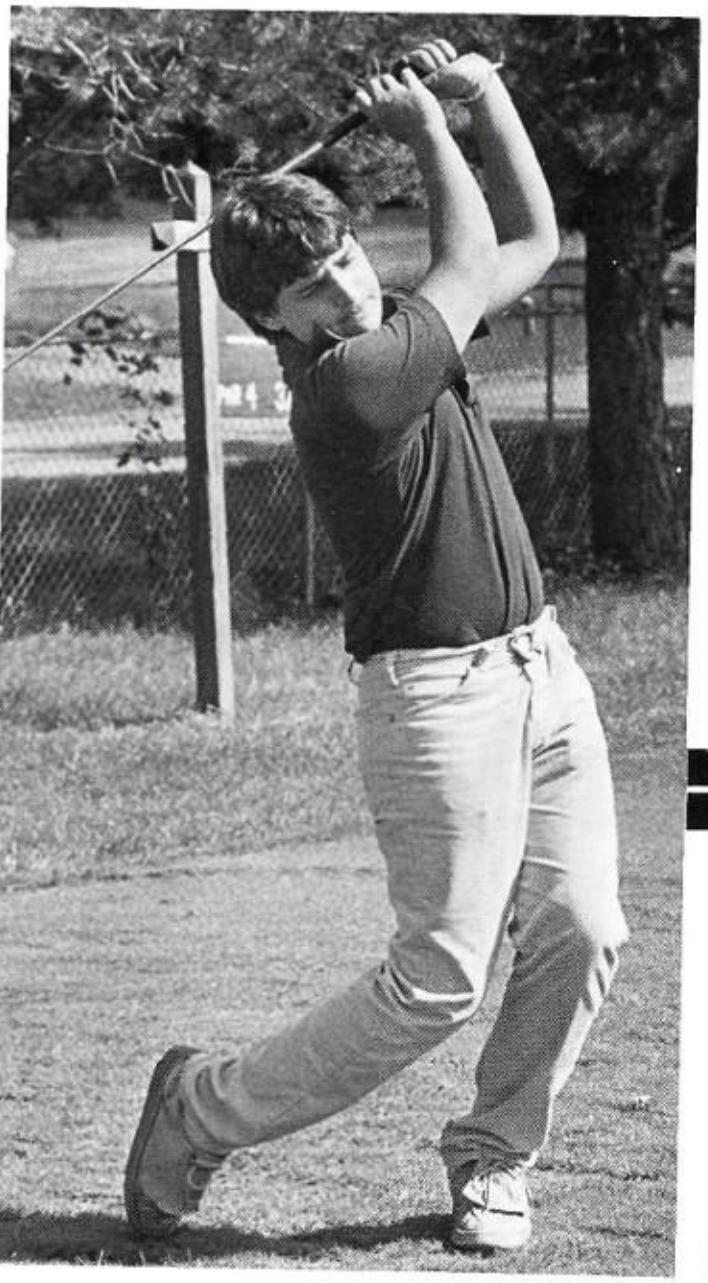
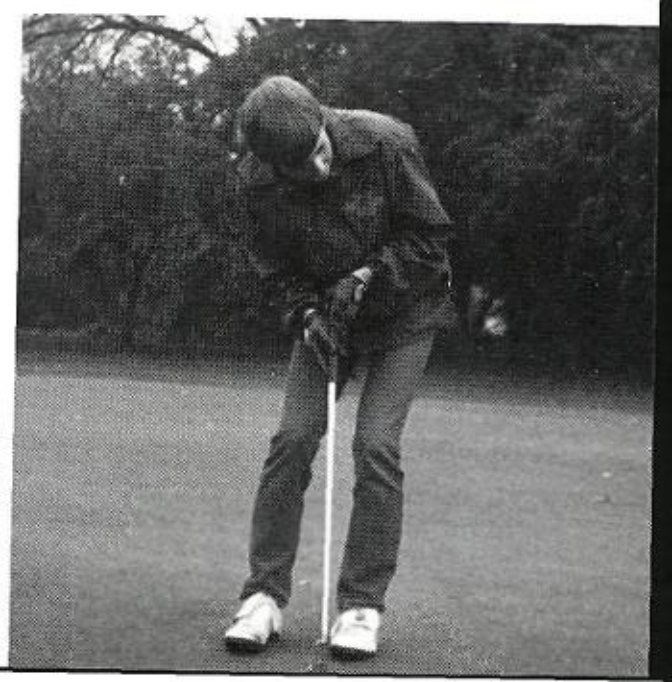
1985 can be considered a year of gaining experience for the golf team. The varsity finished the season with a 12-9 record which is more respectable than it looks considering that the team was composed of only Juniors and Sophomores. Highlights of the season included a 2nd at the Flint Best Ball Invitational. Chris Jenkins and Rob Long shot a 2 over-par 74 followed by Christ Seitz and Frank Petitti who shot a 75. The biggest triumph of the season occured during the Valley Tournament in which Dow placed 1st over Midland by one stroke. Next year looks promising with the entire team returning as experienced players.

Chris Jenkins



Golf



Only five words could describe our soccer team "a bunch of awesome Women!" We improved our record to 8-5-3! Not only did we have a great time on the field but off the field as well. We made many new friendships and great memories too. Remember the BLIZZARD at Okemos, the "flasher", B-driver, Defense kicks, Swipe 'em, honorary crutch day, Oh, our aching bones (Sue, Kathleen, Ann, and Lisa), stop off at Redimed, Ponderosa here we come, Natalie's good luck ball, the often heard words on the bus, "who's got the tape" or "I have to go the bathroom," our favorite Saturday practices, cross town rivals, the awesome thereback line, and SIT DOWN! Thanks Coach Wessel and Coach Lincoln.

(Left to Right) Row 1: Christy Dalton, Nancy Beagle, Ann Romanick, Kris Pukl, Natalie Olinghouse, Stephanie Brown, Pam Palmer, and Shaunda Delaney; Row 2: Lisa Crosby, Katie Kamm, Jenny Ayres, Chantal Rudy, Angie Warrick, Kathleen Mara, Heather Huscke; Row 3: Coach Lincoln, Cindy Seger, Ann Fraser, Amy Lambert, Kellie Sonner, Sue Begin, Cindy Meier, and Coach Wessel.

Pinwar, Kerry Richards, Dennis Contino, Mike Wester; Row 2: Coach Roberts, Kurt Hanus, Todd Shepard, Fulton Davenport, Dave Peterson, Paul Lauer, Andy Thiel, Rich Watson, Rob Rogers, Dan Kennedy, Jayson Phillips

The "85" Charger soccer team continued the winning ways of the inaugural "84" team. The success included a record of 17-2-1, Champion of the Grand Blanc Invitational, and winning the first Saginaw Valley Championship. Individual performances included Paul Lauer's 39 goals, and Dan Kennedy's 19 assists and 24 goals. Mike Wester led an excellant four man midfield and Dave Peterson commanded the strong four on defense. Kurt Hanus, senior goaltender, and Jayson Phillips, goalie of the future, anchored the Charger eleven. All in all it was a great year!

Soccer

The 1985-86 JV Volleyball team has been a great success. We started out with a slow season but each player has contributed her own special talents and personality which have pulled us through some long hours of practice and P.C.'s. With the dropping of gum and forgetting to start in a game we pulled through. Thanks a lot Coach Whelan (Gracias) for the fun and exciting season. Thanks!

Row 1: Mary Battle, Jennifer Debol, Leigh Rowe, Sherry Swarthout, Lisa Herner. Row 2: Jenny Rogers, Georgina Winslow, Susan Strayer, Charlotte Green. Row 3: Coach Whelan, Stephanie Winchell, Becky Skutt, Michelle Hohlfeld.

The 85-86 Volleyball season has been the greatest. The annual trips to Hollywood have been entertaining because of both the *Three Bears Song* (compliments Steph) and the *Make-Up Song* (compliments everyone). Wendy certainly caught on to these two, quickly. Jacks showed us all her homemaking *skills*. Sandy and Laurie have proved to be the winning combo (in some ways, that is). The Bumble Bee Play was a little shaky because Algae is usually in the way and also because — "I'm *not ready!*" But then Cannon pulls out a pistol and saves us. Debbie "the newcomer" is the "new awesome hitter" due to the spike-it. But Sherri is the "mighty master of the spike-it." Kari has the All-American favorite *pastime — chasing balls*. Caroline is always ON THE BALL. Lori always has a smile but Tracy doesn't need it because we are so sweet except on her B-Day. Although we never knew what we were here for — wrestling, duck-duck-goose, basketball or maybe even VOLLEYBALL! — we always had fun!

JV Baseball

The Dow J.V. Baseball team led by a strong team, beat a school record of 17 wins, in 1985. The season ended up with a 20-5-1 record. The team has also won the Saginaw Valley League title. In the Dow Invitational tournament, the Chargers came in second, losing to cross-town rival Midland. We advanced to the final round of the tourney after beating the previous champions Grand Blanc. The team had good defense all year, and did exceptionally well in pitching. We had a great time all year. On behalf of the team we would like to especially thank Coach Quick, for all the effort and fun he put into the season.

The 1985 Charger Baseball team has had a better season than many had expected. Bringing home a share of the SVL Championship was not expected by anybody but the team and Coach Roberts. We weren't blessed with good health, but with or without our "Big Wheels", we took everyone by surprise. Everybody contributed to this winning ball team. Way to grip the ball guys! All of our thanks goes to Coach Roberts, (even though we had to take a strike every time at bat) Coach kept us in line when we slacked off, and lifted us up with his confidence when we were down. Thanks Coach! — Tony Winslow

The 1985 Dow High JV Softball Team was a rewarding experience for everybody. New experiences were shared by each team member. With a lot of hard work and encouragement from family and friends, the team came out #1 in the valley with a record of 14-2. Although injuries were abundant, everyone survived with a lot of dedication to the school and each other. Everyone who participated learned a lot about friendship and teamwork. The coaching of Ms. Whelan had a lot to do with the success of the team. She pushed us to our limit, but never gave us a task too hard to handle.

The 1985 Dow High Varsity Softball team was far better than average. Even though things didn't always go our way we always tried hard and managed to have a great time. We sure had some outstanding personalities as well as athletes! Lo, Michelle, Kim, and Lou represented Dow High with state honors and the rest of us did our job too. Special thanks goes to Mr. Samdel for all his time and effort.

This year's girls' track team was great! We had the most depth and talent we have ever had. The best part of the whole season was when we beat Midland High in both the Flushing Invitational and our dual meet — the first time ever in the history of Dow High's girls track. Everyone thanks the coaches for their hard work and great strategy!

Coach Malzahn lead our team this year to a 6-2 record, second place in both the Graves Relay and Valley meets, and a first place at Bay Area Invitational. Three members of our team qualified for state — Chris Hess in the high jump; Steve Citko in the polevault; and Kirk Deitsch, our team captain, in the 880. Our success, however, was not limited to any one person. It can be credited to the depth and dedication of each person toward the good of the entire team. Aside from the records, we made new friends through practicing in the rain, sweating under the sun and cheering each other on. We wish good luck to the seniors, as we look forward to next year here.

During the cross country season we ran and ran and ran!!!!!!!!! As we started to get in shape, we trodded through 90 degree summer heat, and by the end of the season we pushed into the cold wind and rain of November. In the meantime, our tiny team became a group of friends. We shared the pain and glory of running.

This year's boys' cross country team had spirit matched by no other team in the past. Training began soon after school let out last June. Although no more than three runners could meet at a time (according to regulations) and many runners had vacations, the cross country had a hard summer workout. After weeks of tough competition, the team started showing improvements and finished strong with an 11-8 record. To achieve this record, the Charger runners had to overcome hills, thunderstorms, and 'surprise meets'. Leading the team were Mike Ehrmantrout, Paul Dankoski, Joe Wessling, Mike Cheek, Rob Krasa, Albert Li and Steve Votaw.

The girls' Varsity Tennis team dispalyed their determination and their talent throughout the entire season. They achieved an 11-3 record, the Valley title and the runner-up position in the regional tournament. The girls fought their way to the state finals where they tied for 10th place out of 31 teams competing. Great teamwork kept them going through a victorious season!

The 1985 boys' tennis team had another successful season slaughtering all Valley opponents, including Midland High, en route to an 11-2 season. We won 4 invitationals and took second in another. A highlight of the season was our victory over Cranbrook, its first loss in a dual meet since 1979. The team took fourth in the state. A special congratulations to Cathy Richie who was undefeated and STATE CHAMPION at #3 singles, despite 70 mph winds and no electricity at the state tournament. Dave Farber was also named as an All-State and honorable mention All-American player. A special thanks to coach Joe Haskins for the hard work, long hours and numerous rides. With him as our coach, the team is ready to "bring it on" in '86.

The 85-86 gymnastics season was great! All of us have memories we will die laughing over forever. Those poor little "SOPHOMORES" were great! We had Jennifer hairspraying her face, Katy doing reverse leaps, Gina eating with the wrong end of her chopsticks and Ashli bringing it on babe. The upperclassmen were a totally rowdy bunch — of course. Jill was a great James Bond, Patty won't leave Lori alone; and Lori stop yelling at Patty! Chris would it be possible for you to get out of the dryer? Kim excuse me thumper, have you plugged Polly yet? Michelle C. really talks! Susie is still eating pizazz pizza, saying barf-o-rama, and calling Carlo's name. Michelle L. may never stop jamming. And I might stop snorting.

Spring Fever Week is always covered in the following year's book because our final deadline is about the time it takes place, but Senior Jim Hoshaw deserves space in this year's book for his tacky tourist get-up! We were doing the index when we realized with some embarassment we left out a picture of our PE faculty in the staff section of the book. Please accept our apologies. The pages directly preceding prove what a great job you do. National Merit finalists — we need to explain to the public at large this was also taken during Spring Fever Week on PJ's day. Special recognition goes to recently announced valedictorian for the class of 1986 — Bruce Hahne.

MIDLAND PUBLIC SCHOOLS

November 30, 1983

STATEMENT OF NON-DISCRIMINATION

The United States Education Amendments of 1972, Title IX, and the Rehabilitation Act Amendments of 1974, Section 504, require every educational institution not to discriminate on the basis of sex or handicap in its educational programs and activities. The regulations also require each educational institution to conduct a self-study of its programs and activities, to report on its findings, and to institute any changes indicated by the self-study. Each educational institution is further required to publish a notice of its policy of non-discrimination on the basis of sex or handicap and to establish grievance procedures to handle complaints of discrimination on the basis of sex or handicap from students, parents, and employees.

The Midland Public Schools conducted its self-study on non-discrimination on the basis of sex during the 1975-76 school year. The report and recommendations for changes indicated by the study were presented to the Midland Board of Education on June 14, 1976. The recommendations for the changes indicated and this statement of non-discrimination on the basis of sex were approved by the Board of Education on June 28, 1976.

The self-study on non-discrimination on the basis of handicap was conducted during the 1977-78 school year.

Title VI of the Civil Rights Act of 1964 states that no person shall, on the basis of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program.

It is the policy of the Midland Board of Education that the Midland Public Schools will not discriminate on the basis of sex, handicap, race, color, or national origin in its educational programs and activities.

The school system's compliance with Title VI, Title IX, and Section 504 will be coordinated by:

'member all the hand jive & drunk drivers - etc Do you remember how we cemented our relationship? We were at Andy Thiel's party and 3 drunks walking (or trying to) back to your car in deep snow & slush - Chris's "What do you want for Christmas" - the Hello we sang loud on the way home ☺ - & Julie grumbling in the back... What about Prom night & what we did ☺ - FUN TIMES Red Lobster!
